
IN QUART BOTTLES,
FOR THE REMOVAL AND PERMANENT CURE OF ALL
DISEASES ARISING FROM AN IMPURE STATE
OF THE BLOOD OR HABIT OF THE
SYSTEM, VIZ:

Scrofula or King's Evil, Rheumatism, Obstinate Cutaneous Eruptions, Pimples, or Pustules on the Face, Blotches, Boils, Chronic Sore eyes, Ring Worm or Tetter, Scald Head, Enlargement and Pain of the Bones and Joints, Stubborn Ulcers, Syphilitic Symptoms, Sciatica, or Lumbago, and Dizziness arising from an injudicious use of Mercury, Acidity of the Stomach, Impurities in the blood, &c., &c. Constitutional Debility, &c.

THIS Medicine has acquired a very extended and well established reputation wherever it has been used, based entirely on its own merits, which it is now for others to be sustained. The unfortunate result of some many diseases with which mankind is continually afflicted, and which has been restored to health and vigor. The sore Eye, extreme Head with ulcers, loathsome to himself and his attendants, has been made whole. Hundreds of persons, who had resorted to doctors for years under cutaneous and glandular affections, chronic rheumatism, and many other complaints, sparing no means for relief from the severity of the pain, and the constitution, have been raised as it were from the brink of the grave, and have unsolicited certificates, gladly testify to the efficacy of this unequalled preparation. The testimony of those who have been cured by its use, with their residences, has been published from time to time, and were it desirable, a mass of the most overwhelming character could be brought forward, from among the respectable and well known citizens of the afflicted, and those who have not used this medicine are invited to make a trial of its virtues, and appropriate to themselves the benefits which it alone can bestow.

"TRUTH IS STRONGER THAN FICTION."

The attention of the reader is called to the following astonishing cure, effected by Sands' Sarsaparilla:

This is to certify, that I have a colored woman who has been afflicted for the last five years with Scrofula, and all the remedies I used had no effect in arresting the progress of the complaint, on the contrary, she constantly grew worse, and latterly expending between $70 and $80 with physicians, before resorting to her former doctor, without success, till the swelling left the cartilage of her nose, invaded the roof of her mouth, and had finally commenced destroying the roof of her mouth.

In this deplorable situation, with the help part of Geauga having her *Sarsaparilla*, in Cleaveland, N. H., by whose advice she was induced to use that article, and to my surprise in a few weeks she was able to walk about, and in two months was entirely restored to perfect health, and that in the space of three weeks, and was able to work in two weeks from the time she commenced taking it.

In witness of the truth of this statement, I have hereunto affixed my name, this 19th day of September, 1837.

FIFTEEN CURED OF SIXTEEN YEAR'S STANDING.

This case was published in July, 1841, before them no symptoms of a return, and her health still continues good.—Ed. Sun.

SUN OFFICE, New York, July 24, 1841.

Messrs. Sands—Gentlemen—I consider it but an act of justice to you to state the following facts in reference to the great benefit I have received in the cure of an obstinate Cancerous Ulcer on my breast.

I was advised for eighteen months by a regular and skilful physician, as recommended by the advice and I opposed it one of the most active and experienced surgeons, without the least benefit whatever. All the various methods of treating cancer was resorted to for five weeks in succession on my breast was buried with caustic three times and so, and I began was daily sustaining with a weak solution of it in the acid, and the cavity or hollow it was made so large that it held over an ounce of the solution. The doctor pronounced the ulcer and advanced the surgeon, and said the disease was advancing rapidly to the breast, and I did not feel easy to refer to any remedy by an operation, the result could not be fatal. I was advised to have the breast taken off by an operation, but in justice to myself and family I refused, when I had been under the care of physicians for nearly a year, I almost despaired of recovery, and considered my case nearly hopeless.

Seeing various testimonials in certificates of cure by the use of Sands' Sarsaparilla, and seeing another in my own neighborhood, I tried it, but without much confidence, from the disagreeable character of my disease, I persevered until the disease was entirely cured. It is now over seven months since the cure was effected, there is not the slightest appearance of a return. *I therefore from the effects of this cure, and the cure I received with same, I can with confidence recommend it to all persons afflicted with any disease that Sarsaparilla is calculated to cure.*

NANCY J. MILLER, Colored Woman.

HORSE FOR SALE.—Inquire of Oct 25. D. S. CLARK.

Hold Up! Walk Up and see the Bang Up!!

THE public are invited to call at the Erie Steam Foundry, or at our Store, and examine the last *Paragon* of Cooking Stoves, just got out with an uncommon large Oven, high enough to bake a large Turkey on its feet, while its loves of bread are baking around it. The "no use and can't stir" it has made East, has induced the characteristic name of BANG UP. One who lately saw two loaves of tea rapidly baked and taken from the oven at one time, was commended to the capacity of a small pig which drank two gills of whey at a draught, and did not then fill the measure which rose and the whey into four inches." See certificates.

Erie, Feb. 9, 1850. LESTER, SENNETT & CHESTER.

ERIE, January 22, 1850.

Messrs. Lester, Sennett & Chester: Gent.—To your inquiry whether the "Bang Up" Cooking Stove purchased from you during the present month, has given satisfaction or not, I have the pleasure of answering that said stove has met our fullest expectation in every particular, and would not be exchanged for any other pattern now in use of which I have knowledge.

Very respectfully, your obedient servant. A. SCOTT.

Messrs. Lester, Sennett & Chester: Gent.—We are using your improved Eastern Cooking Stove, called the "Bang Up," and notice that it is decidedly superior to any stove in use in this section of the country. Among the most prominent advantages of this stove, is the commodiousness of the Oven, it being sufficiently capacious for the largest family, and also in a saving of fuel. I am satisfied that one half the fuel necessary for any stove we have ever used will amply supply this. Take it all in all I think it difficult to improve.

Truly yours, MILES W. CAUGHEY.

Messrs. Lester, Sennett & Chester: Gent.—Having used your improved "Bang Up" Cooking Stove, I wish to express my entire satisfaction of its value, as combining all the good qualities I desired, and shall take great pleasure in testifying to its merits, and in showing it to any who may wish to see it in operation, at my Grocery store, corner of 7th and State streets.

ERIE DAGUERREAN GALLERY.

SHERMAN & LEWIS are happy to announce to the Ladies and Gentlemen of Erie, and the friends of science and art in the region round about, that they are prepared to take Likenesses of a superior quality at their rooms, over Mr Hilton & Murphy's store directly opposite Reed's Hotel.

There are several reasons why persons can obtain better pictures at our rooms than at any other in this city, or in this part of the country. One is,

WE HAVE THE BEST LIGHT!

Sky Light and Side light COMBINED—each correcting the faults of the other, and producing a natural and most beautiful effect—TRY IT, WHOEVER IS NOT SATISFIED WITH PICTURES TAKEN ELSEWHERE!!

Another reason is, we have the best apparatus. The importance of this will be obvious to anyone.

We shall not solicit the ne who favor us with their patronage, the fair, fragile, portable things, which many who call themselves artists put out to the public. Neither shall we offer to sell daguerreian which human beings are sometimes told resemble themselves, but clear and accurate Likenesses, possessing the most beautiful blending of light and shade, richness and depth of tone, remarkable distinctness of features, true expression of the eye, boldness of relief, delicacy and purity of back ground, delicacy of finish, softness, transparent and artistic effect.

Remember there is no room of the kind near here which has the facilities of this. It is designed to be a permanent establishment, NOT TO BE LOCATED is our motto. W. H. SHERMAN,

Having served an apprenticeship of seven years, and for some years with Messrs. Chickering, Stodart, Nunns & Clark, Piano Forte manufacturers in the city of New York for some years, with perfect success, they have no hesitation in warranting their instruments for beauty of finish, even touch, and a fine brilliance of tone, equal to any of Messrs. Nunns', Clark's, or Stodart's, who would call as they will be happy to show their instruments to all who favor them with their patronage, and respectfully solicit a trial.

Persons Forte-makers, tuners and all persons in the trade, can obtain from us instruments of any peculiar shape desired, will be in the city.

PRICE 50 CENTS PER BOTTLE.

Sold Wholesale and Retail by William Jackson, the Proprietor's *sole* and *only* Agent for Western Pennsylvania, Northern Ohio, and Western Virginia, 89 Liberty street, and by sub-agents appointed by him in every county in the above districts.

CAUTION.—Every Agent is supplied with Pamphlets containing reliable certificates of remarkable cures. Call and see one.

BEWARE OF NUMEROUS COUNTERFEITS.

The American Oil, having performed so many so many remarkable cures, and being a powerful Remedial Agent for various diseases, has induced some persons to counterfeit this valuable medicine. The original and genuine American Oil is obtained from a well in Burkesville, Kentucky, from the sole and only proprietors, D. Hall, & Co., who appointed Mr. Wm. Jackson, 89 Liberty street, Pittsburgh, their sole and only Agent for supplying Sub-Agents in Western Pennsylvania, Western Virginia and part of Ohio. The true and genuine American Oil is of a dark green color. There are various counterfeits abroad—one Seneca Oil, some a mixture closely resemblance the genuine principal to come from the Pittsburgh and Allegheny Dispensary Companies some black and of various other colors, some white, said to be made from the *Original American Oil.* D. Hall & Co., the ONLY and SOLE proprietors of the true and Original American Oil, DO NOT nor NEVER DID supply any persons who make the article called EXTRACT of American Oil, said to be refined, clarified and concentrated. BEWARE of the worthless counterfeits, and OBSERVE that Wm. Jackson, 89 *Liberty street*, Pittsburgh, head of Wood street, is the only and sole general Agent for the above mentioned district, and that none is genuine but what has the name and address printed in the pamphlet in which each bottle is enveloped, and likewise the proprietors' address as printed in each pamphlet thus: "D. Hall & Co., Kentucky." Another way of *detecting the counterfeits is the difference in the price.* The genuine is sold invariably at 50 cents per bottle and not less, while some of the counterfeits are sold at various prices under.

The pure and only genuine American Oil is sold wholesale and retail by Wm. Jackson at the only agency in Pittsburgh, No. 89 Liberty street, head of Wood street.

Fredonia, July 27, 1848. M. S. PETTIT.

Free Exhibition at Lewis' Gothic Hall.

I would inform my friends and the public generally that I have received for fall and winter trade the largest and best selected stock of Watches, and Jewelry ever offered for sale in Erie. The liberal patronage heretofore received enables me to enlarge my stock of goods. I will pledge myself to sell good goods and at a small advance from my wholesale prices. From my experience in buying & selling goods in eastern cities, enables me to say I have facilities for purchasing watches and jewelry as less prices, than any other establishment in the city. I am receiving by Express every month, watches of the latest inventions, direct from manufacturers through the oldest and most extensive importing houses in New York. Therefore the necessity is solved, how Lewis sells watches so cheap. I have on hand a large stock of Gold and Silver Watches of the best styles and of superior quality, and prices which cannot fail to suit purchasers for cash. I will sell Gold Patent Lever Watches for $38 to $45, Gold detached full jewelled for $28 to $36. Gold lepine watches full jewelled, eight in case, for $11 to $25, silver Lepine watches, for $10 to $12, hunting case watches for $7. All the above mentioned watches will be warranted to keep good time for one year. Please call and see for yourself, one door east of Brown's Hotel Erie, Pa.

Having procured a Watch Maker from Europe, I am prepared to do all kinds of Watch Repairing in the best manner, having tools for doing and repairing all kinds of watches. I pledge myself to do as good work as can be done in the city of New York. Mr. Livingston will give his whole attention to the repairing and altering Chronometer, Duplex, Lever and common Watches. Having a very good watches to be cleaned will do well to call and have them adjusted before purchasing elsewhere. Music Boxes, Accordions, and all kinds of Jewelry repaired in a workmanlike manner at Lewis' Gothic Hall.
