WE are receiving fresh proof of the efficacy of this article

Vevery day. Vesterday Mr. Hinton brought a friend into
our store, and with terrs in his eyes, implored him to try a bottle
of it on his colt, assuring him that it would cure him up sound
and well as ever be was; this he knew because he had used it with
perfect. success on one of his own horres which has badly eparined.
Mr. Stephen U. Lee also called in this moraing and stated he had
only used about three fourths if a bottle, and his horse which he
had left would complete the cure. We are every day hearing
reports of this kind about our Louion, and with such facts staring
