New York, Feb. 23.

We learn from Washington that Mr. Calhoun will not likely be able to speak this session. He is said to be dictating to an amanuensis, which he desires to have read in the Senate.

Georgia, Feb. 23.

Full but not official returns from the 1st Congressional district of Georgia, give Jackson (dem) 70 majority, as successor of Hon. T. Butler King.

Columbus, Ohio, Feb. 23.

The two branches of Legislature have disagreed as to the time of holding an election of Delegates to the constitutional convention. The Senate amended the House bill by inserting the 1st Monday in April, which the House non-concurred in 30 to 30. Other points are in dispute, and a committee of conference has been appointed.

Washington, Feb. 23.

The *Tribune* has the following:

The President is very firm, and the Southern Members are in possession of his views

A committee of them enquired, in an interview with him, if he was ready to maintain the Union. He replied, he would blockade every southern port in case of resistance to the collection of customs. He said he would not interpose the regular army, but call for volunteers from the northern and western states, put himself at their head and pour out his blood, if needed, in defence of the Union.

This looks very doubtful—extremely so.

Washington, Feb. 25th.

Senate—The President presented a communication in relation to the survey of Racine.

Mr. Hunter presented a petition asking the erection of Washington Monument in point of the Capitol.

Mr. Dayton's Resolutions from the Legislature asking that improvements be made in the rivers of New Jersey, were ordered to be printed.

Mr. Turney rose to explain relative to the National Intelligencer which had falsified the Resolution of the Tenn. Legislature. He said the state was in favor of a Southern Convention.

Mr. Hamlin took the floor on the California Message which was postponed until to-morrow.

Mr. Miller concluded his speech, which was of a conciliatory character.

Mr. Rush obtained the floor, when the Resolutions were postponed until Wednesday.

Mr. Foot renewed his motion that a committee of fifteen be appointed to arrange the territorial questions, and strenuously urged that if something were not done within six days there would be an outbreak forever preventing a settlement.

Messrs. Butler, Dayton and Walker opposed the appointment of the Committee, while Messrs. Clemens and Badger favored it.

The Senate then adjourned.

House—Various petitions were presented.

Mr. Brown, of Miss, moved to suspend the rules to introduce a resolution from the Committee on Territories to inquire whether President Polk or Taylor, or either Cabinet had endeavoured in any way or manner to introduce the residents of California to exclude slavery.—Lost.

Mr. Brown also reported a bill to incorporate the Columbian Manufacturing Company.—Referred. Also, a joint resolution for the distribution of Public Documents among different counties of the U. S. Read twice and referred.

Mr. Jacob Thomson offered a resolution to inquire into the expediency of granting certain lands to Mississippi.

Mr. Wentworth presented a remonstrance against the admission of Deseret which was read, showing the traitorous principles and outrageous practices of the Mormons.

Resolutions in favor of Mr. Law, giving the right way and the lands to Railroads, turnpikes, etc. were objected to.

Mr. Giddings presented a petition from Delaware, for a peaceable dissolution of the Union, on receiving which the ayes and nays were ordered. Those who voted aye were Allen, Durkee, Giddings, Goodenow and Root, nays 162.

Mr. Schenck presented a petition from New Mexico for a territorial government. It was moved to refer it to the Committee on Territories carried by 135 to 42.

Three hours were spent in receiving a vast number of *privileged* reso ntions, and in appeals, &c. Adjourned.

☞ M'LANE'S LIVER PILL.—In offering this medicine to the public, the proprietors are well aware that they have to encounter a no stility generated by the countless impositions which have been palmed upon the public under the shape of Patent medicines. We are convinced, however, that it is only necessary to give their remedy a trial to place it in public estimation far above all medical agents of the kind ever offered to the public It is the invention of an enlightened, experienced and learned physician, who for many years used it in his own practice, when its great success induced him to offer it to the public at large.

Said Collins had on when he left a pair of dark, plain casinet pantaloons, new, and made large—a new, light-blue, frock coat, a dark check shirt new, heavy shoes with iron nails in the heels and soles, and been tapped—wears a cassinet cap pretty well worn.

Said Collins was arrested in Cincinnati, Ohio on a warrant from Governor Ford, upon a requisition from the Governor of Pennsylvania, and escaped from the hands of the undersigned at Harrisville, Butler county, on the night of the 12th instant.

This is the only Compound in which Sarsaparilla, Wild Cherry and Dandelion are so prepared, to offer the peculiar virtues of each, in combination with pure Extracts of other healing articles in a highly concentrated state its ingredients are

PURELY VEGETABLE,

And are such roots and barks as are found—though chiefly affecting certain parts—in their general tendency to produce *the most cleansing and healing effects.*

IT IS IMPOSSIBLE

To cure many diseases Dropsies, Kidney Complaints, &c., draw off Watery Humors from the Blood or corrupt and irritating secretions of diseased organs from the body, without the thorough operation on the Kidneys, as caused by this Medicine. It never disappoints expectation *No common medicine will reach these derangements.* This compound contains certain Roots, *the best and only ones that should be used.* It cures the most aggravated forms.

GENERAL DEBILITY AND DECLINE,

It will refresh immediately. A few days' use will convince the incredulous. The appetite increased—the nerves so quiet—spirits raised and new, Pure and Rich Blood takes the place of vitiated and corrupt.

USE IT IN YOUR FAMILIES,

You will never be without it. It will do more good, and cure more speedily, the hundreds of petty diseases, Colds, Bowel Complaints, Impure Blood, &c., than anything you have ever tried.—*Look at Certificates.* The WEAKEST INFANT or most delicate Female *can take it with perfect safety.*

That this is the *only medicine* that has ever cured the low, wearing SILVER FEVER, as attested by *the oaths of some thirty* of the cured, and you will acknowledge

THERE IS SOMETHING IN IT.

Where obstructions of the organs have caused deposits,

GRAVEL,

Or Stone in the Bladder, this medicine has been used with astonishing success. *For Certificates of Cures of this or any disease see Pamphlet of cures.*

THE WORST FORMS

Of DISEASES of the STOMACH and BOWELS, Costiveness, DYSPEPSIA, with Debility, &c. For Bowel Complaints, *it can be relied on as a certain remedy.* Also, when accumulation of bile has caused

BILIOUS DISEASES,

LIVER COMPLAINTS

Of years standing, as certificates testify. *It always gives satisfaction.* Try it. Great Physicians pre cribe *always* diuretics. This compound is excellent—Dandelion alone is almost specific.

On the pages of our PAMPHLETS or columns of our papers. A list of as influential names has never been given in support of *any* Medicine. We have there *indisputable* testimony of the *certain cure of every disease we mention. The most thorough investigation is requested.* GET A PAMPHLET. Call on the certifiers or ask their opinion, and you too will use it. It will affect you different from any other, and we think it will do you more good.

ERIE DAGUERREAN GALLERY.

SHERMAN & LEWIS are happy to annound to the Ladies and Gentlemen of Erie, and the friends of science and art in the region round about, that they are prepared to take Likenesses of a superior quality at their rooms, over Middleton & Murphy's store, three doors east of Brown's Hotel.

There are several reasons why persons can obtain better pictures at our rooms than at any other in this city, or in this part of the country. One is,

WE HAVE THE BEST LIGHT!

Skylight and side light COMBINED—each correcting the faults of the other, and producing a natural and most beautiful effect.—TRY IT, WHOEVER IS NOT SATISFIED WITH PICTURES TAKEN ELSEWHERE!!

Another reason is, we have the best apparatus. The importance of this will be obvious to any one.

We shall not offer those who favor us with their patronage, the flat, insipid, corpse-like things which many who call themselves artists present to the public. Neither shall we offer those dark, gloomy images which human beings are sometimes told resemble themselves; but clear and accurate likenesses, possessing the most beautiful blending of light and shade, richness and depth of tone, remarkable distinctness of feature, true expression of the eye, boldness of relief, distance and invisibility of back ground, delicacy of finish, softness, transparent and artistic effect.

Remember there is no room of the kind near here which has the facilities of this. It is designed to be a permanent establishment. NOT TO BE EQUALED is our motto. W. H. SHERMAN,

OUR FLAG IS THERE.

CASH PRINCIPLE.

THE public subscriber would beg leave to inform his friends and the public that he has just opened for the fall, the largest and best assortment of CLOTHS, CASSIMERES AND VESTINGS, that has ever been offered in this market and which will be sold at the low at prices for CASH. Much has been said by some in the trade about slop-shop clothing, unprecedented success in cutting custom work, &c. Not wishing to be considered foolish, we cut short by saying to those who wish to have their clothing made to order, that they can have their measures taken, and Clothing made, and if not pleased with them when finished, they will not be asked to take them away. We dont wish our friends to think we are gaining, but would have them CALL AND EXAMINE goods and prices for themselves. We will be happy at all times to show our goods and compare Prices, cut or make with the best in this or any other city. We will have at all times, a large and good assortment of READY MADE CLOTHING Consisting of Dress and Frock Coats, Over Coats, Business Coats, Sack Coats, Pants, Vests, Shirts, Cravats, Suspenders, Lamb's Wool Under Shirts and Drawers, &c., &c., Which will be sold as cheap as the cheapest. Persons wishing to purchase Clothing for CASH will do well to call and examine Goods and Prices. My clothing is cut by myself and all made in Erie, and is warranted to be as well made as any shop in the place can make. We do not wish to boast, but invite comparrison. The subscriber is determined to sell for CASH, and CASH ONLY, Which must be obvious to all men to be the only true method of doing a Retail business, protecting, as it does, both the buyer and the seller against losses consequent upon the credit system.

Custom work and cutting done to order on reasonable terms.

Another Resurrection.

AFTER this I will return and will build that which is fallen down, and I will build again the ruins thereof, and I will set it up." An exile returned, may every wind waft some lost exile home, and finally may the time hasten when the last returning wanderer shall be reclaimed and gathered to the fold.

The subscriber, after coming up through much tribulation and having his works tried as by fire and suffered loss, has come to himself, and has received a small stock of *BOOKS* for sale, and expects more, which will be disposed of cheap for Cash. It is hoped that my friends will not be discouraged because the stock is small—remember he that is faithful over a few things shall be made ruler over many. The subscriber returns his thanks to his friends for past favors and especially to those who have with warm hearts and open hands patronized him in former years who, in prosperity, in adversity, in tribulation and oppression, showed by works of their faith which is the fruit resting on the principle that it is no more blessed to give than to receive. He could pay them a fashionable compliment, but is would be insulting them on its
