DETERGENT AND DIURETIC.

DR. MYER'S

Sarsaparilla, Wild Cherry and Dandelion Compound.

This valuable Medicinal preparation DIFFERS ENTIRELY from any simple "Extract of Sarsaparilla," or common purifying Medicine. It is a compound of many of the

MOST CLEANSING MEDICINES,

With others acting *directly on the Kidneys* or having immediate reference to the relief and continued healthy operation of some internal organs. It contains articles which enter into no other preparation in existence, and

IT IS UNRIVALED

In purifying and refreshing effects, by any Medicine in the world. It is put up

IN LARGE BOTTLES,

Is very pleasant to the taste, and is more concentrated,

STRONGER, BETTER AND CHEAPER

Than any other in Market. Persons who have taken "Sarsaparilla" *by the gallon*, without relief, have been *radically cured*, by using two or three bottles.

This is the only Compound in which Sarsaparilla, Wild Cherry and Dandelion are so prepared, to offer the peculiar virtues of each, in combination with pure Extracts of other healing articles in a highly concentrated state. Ingredients are

PURELY VEGETABLE,

And are such roots and barks as are found—though chiefly affecting certain parts—in their general tendency to produce *the most cleansing and healing effects.*

IT IS IMPOSSIBLE

To cure many diseases Dropsies, Kidney Complaints, &c., draw off Watery Humors from the Blood, or corrupt and irritating secretions of diseased organs from the body, without the thorough OPERATION ON THE KIDNEYS, as caused by this Medicine. No other extract even *pretends to this effect.* In fact this very operation for which it is *particularly compounded*, differs from all other preparations, and makes it *the best compound in existence.*

IN ALL CASES OF DROPSY.

Use this medicine. It *will relieve.* It *has cured when life itself was design red of.* It contains articles that *will cure if anything can*, and takes the *only method* to make *permanent cures.* This Remedy

PURIFIES AND DRIVES OUT

All impure and gross humours, not only by working directly on the blood, but by restoring each organ to healthy vigor, and especially increasing the action of those which draw from the body, and lastingly remove all

IMPURE OR DISEASED FLUIDS.

All diseases originating in a depraved state of the vital fluids, Eruptions, Ulcers, Sores, Collection of Watery Humors,

DISEASES OF THE BLOOD,

Will find this the *best* alterative, and most cleansing Medicine, *far before any other, in invigorating effect.* It has worked some of the *greatest cures* of Diseases of the Urinary Organs.

DISORDERS OF THE KIDNEYS.

Bladders, &c. *A splendid diuretic. No extract is so good* for Weakness of the Kidneys, Weak back, Retention or Involuntary flow of Urine, Burning or Scalding, *Involuntary Emissions*, or other irritability. REMEMBER, *the only Medicine that heals these parts.* In Scrofulous habits of the System, Lax and weakened states,

CONSUMPTION, COUGHS,

Wasting diseases of the Lungs, Pains in the Breast, &c., the soothing Pectorals and bracing Tonics, heal the Lungs most kindly, and strengthen the body, while the acrid humours that load the system are cleansed. *The relieving action of the Kidneys is marked in Lungs disease.* It is warranted *superior to any preparation* —Sudden attacks from Exposure *are certainly cured.*

FEMALE COMPLAINTS,

For Irregular, Suppressed or painful Menstruation. Fluor Albus, Uterine Diseases or any derangement of the Female System—never disappoints expectation. *No common medicine will reach these derangements.* This compound contains certain Roots, *the best and only ones that should be used.* It cures the most aggravated forms.

GENERAL DEBILITY AND DECLINE,

It will refresh immediately. A few days' use will convince the incredulous. The appetite increased—the nerves so quiet—spirits raised and new, Pure and Rich Blood takes the place of vitiated and corrupt.

USE IT IN YOUR FAMILIES.

You will never be without it. It will do more good, and cure more speedily, the hundred of petty diseases, Colds, Bowel Complaints, Impure Blood, &c., than anything you have ever tried.—*Look at Certificates.* The WORST INFANT or most delicate Female *can take it with perfect safety.*

BEAR IT IN MIND.

That this is the *only medicine* that has ever cured the low, wearing SCALD FEVER, as attested by *the oaths of some thirty* of the county, and you will acknowledge

THERE IS SOMETHING IN IT.

Where obstructions of the organs have caused deposits,

GRAVEL,

Or Stone in the Bladder, this medicine has been used with astonishing success. *For Certificates of Cures of this or any disease, see Pamphlet of cures.*

THE WORST FORMS

Of Diseases of the STOMACH and BOWELS, Costiveness, DYSPEPSIA, with Debility, &c. *For bad Blood Complaints, it can be relied on as a certain remedy.* Also, when accumulation of bile has caused

BILIOUS DISEASES,

Jaundice, &c., or when they are coming on, *take this and you are safe.* It carries off the corrupt bile rapidly, by the natural channels, and *ceases immediately.* It has cured

LIVER COMPLAINTS

Of years' standing, as certificates testify. *It always gives satisfaction.* Try it. Great Physician-proof-it *always* draws diuretics. This compound is excellent—Dandelion alone is almost specific.

LOOK FOR TESTIMONY

On the pages of our PAMPHLETS or columns of our papers. A list of as influential names has *never* been given in support of *any* Medicine. We have there *indisputable* testimony of the *certain cure of every disease which it claims.* *The most thorough certification is requested.* GET A PAMPHLET. Call on the certifiers or get their opinion, and you too will use it. It will affect you different from any other, and we think it will do you more good.

Hold Up! Walk Up and see the Bang Up!!

THE public are invited to call at the Erie Steam Foundry, or at our Store, and examine the last *Paragon* of Cooking Stoves, just got out with an uncommon large Oven, high enough to bake a large Turkey on its feet, while six loves of bread are baking around it. The "noise and confusion" it has made East, has induced the character-ic name of "BANG UP." One who lately saw nine loaves of beautifully baked bread, taken from the oven at one time, "was reminded of the capacity of a small pig which drank two quarts of whey at a draught, and did not then fill the measure which contained the whey into four inches." See certificates.

Erie, Feb. 2, 1850. LESTER, SENNETT & CHESTER,

Erie, January 22, 1850.

Messrs. Lester, Sennett & Chester: Gent.—To your inquiry whether the "Bang Up" Cooking Stove purchased from you during the present month, has given satisfaction or not, I have the pleasure of answering that said stove has met our fullest expectation in every particular, and would *not* be exchanged for any other pattern now in use of which I have knowledge.

Very respectfully, your obedient servant. A. SCOTT.

Messrs. Lester, Sennett & Chester: Gent.—We are using your improved modern Cooking Stove, called the "Bang Up," and after a fair trial I can recommend it as superior to any stove in use in this section of the country. Among the most prominent advantages of this stove, is the commodiousness of the Oven, it being sufficiently capacious for the largest family, and also in a saving of fuel. I am satisfied that one half the fuel necessary for any stove we have ever used will amply supply this. Take it all in all I think it difficult to improve.

Truly yours, MILES W. CAUGHEY.

January 23, 1850.

Messrs. Lester, Sennett & Chester: Gent.—Having used your improved "Bang Up" Cooking Stove, I am free to express my entire satisfaction of its value, as combining all the good qualities I desired, and shall take great pleasure in testifying to its merits, and in showing it to any who may wish to see it in operation, at my Grocery store, corner of 7th and State streets.

Another Resurcction.

AFTER this I will return and will build that which is fallen down, and I will build again the ruins thereof, and I will set it up." An exile returned, may every wind waft some lost exile home, and finally may the time hasten when the last returning wanderer shall be reclaimed and gathered to the fold.

The subscriber, after coming up through much tribulation and having his stocks tried as by fire and suffered loss, has come to himself and has received a small stock of *BOOKS* for sale, and expects more, which will be disposed of cheap for Cash. It is hoped that my friends will not be discouraged because the stock is so small—remember he that is faithful over a few things shall be made ruler over many. The subscriber returns his thanks to his friends for past favors and especially to those who have with warm hearts and open hands patronized him in former years who, in prosperity, in adversity, in tribulation and oppression, showed by works of their father which is in heaven acted on the principle that it is no more blessed to give than to receive. He still wants the patronage of his friends, and will be thankful for the smallest favors in his line. He has nothing to promise them in return at present. He could pay them a fashionable compliment, but it would be like the Italian on books. May they long live to gladden the hearts of the orphans, and wipe the tear of affliction and grief from the eye of the oppressed widow.

He believes that He that numbers the hairs of the head and does not allow a sparrow to fall without his notice, will enable the *subscriber* to show his gratitude by his works. Then he would choose be willing to say of the language of good old Jacob, let not then thy servant despond in peace. Some few persons in former days have complained of his style of expressing himself. He regrets exceedingly that he should be so unfortunate as to express himself so as to offend the most sensitive, delicate and chaste ear. He would not wish to be understood that he is complaining because others differ from him. They have as good a right to differ from him as he has to differ from them. Should expect od providence permitting, an assortment of Christmas and New Year Books. Constantly kept on hand Quills Paper, Black Sand, Blue, Black and Red Ink; Blank Books ruled and bound to pattern: old Rebound on short notice; good Vinegar in exchange for Rags.—Corner of French and Sixth streets.

LAMPS.

A VARIETY of Solar Lamps, of the newest paterns and most approved styles; also, Camphene Lamps of different styles, globes, chimneys, whicks &c., constantly on hand and will be sold cheap. W. N. LEWIS

CAUTION EXTRA.

A man by the name of *CLAPP* has engaged with a young man of the name of S. P. Townsend, and uses his name to put up a Sarsaparilla, which they call Dr. Townsend's Sarsaparilla, denominating it *GENUINE*, Original, ect. This Townsend is no doctor, and never was; but was formerly a worker on railroads, canals, and the like. Yet he assumes the title of Dr., for the purpose of gaining credit for what he is not. This is to caution the putlic not to be deceived, and purchase none but the *GENUINE ORIGINAL OLD* Dr. Jacob Townsend's Sarsaparilla, having on it the Old Dr's. likeness, his family coat of arms, and his signature across the coat of arms.

Principal Office, 102 *Nassau st., New York City.*

OLD DR. JACOB TOWNSEND,

THE ORIGINAL DISCOVERER OF THE

Genuine Townsend Sarsaparilla.

Old Dr. Townsend is now about 70 years of age, and has long been known as the *AUTHER* and *DISCOVERER* of the *GENUINE ORIGINAL "TOWNSEND SARSAPARILLA,"* Being poor, he was compelled to limit its manufacture, by which means it has been kept out of market, and the sales circumscribed to those only who had proved its worth, and known its value. It had reached the ears of many, nevertheless, as those persons who had been healed of sore diseases, and saved from death, proclaimed its excellence and wonderful

HEALING POWER.

Knowing, *many years ago*, that he had, by his skill, science and experience, devised an article which would be of incalculable advantage to mankind when the means would be furnished to bring it into universal notice, when its unestimable virtues would be known and appreciated. This time has come, the means are supplied, this

GRAND AND UNEQUALLED PREPARATION

is manufactured on the largest scale, and is called for throughout the length and bredth of the land, especially as it is found incapable of degeneration or deterioration.

Unlike young S. P. Townsend's, it improves with age, and never changes, but for the better: because it is prepared on *scientific principles by a scientific man.* The highest knowledge of Chemistry, and the latest discoveries of the art, have all been brought into requisition in the manufacture of the Old *Dr's.* Sarsaparilla. The Sarsaparilla root, it is well known to medical men, contains many medical properties, and some properties which are inert or useless, and others, which if retained in preparing it for use, produce *fermentation* and *acids*, which is injurious to the system.—Some of the properties of Sarsaparilla are so *volatile*, that they entirely evaporate and are lost in the preparation, if they are not preserved by a *scientific process*, known only to those experienced in its manufacture. Moreover, these *volatile principles*, which fly off in vapor, or as an exhalation, under heat, are the very *essential medical properties* of the root, which give to it all its value. Any preparation that has not these principles will be in fact a colored liquid, which is more from the coloring matter in the root than from anything else; they can then strain this insipid or vapid liquid, sweeten with sour molasses, and then call it "SARSAPARILLA EXTRACT or SYRUP." But such is not the article known as the

GENUINE OLD DR. JACOB TOWNSEND'S SARSAPARILLA.

This is so prepared, that all the inert properties of the Sarsaparilla root are first removed, everything capable of becoming acid or of fermentation, is extracted and rejected; then every particle of medical virtue is secured in a pure and concentrated form; and thus it is rendered incapable of losing any of its valuable and healing properties. Prepared in this way, it is made the most powerful agent in the

Cure of Innumerable Diseases.

Hence the reason why we hear commendations of every side in its favor by men, women, and children. We find it doing wonders in the cure of

CONSUMPTION, DYSPEPSIA, and *LIVER COMPLAINT*; and in *RHEUMATISM, SCROFULA, PILES, COSTIVENESS*, all *CUTANEOUS ERUPTIONS, PIMPLES, BLOTCHES*, and all affections arising from

IMPURITY OF THE BLOOD.

It possesses a marvelous efficacy in all complaints arising from *Indigestion*, from *Acidity of the Stomach*, from unequal circulation, determination of blood to the head, palpitation of the heart, cold feet and hands, cold chills and hot flashes over the body. It has not its equal in *Colds* and *Coughs*; and promotes easy expectoration and gentle perspiration, relaxing stricture of the lungs, throat, and every other part.

But in nothing is its excellence more manifestly seen and acknowledged than in all kinds and stages of

FEMALE COMPLAINTS.

It works wonders in cases of *Fluor Albus or Whites, Falling of the Womb, Obstructed, Suppressed*, or *Painful Menses, Irregularity* of the menstrual periods, and the like; and is as effectual in curing all the forms of *Kidney Disease*

By removing obstructions, and regulating the general system, it gives tone and strength to the whole body, thus cures all forms of

Nervous diseases and debility.

and thus prevents or relieves a great variety of other maladies, as *Spinal irritation, Neuralgia, St. Vitus' Dance, Swooning, Epileptic Fits, Convulsions, &c.*

It cleanses the blood, excites the liver to healthy action, tones the stomach, and gives good digestion relieves the bowels of torpor and constipation, allays inflammation, purifies the skin, equalizes the circulation, and thus in a strong and powerful manner, acts equally all over the body, and the insensible perspiration; relaxes all strictures and tightness, removes all obstructions, and invigorates the entire nervous system. *Is not this then*

The medicine you pre-eminently need?

But can any of these things be said of S. P. Townsend's inferior article? This young man's liquid is not to be

COMPARED WITH THE OLD DR'S.

because of one GRAND FACT, that the one is INCAPABLE of DETERIORATION, and

NEVER SPOILS,

while the other DOES: *souring, fermenting*, and *blowing the bottles* containing it into fragments; the sour, acid liquid exploding, and damaging other goods! Must not this horrible compound be poisonous to the system!—*What! put acid into a system already diseased with acid!* What causes Dyspepsia but acid? Do we call Liver Complaint in question? Is not our stomachs, what bilious chiefs it produces? flatulence, heartburn, palpitation of the heart liver complaint, diarrhœa, dysentery, colic, and corruption of the blood? What is Scrofula but an acid humor in the body? What produces all the humors which bring on Eruptions of the Skin, Scald Head, Salt Rheum, Erysipelas, White Swellings, Fever Sores, and all ulcerations known to mankind? It is nothing under heaven, but an acid substance, which sours, and thus spoils all the fluids of the body, more or less. What causes Rheumatism but a sour or acid fluid which insinuates itself between the joints and elsewhere, irritating and inflaming the delicate tissues upon which it rests? So of nervous diseases, of impurity of the blood, or deranged circulations, and nearly all the ailments which afflict human nature.

Now is it not horrible to make and sell, and *infinitely worse* to use this

SOURING, FERMENTING, ACID "COMPOUND" OF S. P. TOWNSEND,

and yet he would fain have it understood that Old Dr. Jacob Townsend's *Genuine Original Sarsaparilla*, is an IMITATION of his inferior preparation!!

Heaven forbid that we should deal in an article which would bear the most distant resemblance to S. P. Townsend's *article!* and which should bring down upon the Old Dr. such a mountain load of complaints and criminations from Agents who have sold, and purchasers who have used S. P. Townsend's FERMENTING COMPOUND.

We wish it understood, because it is the *absolute truth*, that S. P. Townsend's article and Old Dr. Jacob Townsend's Sarsaparilla are *heaven-wide apart, and infinitely dissimilar;* that they are unlike in every particular, having not one single thing in common.

As S. P. Townsend is no doctor, and never was, is no chemist, no pharmaceutist—knows no more of medicine or disease than any other common, unscientific, unprofessional man, what *guarantee* can the public have that they are receiving a genuine scientific medicine, containing all the virtues of the articles used in preparing it, and which are incapable of changes which might render them the AGENTS of Disease instead of health,

But what else should be expected from one who knows nothing comparatively of medicine or disease! It requires a person of some experience to cook and serve up even a common decent meal. How much more important is it that the persons who manufacture medicine, be designed for

Weak Stomachs and Enfeebled Systems,

should know well the medical properties of plants, the best manner of securing and concentrating their healing virtues, also an extensive knowledge of the various diseases which affect the human system, and how to adapt remedies to these diseases!

It is to arrest trade upon the unfortunate, to pour balm into wounded humanity, to kindle hope in the sick bosom, to restore health and bloom, and vigor into the crushed and broken, and to banish infirmity that OLD DR. JACOB TOWNSEND has SOUGHT and FOUND the opportunity and means to bring his

Grand Universal Concentrated Remedy

within the reach, and to the knowledge of all who need it, that they may learn and know, by joyful experience, its

Transcendent Power to Heal.

WORSE THAN DEATH.

AT Worcester, Massachusetts, in the year 1835, a case of 'Elephantinisis' came under a physician's care, the patient laboring under the usual symtoms of that horrid disease, which continued growing worse and worse for TEN YEARS, at this period the patient was examined by her physician's, all saying that her case was incurable, and that she could not survive many weeks. Her limbs were swollen to an immense size, her face turned black, eyes starting from their sockets, and her whole person resembling some beast, too horrid for description. All the symptoms of this dreadful disease appeared in the worst form. The female had been possessed of much personal beauty, and great accomplishments, but these were now sunk in the ravages of a disease WORSE THAN DEATH. In 1847 a gentleman from Chicago, Illinois, visited her friends, and undertook to alleviate her sufferings—no hope of life, but a wish that death would end her sufferings, being the sentiment of herself and friends. Having much faith in 'SLOAN'S OINTMENT,' he had supplied himself with it to present to his friends. The first box of the Ointment evident y helped her case, and in the use of two more boxes decided hopes were entertained. In short this hitherto incurable disease was annicered, and this case in which hundreds of dollars had been squandered on physicians, was cured entirely at a cost of fifteen dollars, and the young lady now married, walks the streets of a western city, a living and most beautiful monument of the unparalelled virtue of the people's medicine, 'SLOAN'S OINTMENT.' MEDICAL TREATMENT.

DR. W. B. Sloan—Dear Sir. Last August I received a severe bruise on one leg, just below the knee, no attention was paid to it however for some time after, nor until I had taken cold in the sore, it now became very much swollen, and exceedingly painful, so much so that I could get no sleep for several days. A physician was called, and my leg lanced at two different periods, discharging very freely each time. I laid under Medical treatment about three months, but without the least permanent benefit. I then obtained a box of your Ointment, this soon removed all pain and soreness, and in two weeks from the time I began using the Ointment my leg was entirely well. I cheerfully recommend all who may be similarly injured to give this Ointment a trial with the fullest assurance that their expectations will not be disappointed. Respectfully Yours, DAVID J. WEST.

Sugar Grove, Kane co., Ill., April 27, 1849.

AFTER THREE YEARS FOUND RELIEF.

THIS is to certify that I have been afflicted with a pain in my left leg to such a degree for above three years, most of this time I have been entirely unable to labor, and notwithstanding I have used almost every thing I heard recommended, nothing afforded any relief, except the application of cold water, and this but temporarily. A neighbor recommended me to try Sloan's Ointment, I did so, and in about four weeks I was able to walk about as well as ever, except some weakness.
