purifying and refreshing effects, by any Medicine in the world IN LARGE BOTTLES,

Is very pleasant to the taste, and is more concentrated, STRONGER, BETTLE AND CHEAPER

BILLONGER, BETTER AND CHEAPER Than ony other in Market. Persons who have taken "Sarsapa-rilla" by the gallon, without tellef, have been redically cared, by using two or three bottles. This's the only Compound in which Sarsaparilla, Wild Cherry and Dande ion are so prepared, to offer the peculiar virtues of each, in combination with pure Extracts of other health virtues of in a highly concentrated state. Its ingredients are PURELY VEGETABLE,

And are such roots and barks as are found-though chiefly affect tingertain parts-in their general tendency to produce the most cleansing and heating effects.

IT IS IMPOSSIBLE

To cure many discases, Bropsics, Kidney Complaints, &c., draw off Watery Humors from the Blood or corrupt and Irritating secre-tions of discased organs from the body, without the thorough organ Artons on rule Kunexys, as cauced by this Medicine. No orners extract even pretends to this effect. In fact this very operation for which it is particularly compounded, differs from all other prep-arations, and makes it the best compound in existence.

IN ALL CASES OF DROPSY.

Use this medicine. It will relieve. It has cared when life itself an despaired of. It contains atticles that will care if anything cas, and takes the only method to make permanent cures. This Remedy

benchts which it alone can bestow. "TRUTH IS STRONGER THAN FICTION." The attention of the reader is called to the following astonishing cure, affected by Sands' Sarsaparilla. This is to certify that I have a colored woman who has been afflicted for the last five years with Sctofula, and all the reardles I used had no effect in arre-ting the progress of the couldpant, on the contrary, she constantly grew worse, and after expecting be-tween 570 and 650 with physicians, besides using other marking without success, till the disease had eaten away the carulage of her no-e, made its appearance on vorious parts of her body, and had finally commenced its rayaces in the got of ther mouth. In this dreadful situation, with the prospect of death starne her in the face. I stated her case to Dr. Dissony, agent for and Sarsaparilla, in Newtern, N. C., by whom I was advised to us that article; and to my surprise and that of my neighlors, to whon her case was know in, after using tour and a half better she wai, and wis able to work in two weeks from the time's for Comme-cel taking it. In weines of the truth of this statement. I have becomme-

All the various methods of ireating cancer was resorted to for five weeks in succession my breast was burned with caustic three there are once of the solution. The doctor protect the ulser and examined the hone, and shad the disease was advancing rap-tifted operfation, the result would be fatal. I was advised to have the breast haid operfaul the lones examined; but finding no relief from what had here done, and feeling I was rapidly getting works. I almost the paired of recovery, and considered my case nearly hopeless. Seeing various testimonials and certificates of cure by the use of try a few botiles, several of which were used, but, from the long-setted character of my disease, produced no very decided haver. Ours defing this as the only probable cure. For my case, I pers-vered until the disease was currely cured. It is now over eleven months since the cure was completed: there is not the slightest appearance of a return. I therefore pronous myself wate, and the cure carisely effected by Sands' Sarsparilla, as I took no other medicine of any kind daring the time I was using it, nor here I lates any wine.
