PHILADELPHIA, July 10. The following firms comprise all the heaviest business houses that were burned out at Philadelphia. The loss of John Brook, in whose building the fire and explosion, occurred, is about \$31,000, which is fully covered by insurance in different offices, among which are the Frankin and County Insurance companies. John Brook, Sons & Co., had on storage in this building, salt petre, brimstone, sugar, molasses, &c., to the amount of \$12,-000. Insured in the Franklin. This house says that the quanty of sail poter was not very large, and they pledge their word and honor and business reputation, that there was not a pound of powder in the store. Many persons have been under the impression that the last explosion which was so fatal, was caused by gun powder. Messrs. Brook & Co. give a most sacred assurance that such was not the fact. Redgway & Budd had in store 85 00 bbls. flour. They estimate their loss at \$10,000. They have insurances we are glad to hear, in the North American, Frinklin, and American, that will more than cover this. A Wright & Nephem, had in store an inneness stock of sale flour, wheat, clover seed, &c. Their loss will reach \$20,000.
