JOY TO THE WORLD
Perry Davis's Vegetable Pain Killer,

FOR the Instant Cure and entire Eradication of all Pain. Internal and External Remedy. No matter where the pain is or of what nature, this will reach it. Opinion of the most prominent Druggists of Cincinnati in its favor.

CINCINNATI, Oct. 26th, 1849.

WE, the undersigned, Druggists and Merchants of this city, have been acquainted with, and sold for a year or two past, an article of Family Medicine known as PERRY DAVIS' VEGETABLE PAIN KILLER, and we would assure the public that in every instance, so far as we know, it has given the best satisfaction to the purchaser. We can recommend it to the public as an article of great Merit and Virtue.

Indeed we never knew an article of Medicine become so deservedly popular in so short time, which is proved by the fact of its extensive sale and constantly increasing demands.

OPINION OF THE PRESS.

[From the Cincinnati Commercial, Oct. 31.

We take pleasure in referring the reader to the testimony of our prominent druggists and well known citizens to the virtue of Davis' Pain Killer. We have used the article and found it valuable. The sale of this article in the United States is beyond all precedent, as the books of the office will show.

[From the Cincinnati Nonpariel, Nov. 10th.]

DAVIS' PAIN KILLER.

We call the attention of our readers to the advertisement of this great remedy for the most instant relief of pain. No medicinal preparation with which we are acquainted, appears to possess such power for the extinction of pain. No preparation has ever become so popular in our community, or created such a sensation in the public mind through the section of the country where it has been introduced and become known.

It will be seen that some of our most prominent citizens, and business men, strongly recommend it to the public, as an article of "GREAT MERIT AND VIRTUE," and that they never knew any medicine to become so deservedly popular in so short a time.

[From the Cincinnati Dispatch, Oct. 31.]

DAVIS' PAIN KILLER.—Whatever may be the prejudices entertained against a great many patent medicines, we can ourselves bear willing testimony to the efficacy of this article. We have seen its magic effects in soothing the severest pain, in a great many cases, and know it to be a good article for the uses and purposes to which it is devoted, and even in cases where it may not prove infallible, it possesses the rare virtue of doing no injury.

Hold Up! Walk Up and see the Bang Up!!

THE public are invited to call at the Erie Steam Foundry, or at our Store, and examine the last *Paragon* of Cooking Stoves, just got out with an uncommon large Oven, high enough to bake a large Turkey on its feet, while six loves of bread are baking around it. The "noise and confusion" it has made East, has induced the characteristic name of BANG UP. One who lately saw nine loaves of beautifully baked bread, taken from the oven at one time, "was reminded of the capacity of a small pig which drank two quarts of whey at a draught, and did not then fill the measure which contained the whey into four inches." See certificates.

Erie, Feb. 2, 1850. LESTER, SENNETT & CHESTER,

ERIE, January 22, 1850.

Messrs. Lester, Sennett & Chester: Gent.—To your inquiry whether the "Bang Up" Cooking Stove purchased from you during the present month, has given satisfaction or not, I have the pleasure of answering that said stove has met our fullest expectation in every particular, and would not be exchanged for any other pattern now in use of which I have knowledge.

Very respectfully, your obedient servant. A. SCOTT.

Messrs. Lester, Sennett & Chester; Gent.—We are using your improved modern Cooking Stove, called the "Bang Up," and after a fair trial I can recommend it as superior to any stove in use in this section of the country. Among the most prominent advantages of this stove, is the commodiousness of the Oven, it being sufficiently capacious for the largest family, and also in a saving of fuel. I am satisfied that one half the fuel necessary for any stove we have ever used will amply supply this. Take it all in all I think it difficult to improve.

Truly yours, MILES W. CAUGHEY.

January 23, 1850.

Messrs. Lester, Sennett & Chester; Gent.—Having used your improved "Bang Up" Cooking Stove, I wish to express my entire satisfaction of its value, as combining all the good qualities I desired, and shall take great pleasure in testifying to its merits, and in scowing it to any who may wish to see it in operation, at my Grocery store, corner of 7th and State streets.

DETERGENT AND DIURETIC. *DR. MYERS'S*
Sarsaparilla, Wild Cherry and Dandelion Compound.

THIS valuable Medicinal preparation DIFFERS ENTIRELY from any simple "Extract of Sarsaparilla," or common purifying Medicine. It is a compound of many of the

MOST CLEANSING MEDICINES,

With others acting *directly on the Kidneys* or having immediate reference to the relief and continued healthy operation of some internal organs. It contains articles which enter into no other preparation in existence, and

IT IS UNRIVALD

In purifying and refreshing effects, by any Medicine in the world. It is put up

IN LARGE BOTTLES,

Is *very pleasant* to the taste, and is more concentrated,

STRONGER, BETTER AND CHEAPER

Than any other in Market. Persons who have taken "Sarsaparilla" *by the gallon*, without relief, have been *radically cured*, by using two or three bottles.

This is the only Compound in which Sarsaparilla, Wild Cherry and Dandelion are so prepared, to offer the peculiar virtues of each, in combination with pure Extracts of other healing articles in a highly concentrated state. Its ingredients are

PURELY VEGETABLE,

And are such roots and barks as are found—though chiefly affecting certain parts—in their general tendency to produce *the most cleansing and healing effects.*

IT IS IMPOSSIBLE

To cure many diseases, Dropsies, Kidney Complaints, &c., draw off Watery Humors from the Blood, or corrupt and *irritating* secretions of diseased organs from the body, without the thorough OPERATION ON THE KIDNEYS, as caused by this Medicine. No OTHER extract even *pretends to this effect.* In fact this very operation for which it is *particularly compounded*, differs from all other preparations, and makes it *the best compound in existence.*

IN ALL CASES OF DROPSY.

Use this medicine. It *will relieve.* It *has cured when life itself was despaired of.* It contains articles that *will cure if anything can*, and takes the *only method* to make *permanent cures.* This Remedy

PURIFIES AND DRIVES OUT

All impure and gross humours, not only by working directly on the blood, but by restoring each organ to healthy vigor, and especially increasing the action of those which draw from the body, and lastingly remove all

IMPURE OR DISEASED FLUIDS.

All diseases originating in a depraved state of the vital fluids, Eruptions, Ulcers, Sores, Collection of Watery Humors,

DISEASES OF THE BLOOD,

Will find this the *best* alterative, and most cleansing Medicine, *far before any other in invigorating effect.* It has worked some of the *greatest cures* of Diseases of the Urinary Organs.

DISORDERS OF THE KIDNEYS,

Bladders, &c. *A splendid diuretic. No extract is so good* for Weakness of the Kidneys, Weak back, Retention or Involuntary flow of Urine, Burning or Scalding, *Involuntary Emissions*, or other irritability. REMEMBER, *the only Medicine that heals those parts.* In Scrofulous habits of the System, Lax and weakened states,

CONSUMPTION, COUGHS,

Wasting diseases of the Lungs, Pains in the Breast, &c., the soothing Pectorals and bracing Tonics, heal the Lungs most kindly, and strengthen the body, while the acrid humours that load the system are cleansed. *The relieving action of the Kidneys is marked in Lungs disease.* It is warranted *superior to any preparation* —Sudden attacks from Exposure are *certainly cured.*

FEMALE COMPLAINTS,

For Irregular, Suppressed or painful Menstruation. Fluor Albus, Uterine Diseases, or any derangement of the Female Frame. It never disappoints expectation. *No common medicine will reach these derangements.* This compound contains certain Roots, *the best and only ones that should be used.* It cures the most aggravated forms.

GENERAL DEBILITY AND DECLINE,

It will refresh immediately. A few days' use will convince the incredulous. The appetite increased—the nerves so quiet—spirits raised and new, Pure and Rich Blood takes the place of vitiated and corrupt.

USE IT IN YOUR FAMILIES,

You will never be without it. It will do more good, and cure more speedily, the hundreds of petty diseases, Colds, Bowel Complaints, Impure Blood, &c., than anything you have ever tried.—*Look at Certificates. The* WEAKEST INFANT or most delicate Female *can take it with perfect safety.*

BEAR IT IN MIND.

That *this is the only medicine* that has ever cured the low, wearing SORE FEVER, as attested by *the oaths of some thirty* of the cured, and you will acknowledge

THERE IS SOMETHING IN IT.

Where obstructions of the organs have caused deposits,

GRAVEL,

Or Stone in the Bladder, this medicine has been used with astonishing success. *For Certificates of Cures of this or any disease, see Pamphlet of cures.*

THE WORST FORMS

Of DISEASES of the STOMACH and BOWELS, Costiveness, DYSPEPSIA, with Debility, &c. For Bowel Complaints, *it can be relied on as a certain remedy.* Also, when accumulation of bile has caused

BILIOUS DISEASES,

Jaundice, &c., or when they are coming on, *take this and you are safe.* It carries off the cause bile rapidly, by the natural channels, and *ceases immediately.* It has cured

LIVER COMPLAINTS

years standing, as certificates testify. *It always gives satisfaction.* Try it. Great Physicians prescribe *always* diuretics. This compound is excellent—Dandelion alone is almost specific.

LOOK FOR TESTIMONY

On the pages of our PAMPHLETS or columns of our papers. A list of as influential names has never been given in support of *any* Medicine. We have there *indisputable* testimony of the *certain cure of every disease so mention. The most thorough investigation is requested.* GET A PAMPHLET. Call on the certifiers or ask their opinion, and you too will use it. It will affect you different from any other, and we think it will do you more good.

Another Resurrection.

AFTER this I will return and will build that which is fallen down, and I will build again the ruins thereof, and *I will set it up.*" An exile returned, may every wind waft some lost exile home, and finally may the time hasten when the last returning wanderer shall be reclaimed and gathered to the fold.

The subscriber, after coming up through much tribulation and having for a while lived by fire and suffered loss, has come to himself, and has received a small stock of *BOOKS for sale, and expects more, which will be disposed of cheap for Cash.* It is hoped that my friends will not be discouraged because the stock is small—remember he that is faithful over a few things shall be made ruler over many. The subscriber returns his thanks to his friends for past favors and especially to those who have *with warm hearts* and open hands patronized him in former years who, in prosperity, in adversity, in tribulation and oppression, have ever been his friends, which is in keeping with the principle that it is no more blessed to give than to receive. He still wants the patronage of his friends, and will be thankful for the smallest favors in his line. He has nothing to promise them in return at present. He could pay them a fashionable compliment, but it would be like *Greek to the Barbarians.* May they long live to gladden the hearts of the orphans, and wipe the tear of affliction and grief from the eye of the oppressed widow.

He believes that He that numbers the hairs of the head and does not allow a sparrow to fall without his notice, will enable the subscriber to show his gratitude by his works. Then he would almost be willing to say in the language of good old Simeon, let thou thy servant depart in peace. Some few persons in former days have complained of his style of expressing himself. He regrets exceedingly that he should be so unfortunate as to express himself so as to offend the most sensitive, delicate and chaste ear. He would not wish to be understood that he is complaining because others differ from him. They have as good a right to differ from him as he has to differ from them. CAUTION EXTRA.

A man by the name of *CLAPP* has engaged with a young man of the name of S. F. Townsend, and uses his name to put up a Sarsaparilla, which they call Dr. Townsend's Sarsaparilla, denominating it *GENUINE*, Original, ect. This Townsend is no doctor, and never was but was formerly a worker on railroads, canals, and the like. Yet he assumes the title of Dr., for the purpose of gaining credit for what he is not. This is to caution the public not to be deceived, and purchase none but the *GENUINE ORIGINAL OLD* Dr. Jacob Townsend's Sarsaparilla, having on it the Old Dr's. likeness, his family coat of arms, and his signature across the coat of arms.

Principal Office, 102 Nassau st., New York City.

OLD DR. JACOB TOWNSEND,

THE ORIGINAL DISCOVERER OF THE
Genuine Townsend Sarsaparilla.

Old Dr. Townsend is now about 70 years of age, and has long been known as the *AUTHER* and *DISCOVERER* of the *GENUINE ORIGINAL "TOWNSEND SARSAPARILLA."* Being poor, he was compelled to limit its manufacture, by which means it has been kept out of market, and the sales circumscribed to those only who had proved its worth, and known its value. It had reached the ears of many, nevertheless, as those persons who had been healed of sore diseases, and saved from death, proclaimed its excellence and wonderful

HEALING POWER.

Knowing, *many years ago*, that he had, by his skill, science and experience, devised an article which would be of incalculable advantage to mankind when the means would be furnished to bring it into universal notice, when its unestimable virtues would be known and appreciated. This time has come, the means are supplied; this

GRAND AND UNEQUALLED PREPARATION

is manufactured on the largest scale, and is called for throughout the length and breath of the land, especially as it is found incapable of degeneration or deterioration.

Unlike young S. F. Townsend's, it improves with age, and never changes, but for the better: because it is prepared on *scientific principles by a scientific man.* The highest knowledge on *scientific* chemistry, and the properties of vegetables, have all been brought into requisition in the manufacture of the Old Dr's. Sarsaparilla. The Sarsaparilla root, it is well known to medical men, contains many medical properties, and some properties which are inert or useless, and others, which if retained in preparing it for use, produce *fermentation* in the stomach, and sours in the system. Some of the properties of Sarsaparilla are so *volatile*, that they entirely evaporate and are lost in the preparation, if they are not preserved by a *scientific process*, known only to the proprietor of this Sarsaparilla. Moreover, these *volatile principles*, which fly off in vapor, or as an exhalation, under heat, are the very *essential medical properties* of the root, which give to it all its virtues.

Any person can boil or stew the root till they get a dark colored liquid, which is more from the coloring matter in the root than from anything else; they can then strain this insipid or vapid liquid, sweeten with molasses, and then call it "SARSAPARILLA EXTRACT or SYRUP." But such is not the article known as the

GENUINE OLD DR. JACOB TOWNSEND'S SARSAPARILLA.

This is so prepared, that all the inert properties of the Sarsaparilla root is first removed, everything capable of becoming acid or of fermentation is extracted and rejected; then every particle of medical virtue is secured in a pure and concentrated form; and thus it is rendered incapable of losing any of its valuable and healing properties. Prepared in this way, it is made the most powerful agent in the

Cure of Innumerable Diseases.

Hence the reason why we hear commendations of every side in its favor by men, women, and children. We find it doing wonders in the cure of

CONSUMPTION, DYSPEPSIA, and LIVER COMPLAINT; and in *RHEUMATISM, SCROFULA, PILES, COSTIVENESS*, all *CUTANEOUS ERUPTIONS, PIMPLES, BLOTCHES*, and all affections arising from

IMPURITY OF THE BLOOD.

It possesses a marvelous efficacy in all complaints arising from *Indigestion*, from *Acidity of the Stomach*, from unequal circulation, determination of blood to the head, palpitation of the heart, cold feet and hands, cold chills and hot flashes over the body. It has not its equal in *Colds* and *Coughs*; and promotes easy expectoration and gentle perspiration, relaxing stricture of the lungs, throat, and every other part.

But in nothing is its excellence more manifestly seen and acknowledged than in all kinds and stages of

FEMALE COMPLAINTS.

It works wonders in cases of *Flour Albus* or *Whites, Falling of the Womb, Obstructed, Surpressed*, or *Painful Menses, Irregularity* of the menstrual periods, and the like; and is as effectual in curing all the forms of *Kidney Diseases.*

By removing obstructions, and regulating the general system, it gives tone and strength to the whole body, thus cures all forms of

Nervous diseases and debility,

and thus prevents or relieves a great variety of other main dies, as *Spinal irritation, Neuralgia, St. Vites' Dance, Swooning, Epileptic Fits, Convulsions, &c.*

It cleanses the blood, excites the liver to healthy action, tones the stomach, and gives good digestion, relieves the bowels of torpor and constipation, allays inflamation, purifies the skin, equalises the circulation of the blood, producing gentle warmth equally all over the body, and the insensible perspiration; relaxes all strictures and tightness, removes all obstructions, and invigorates the constitution. In short

It is not this that

The medicine you pronominently need?

But can any of these things be said of S. P. Townsend's inferior article? This young man's liquid is not to be

COMPARED WITH THE OLD DR'S,

because of one GRAND FACT, that the one is INCAPABLE of DETERIORATION, and

NEVER SPOILS,

while the other DOES; *souring, fermenting*, and *blowing the bottles* containing it into fragments; the sour, acid liquid exploding, and daunging the other goods. Most unwise this horrible compound be poisonous to the system?—*What! put acid into a system already diseased with acid!* What causes Dyspepsia but acid? Do we not all know that *when food sours in our stomachs*, what miscliefs it produces? flatulence, heartburn, palpitation of the heart, liver complaint, sick headaches, &c. Is not, then, the corruption of the blood? What is Scrofula but an acid humor in the body? What produces all the humors which bring on Eruptions of the Skin, Scald Head, Salt Rheum, Erysipelas, White Swellings, Fever Sores, and all ulcerations internal and external? It is nothing under heaven but an acid substance, which sours, and thus spoils all the fluids of the body, more or less. What causes Rheumatism but a sour or acid fluid which insinuates itself between the joints and elsewhere, irritating and inflaming the delicate tissues upon which it acts? So of nervous diseases, of impurity of the blood, or deranged circulations, and nearly all the *ailments* which afflict human nature.

Now is it not horrible to make and sell, and *infinitely worse* to use this

SOURING, FERMENTING, ACID "COMPOUND" OF S. P. TOWNSEND,

and yet he would fain have it understood that Old Dr. Jacob Townsend's *Genuine Original Sarsaparilla*, is an IMITATION of his inferior preparation!!

Heaven forbid that we should deal in an article which would bear the most distant resemblance to S. P. Townsend's *article* and which should bring down upon the Old Dr. such a mountain load of complaints and criminations from Agents who have sold, and purchasers who have used S. P. Townsend's FERMENTING COMPOUND.

We wish it understood, because it is the *absolute truth*, that S. P. Townsend's article and Old Dr. Jacob Townsend's Sarsaparilla are *heaven-wide apart, and infinitely dis-similar;* that they are unlike in every particular, having not one single thing in common.

As S. P. Townsend is no doctor, and never was, is no chemist, no pharmaceutist—knows no more of medicine or disease than any other common, unscientific, unprofessional man, what *guarantee* can the public have that they are receiving a genuine scientific medicine, containing all the virtues of the articles used in preparing it, and which are in capable of changes which might render them the AGENTS of Disease instead of health.

But what else should be expected from one who knows nothing comparatively of medicine or disease? It requires a person of some experience to cook and serve up even a common decent meal. How much more important is it that the persons who manufacture medicine, designed for

Weak Stomachs and Unfeobled Systems,

should know well the medical properties of plants, the best manner of extracting their healing virtues, and of making a *tincture*, also an extensive knowledge of
