JOY TO THE WORLD

Perry Davis's Vegetable Pain Killer,

FOR the Instant Cure and entire Eradication of all Pain, Internal and External Remedy. No matter where the pain is or of what nature, this will reach it. Opinion of the most prominent Druggists of Cincinnati in its favor.

CINCINNATI, Oct. 26th, 1849.

WE, the undersigned, Druggists and Merchants of this city, have been acquainted with, and sold for a year or two past, an article of Family Medicine known as PERRY DAVIS' VEGETABLE PAIN KILLER, and we would assure the public that in every instance, so far as we know, it has given the best satisfaction to the purchaser. We can recommend it to the public as an article of great Merit and Virtue.

Indeed we never knew an article of Medicine become so deservedly popular in so short time, which is proved by the fact of its extensive sale and constantly increasing demands.

OPINION OF THE PRESS.

[From the Cincinnati Commercial, Oct. 31.

We take pleasure in referring the reader to the testimony of our prominent druggists and well known citizens to the virtue of Davis' Pain Killer. We have used the article and found it valuable. *The sale of this article in the United States is beyond all precedent*, as the books of the office will show.

[From the Cincinnati Nonpariel, Nov. 10th.]

We call the attention of our readers to the advertisement of this great remedy for the most instant relief of pain. No medicinal preparation with which we are acquainted, can claim to possess *such power for the extinction of pain. No preparation has ever* become so popular in our community, or created such a sensation in the public mind through the section of the county where it has been introduced and become known.

It will be seen that some of our most prominent citizens, and business men, strongly recommend it to the public, as an article of "GREAT MERIT AND VIRTUE," and that they never knew any medicine *to become so deservedly popular in so short a time.*

[From the Cincinnati Dispatch, Oct. 31.]

DAVIS' PAIN KILLER.—Whatever may be the prejudices entertained against a great many patent medicines, we can ourselves bear willing testimony to the efficacy of this article. We have seen its magic effects in soothing the severest pain, in a great many cases, and know it to be a good article for the uses and purposes to which it is devoted, and even in cases where it may not prove infallible, it possesses the rare virtue of doing no injury.

Hold Up! Walk Up and see the Bang Up!!

THE public are invited to call at the Erie Steam Foundry, or at L. Our Store, and examine the last *Paragon* of Cooking Stoves, just got out with an uncommon large Oven, high enough to bake a large Turkey on its feet, while six loves of bread are baking around it. The "noise and confusion" it has made East, has induced the characteristic name of BANG UP. One who lately saw nine loaves of beautifully baked bread, taken from the oven at one time, "was reminded of the capacity of a small pig which drank two quarts of whey at a draught, and did not then fill the measure which contained the whey into four inches." See certificates.

Erie, Feb. 2, 1850. LESTER, SENNETT & CHESTER,

Erie, January 22, 1850.

Messrs. Lester, Sennett & Chester: Gent.—To your inquiry whether the "Bang Up" Cooking Stove purchased from you during the present month, has given satisfaction or not, I have the pleasure of answering that said stove has met our fullest expectation in every particular, and *would not be exchanged for any other* pattern now in use of which I have knowledge.

Very respectfully, your obedient servant. A. SCOTT.

Messrs. Lester, Sennett & Chester; Gent.—We are using your improved modern Cooking Stove, called the "Bang Up," and after a fair trial I can recommend it as superior to any stove in use in this section of the country. *Among the most prominent advantages* of this stove, is the commodiousness of the Oven, it being sufficiently capacious for the largest family, and also in a saving of fuel. I am satisfied that one half the fuel necessary for any stove we have ever used will amply supply this. Take it all in all I think it difficult to improve.

Truly yours, MILES W. CAUGHEY.

January 23, 1850.

Messrs. Lester, Sennett & Chester; Gent.—Having used your *improved* "Bang Up" Cooking Stove, I wish to express my entire satisfaction of its value, as combining all the good qualities I desired, and shall take great pleasure in testifying to its merits, and in showing it to any who may wish to see it in operation, at my Grocery store, corner of 7th and State streets.

FAIRBANKS' SCALES.

THE well-earned reputation of Fairbanks' Scales has induced the venders of imperfect and worthless balances to offer them as "Fairbanks' Scales;" and purchasers have thereby, in many cases, been subjected to fraud and imposition. The subscribers have no controversy with honorable competitors who transact business in their own names, but regarding the perpetrators of the above fraud as pursuing a course alike unjust and dishonorable, they take this measure to caution the public of their impositions. ERIE DAGUERREAN GALLERY.

GUILMAN & LEWIS are happy to announce to the Ladies and Gentlemen of Erie, and those in the surrounding country and in the region round about, that they are prepared to take Likenesses of a superior quality at their rooms, over Middleton & Murphy's store three doors east of Brown's Hotel.

There are several reasons why persons can obtain better pictures at our rooms than at any other in this city, or in this part of the country. One is,

WE HAVE THE BEST LIGHT!

Skylight and side light COMBINED—each correcting the faults of the other, and producing a natural and most beautiful effect.—TRY IT, WHOEVER IS NOT SATISFIED WITH PICTURES TAKEN ELSEWHERE!!

Another reason is, we have the best apparatus. The importance of this will be obvious to any one.

We shall not offer those who favor us with their patronage, the flat, insipid, corpse-like things which many who call themselves artists present to the public. Neither shall we offer those dark, gloomy images which human beings are sometimes told resemble themselves; but clear and accurate Likenesses, possessing the most beautiful blending of light and shade, richness and depth of tone, remarkable distinctness of features, true expression of the eye, boldness of relief, distance and invisibility of back ground, delicacy of finish, softness, transparent and artistic effect.

Remember there is no room of the kind near here which has the facilities of this. It is designed to be a permanent establishment. NOT TO BE EQUALED is our motto. W. H. SHERMAN,

BUTTER AND CHEESE TREYERS at the Hardware Store No. 3, Reed House. RUFUS REED.

DETERGENT AND DIURETIC.

DR. MYER'S

Sarsaparilla, Wild Cherry and Dandelion Compound.

THIS valuable Medicinal preparation DIFFERS ENTIRELY from any simple "Extract of Sarsaparilla," or common purifying Medicine. It is a compound of many of the

MOST CLEANSING MEDICINES,

With others acting *directly on the Kidneys* or having immediate *reference to the relief* and continued healthy operation of some internal organs. It contains articles which enter into no other preparation in existence, and

IT IS UNRIVALD

In purifying and refreshing effects, by any Medicine in the world. It is put up

IN LARGE BOTTLES,

Is *very pleasant* to the taste, and is more concentrated,

STRONGER, BETTER AND CHEAPER

Than any other in Market. Persons who have taken "Sarsaparilla" *by the gallon*, without relief, have been *radically cured*, by using two or three bottles.

This is the only Compound in which Sarsaparilla, Wild Cherry and Dandelion are so prepared, to offer the peculiar virtues of each, in combination with pure Extracts of other healing articles in a highly concentrated state. Its ingredients are

PURELY VEGETABLE,

And are such roots and barks as are found—though chiefly affecting certain parts—in their general tendency to produce *the most cleansing and healing effects.*

IT IS IMPOSSIBLE

To cure many diseases. Dropsies, Kidney Complaints, &c., draw off Watery Humors from the Blood, or corrupt and irritating secretions of diseased organs from the body, without the thorough operation ON THE KIDNEYS, as caused by this Medicine. No other extract even *pretends to this effect.* In fact this very operation for which it is *particularly compounded*, differs from all other preparations, and makes it *the best compound in existence.*

IN ALL CASES OF DROPSY.

Use this medicine. It *will relieve.* It *has cured when life itself was despaired of.* It contains articles that *will cure if anything can*, and takes the *only method* to make *permanent cures.* This Remedy

PURIFIES AND DRIVES OUT

All impure and gross humours, not only by working directly on the blood, but by restoring each organ to healthy vigor, and especially increasing the action of those which draw from the body, and lastingly remove all

IMPURE OR DISEASED FLUIDS.

All diseases originating in a depraved state of the vital fluids, Eruptions, Ulcers, Sores, Collection of Watery Humors,

DISEASES OF THE BLOOD,

Will find this the *best* alterative, and most cleansing Medicine, *far before any other in invigorating effect.* It has worked some of the *greatest cures* of Diseases of the Urinary Organs.

DISORDERS OF THE KIDNEYS,

Bladders, &c. *A splendid diuretic. No extract is so good* for Weakness of the Kidneys, Weak back, Retention or Involuntary flow of Urine, Burning or Scalding, *Involuntary Emissions*, or other irritability, REMEMBER, *the only Medicine that heals these parts.* In scrofulous habits of the System, Lax and weakened states,

CONSUMPTION, COUGHS,

Wasting diseases of the Lungs, Pains in the Breast, &c., the soothing Pectorals and tempering Tonic heat the Lungs most kindly, and strengthen the body, while the acrid humours that load the system are cleansed. *The relieving action of the Kidneys is marked in Lungs disease.* It is warranted *superior to any preparation* —Sudden attacks from Exposure *are certainly cured.*

FEMALE COMPLAINTS,

For Irregular, Suppressed or painful Menstruation, Fluor Albus, Uterine Diseases, or any derangement of the Female Frame, and their opposite extreme *no known medicine will reach these derangements. This compound* contains certain Roots, *the best and only ones that should be used.* It cures the most aggravated forms.

GENERAL DEBILITY AND DECLINE,

It will refresh immediately. A few days' use will convince the incredulous. The appetite increased—the nerves so quiet—sp ilm raised and new, Pure and Rich Blood takes the place of vitiated and corrupt.

USE IT IN YOUR FAMILIES,

You will never be without it. It will do more good, and cure more speedily, the hundreds of petty diseases, Colds, Bowel Complaints, Impure Blood, &c., than anything you have ever tried—*Look at Certificates. The Only Sarsaparilla* or most delicate Female *can take it with perfect safety.*

BEAR IT IN MIND.

That this is the *only medicine* that has ever cured the low, wearing SPIT FEVER, as attested by *the oaths of some thirty* of the cured, and you will acknowledge

THERE IS SOMETHING IN IT.

Where obstructions of the organs have caused deposits,

GRAVEL,

Or Stone in the Bladder, this medicine has been used with astonishing success. *For Certificates of Cures of this or any disease, see Pamphlet of cures.*

THE WORST FORMS

Of DISEASES of the STOMACH and BOWELS, Costiveness, DYSPEPSIA, with Debility, &c. For Bowel Complaints, *it can be relied on as a certain remedy.* Also, when accumulation of bile has caused

BILIOUS DISEASES,

Jaundice, &c., or when they are coming on, *take this and you are safe.* It carries off the corrupt bile rapidly, by the natural channels, and *ceases immediately.* It has cured

LIVER COMPLAINTS

years standing, as certificates testify. *It always gives satisfaction.* Try it. Great Physicians prescribe *always* diuretics. This compound is excellent—Dandelion alone is almost specific.

LOOK FOR TESTIMONY

On the *pages of our* PAMPHLETS or columns of our papers. A list of as influential names has *never* been given in support of *any* Medicine. We have there *indisputable* testimony of the *certain cure of every disease we mention. The most thorough investigation is requested.* GET A PAMPHLET. Call on the certifiers or ask their opinion, and your faith will use it. It will affect you different from any other, and we think it will do you more good.

An exile returned, may every wind waft some lost exile home, and finally may the time hasten when the last returning wanderer shall be gathered and gathered to the fold.

The subscriber, after passing through much tribulation and having his works tried as by fire and suffered loss, has come to himself, and has received a small stock of *BOOKS* for sale, and expects more, which will be disposed of cheap for Cash. It is hoped that my friends will not be discouraged because the stock is not more extensive at present, as a few days more shall be made no der over many. The subscriber returns his thanks to his friends for past favors and especially to those who have with warm hearts and open hands patronized him in former years who, in prosperity, in adversity, in tribulation and oppression, showed by works of their father which is in heaven acted on the principle that it is more blessed to give than to receive. He still wants the patronage of his friends, and will be thankful for the smallest favors in his line. He has nothing to promise them in return at present. He could pay them a fashionable compliment, but it would be like feeding them on husks. May they long live to gladden the hearts of the orphan, and wipe the tear of affliction and grief from the eye of the oppressed widow.

He believes that He that numbers the hairs of the head and does not allow a sparrow to fall without his notice, will enable the subscriber to show his gratitude by his works. Then he would almost be willing to say in the language of good old Simeon, let though thy servant depart. Some few persons in former days have complained of his style of expressing himself. He regrets exceedingly that he should be so unfortunate as to express himself so as to offend the most sensitive, delicate and chaste ear. He would but wish to be understood that he is complaining because others differ from him. They have no good a right to differ from him as he has to differ from them. Shortly expected providence permitting, an assortment of Christmas and New Year Books. Constantly kept on hand Quills Paper, Black Sand, Blue, Black and Red Ink; Blank Books ruled and bound to pattern: old Behound on short notice; good Vinegar in exchange for Rags.—Corner of French and Sixth streets.

CAUTION EXTRA.

A man by the name of *CLAPP* has engaged with a young man of the name of S. P. Townsend, and uses his name to put up a Sarsaparilla, which they call Dr. Townsend's Sarsaparilla, denominating it *GENUINE*, Original, ect. This Townsend is no doctor, and never was; but was formerly a worker on railroads, canals, and the like. Yet he assumes the title of DR., for the purpose of gaining credit for what he is not. This is to caution the public not to be deceived, and purchase none but the *GENUINE ORIGINAL OLD* Dr. Jacob Townsend's Sarsaparilla, having on it the Old Dr's. likeness, his family coat of arms, and his signature across the cost of arms.

Principal Office, 102 Nassau st., New York City.

OLD DR. JACOB TOWNSEND,

THE ORIGINAL DISCOVERER OF THE

Genuine Townsend Sarsaparilla.

Old Dr. Townsend is now about 70 years of age, and has long been known as the *AUTHER* and *DISCOVERER* of the *GENUINE ORIGINAL "TOWNSEND SARSAPARILLA."* Being poor, he was compelled to limit its manufacture, by which means it has been kept out of market, and the sales circumscribed to those only who had proved its worth, and known its value. It had reached the ears of many, nevertheless, as those persons who had been healed of sore diseases, and saved from death, proclaimed its excellence and wonderful

HEALING POWER.

Knowing, *many years ago*, that he had, by his skill, science and experience, devised an article which would be of incalculable advantage to mankind when the means would be furnished to bring it into universal notice, when its enestimable virtues would be known and appreciated. This time has come, the means are supplied; this

is manufactured on the largest scale, and is called for throughout the length and breath of the land, especially as it is found incapable of degeneration or deterioration.

Unlike your's, it improves with age, and never changes, but for the better; because it is prepared *on scientific principles by a scientific man.* The highest knowledge of Chemistry, and the latest discoveries of the art, have all been brought into requisition in the manufacture of the Old Dr's. Sarsaparilla. The Sarsaparilla root, it is well known to med
