Messrs. A B & D SINDER-Messrs. A B & D SINDER-GENTLEMEN-Feelings of gratitude induce me to make a public acknowledgment of the benefit I have derived from the use of your Susaparilla. I have forseveral years been allicited with sciondious swellings in my head, which at times would gather and discharge at my throat, nose, and ears, and at others would break out in different parts of my fare and head. These continued until my throat, face, and thead were almost one complete sore, and for a long time I was so hoarse that it was with the utmost difficulty that I could speak above a whisper. During this time I had several attacks of plearnsy and other diresses I consulted different physicians, and tried various remeches, but received no benefit until L commenced using your Sarsa-panila. I am now well, the sores are all healed, and I attribute the result entiliely to the effects of your valuable medicate. Yours, with respect and gratitude, PHEBE CAHOON.
