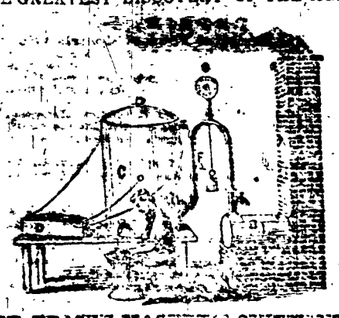
THE GREATEST DISCOVERY OF THE AGE!



DR. TRASK'S MAGNETIC OINTMENT.

THE following from Dr. Hall, a celebrated Physician with whom I was formerly associated, will explain the virtues of Dr. Trask's Magnetic Ointment:

St. Louis—Sir, I write to inform you of the wonderful effects I have produced by the use of Dr. Trask's Magnetic Ointment in my own practice as a Physician, and by the many persons I have all seen under my own observation, and by the whole community of this city.

Case 1st.—A Mrs. Morris, who was given up to die by three celebrated physicians, as being in the last stage of Consumption, by the use of the Magnetic Ointment has risen from her bed to health, and is now as well as ever, and has gone to see Mrs. Allen living some few miles distant. Her case has been attended to by several physicians. She was first said to be dying next day, then, followed by a consultation of the learned. I arrived at six o'clock in the morning, and found her in a very dangerous situation, apparently on the brink of the grave. I commenced operating the ointment freely to the stomach and bowels, assisted with some simple remedies, almost altogether internally, and by morning I found that she was much better than I had dared hope, with the direction to continue the use of the Ointment. She fully recovered in a few days, and is now enjoying good health.

Case 2d.—A Mr. Winters had for nearly a year past, had been *bald* for many years, by the use of *Trask's Magnetic Ointment, his hair entirely restored*, and I now have a beautiful head of hair. He is now 40 years old. He was about 30 years.

Case 3d.—A son of the Postmaster of this town, 11 years of age, had been afflicted with the Scrofula from his cradle. He had the benefit of the best medical advice that a long purse could afford his father could procure without avail. It was one of the most severe cases I ever saw. In one week I could see a change. By the use of a few bottles of the Ointment, he was entirely *cured*, and is now in perfect health. Also, three adult persons and *fifty children* have been cured by the use of the Ointment.

Case 4th.—There are a great many cases of *Rheumatism of the spine*, of long standing, in the vicinity of the city from two to five years, that I have attended to, and have cured them in from two to three weeks. Also, a number of cases of *Salt Rheum* have been cured by the use of the Magnetic Ointment. This was four months ago, and the lady is well. Dr. Trask's health is so good he is not able to attend to her usual household duties.—I have procured a case of Dr. Trask's *Sore Eye* with the Ointment, but as the *disease is nearly healed*, it is not necessary to have them from place to place. One of the last I operated for was a child of Mr. Hall's, about 2 years. They had tried the best physicians in the state, to no avail, but one of them had been under the treatment of the celebrated Doct. Mussey, of Cincinnati, for eighteen months, and had expended *thousands of dollars* in vain efforts to effect a cure. The *ointment* is one of the Magnetic Ointments, the purity of quality and strength of which is found necessary to effect a cure. There are many imitations in the market of this valuable Ointment, but *none can be relied upon*. I have used the Ointment in a number of cases of the Piles, and *in a case was effected to give immediate relief, and generally a permanent cure*. I have also used it beneficially in several cases of Tetter or Itch. And last not least, I have with the Ointment a case of CANCER by the use of the *Magnetic Ointment*.

From a thorough trial of the Ointment in nearly every disease for which it is recommended, I can confidently recommend it to be one of the most useful remedies ever offered to the public.

Respectfully yours,

BURTON HUBBELL, M. D.

ERIE DAGUERREAN GALLERY.

SHERMAN & LEWIS are happy to annound to the Ladies and Gentlemen of Erie, and the friends of science and art in the region round about, that they are prepared to take Likenesses of a superior quality at their rooms, over Middleton & Murphy's store three doors east of Brown's Hotel.

Where are selected rooms why persons can obtain better pictures at our rooms than at any other in this city, or in this part of the country. One is,

WE HAVE THE BEST LIGHT!

Sky light and side light COMBINED—each correcting the faults of the other, and producing a natural and most beautiful effect.—TRY IT, WHOEVER IS NOT SATISFIED WITH PICTURES TAKEN ELSEWHERE!!

And if persons please, we have the best apparatus. The importance of this will be seen by those who favor us with their patronage, the fact, inspired, our assistants thinks, which many who call themselves artists present to the public. Neither shall we offer the dim, gloomy images which heretofore have sometimes told resemble themselves, but clear and accurate Likenesses, possessing the most delightful blending of light and shade, richness and depth of tone, remarkable distinctness of features, true expression of the eye, and a degree of relief, distance and invisibility of background, desirable even if finish, softness, transparent and artistic effect.

Remember there is no room of the kind near here which has the facilities of this. It is designed to be a permanent establishment. NOT TO BE EQUALED is our motto. W. H. SHERMAN,

DETERGENT AND DIURETIC. DR. M'FEE'S

Sarsaparilla, Wild Cherry and Dandelion Compound.

THIS valuable Medicinal preparation DIFFERS ENTIRELY *from any simple "Extract of Sarsaparilla," or some* so-called purifying Medicines. It is a compound of many of the

MOST CLEANSING MEDICINES,

With others acting *directly on the Kidneys* or having immediate reference to the relief and continued healthy operation of some internal organs. It contains articles which enter into no other preparation in existence, and

IT IS UNRIVALD

In purifying and refreshing effects, by any Medicine in the world It is put up

IN LARGE BOTTLES,

Is *very pleasant* to the taste, and is more concentrated,

STRONGER, BETTER AND CHEAPER

Than any other in Market. Persons who have taken "Sarsaparilla" *by the gallon*, without relief, have been *radically cured*, by using two or three bottles.

This is the only Compound in which Sarsaparilla, Wild Cherry and Dandelion are so prepared, to offer the peculiar virtues of each, in combination with pure Extracts of other healing articles in a highly concentrated state Its ingredients are

PURELY VEGTABLE,

And are such roots and barks as are found—though chiefly effective in certain parts—in their general tendency to produce the *most cleansing and healing effects*.

IT IS IMPOSSIBLE

To cure many diseases Dropsies, Kidney Complaints, &c., draw off Watery Humors from the Blood, or correct and irritating secretions, or disease Organs from the body, without the thorough or active operation of the Kidneys, as caused by this Medicine. No system can be expected to be cleansed, unless the Kidneys are healthy and active. No system can be purified, while the Kidneys are deranged. No other Medicine can be relied upon, for which it is *particularly compounded*, differs from all other preparations, and makes it *the best compound in existence*.

IN ALL CASES OF DROPSY,

Use this medicine. It *will relieve*. It *has cured when life itself was despaired of*. It *contains* articles that *will cure if anything can*, and takes the *only method* to make *permanent cures*. This Remedy

PURIFIES AND DRIVES OUT

All impure and gross humours, not only by working directly on the blood, but by restoring each organ to healthy vigor, and especially increasing the action of those which draw from the body, and lastingly remove all

IMPURE OR DISEASED FLUIDS.

All diseases originating in a depraved state of the vital fluids, Eruptions, Ulcers, Sores, Collection of Watery Humors,

DISEASES OF THE BLOOD,

Will find this the best alterative, and most cleansing Medicine, *far before any other in invigorating effect*. It has worked some of the *greatest cures* of Diseases of the Urinary Organs,

DISORDERS OF THE KIDNEYS,

Bladders, &c. *A splendid diuretic. No extract is so good* for Weakness of the Kidneys, Weak back, Retention or Involuntary flow of Urine, Burning or Scalding, *Involuntary Emissions*, or other irritability, REMEMBER, *the only Medicine that heals these parts*. In Scrofulous habits of the System, Lax and weakened states,

CONSUMPTION, COUGHS,

Wasting diseases of the Lungs, Pains in the Breast, &c., the soothing Peculiarities and healing Powers, found in the Leaves, Roots and Barks, of the herbs which make up this Medicine, will be found invaluable. Its cleansing effects upon the blood, and the whole system, will be speedily realized in the cure of all chronic diseases, the most obstinate and scrofulous, and all impurities of the blood, together with many complaints.

It has not long been remarked that the age is one of "nostrums and nostrumizers," that we hardly dare recommend a valuable discovery in the Medical science, lest we jeopardize our reputation for incredulity and consistency, but in this instance we hesitate not to hazard the remark which we have made above.—*Hartford Review.*

SORE THROAT.

The following is an extract from a letter received from Mrs. Bevan, who had been afflicted several years with Scrofulous Ulcers, Dyspepsia, &c., and recently an affection of the throat and chest:—

BALLYSHANNO, VA., Dec. 13, 1845.

Messrs. A. B. & D. SANDS—Before I commenced using your Sarsaparilla, my sufferings were beyond the power of description, my throat was completely ulcerated, I had a distressing cough, and there was frequently weeks together in which I could not eat one mouthful of food, and besides, the inflammation from my throat extended to my head, so that my hearing was very much impaired. After taking the Sarsaparilla a short time, my health improved, and my throat is now well; I am as free from cough and tightness of the chest as ever I was, and can hear quite distinctly. My throat has been well about three months, the cure of which has been effected entirely by the use of your Sarsaparilla. LOUISA R. BEVAN.

SANDS SARSAPARILLA—SCARLET FEVER CURED OF AN EYE.

—This disease is a most alarming disease, which has carried from the stage of time a number both of grown persons and of infancy, and the more virulent and malignant type of small pox, has of late not its parallel in the history of medicine, and its effects upon the system are truly terrible. Prior to the introduction of Sands' Sarsaparilla, A little grand child of Mr. Wm. Patrick, of Sodus, was taken sick with scarlet fever, which left her in a very deplorable state, her body was covered with particles of scarlet eruption, large lumps something like a blow, and at last two inches in diameter, on the right side of her face, which broke and discharged an almost incredible quantity of matter from its surface, and a large quantity was discharged from the ear. Although the child has passed the crisis of the disease, it has left her in a very low state of health, and the eye is entirely destroyed
