THE GREATEST DISCOVERY OF THE AGE!

DR. TRASK'S MAGNETIC OINTMENT.

THE following from Dr. HUBBELL, a noted Physician, who has sold over 900 Bottles within the last two months. Read him.

S. BUELL—Sir: I write to give you some account of the admirable effects produced by the use of Doct Trask's Magnetic Ointment in my own practice as a physician. *The following cases* have all been under my own observation, and by my own prescription.

Case 1st.—A Mrs. Moore, who was given up to die by *three* celebrated physicians, as being in the *last stage of Consumption*, by the use of the Magnetic Ointment has regained her health, and is now as well as ever, and has been for the last six months

Case 2d.—Some time in July last, I was called to see Mrs. Allen living some 2 miles distant. Her case had been given up by several physicians. She was first attacked by *inflammation of the bowels*, followed by severe inflammation of the lungs. I arrived about 9 o'clock in the evening, and found her in a very dangerous situation, apparently on the brink of the grave. I commenced applying the ointment freely to the stomach and bowels, attended with some simple remedies administered internally, and by morning I found her so much better that I left for home, with directions to continue the use of the Ointment. She fully recovered in a few days, and is now enjoying good health.

Case 3d.—A Mr. Winters had lost nearly all his hair, had been *bald for many years*; by the use of *three bottles of the Magnetic Ointment, had his hair entirely restored*, and now has as beautiful a head of hair as any man could wish. His age is about 50 years.

Case 4th.—A son of Mr. Warren of this town, 11 years of age, had been afflicted with the Asthma from his cradle. He had the benefit of the best medical advice that a loving and wealthy father could procure without avail. It was one of the most aggravated cases I ever saw. He was confined about 10 days. By the use of a few bottles of the Ointment he was *thoroughly cured*, and for 7 months past has enjoyed perfect health.

Case 5th.—This was an extreme case of *inflammation of the spine*, of long standing; had a variety of treatment from no less than *eight* different physicians, without receiving relief—was cured by the use of only four bottles of the Magnetic Ointment.—This was four months ago, and the lady (a Mrs. Dingham) is still in good health and able to attend to her usual household duties.—I have treated two cases of *Chronic Sore Eyes* with the Ointment both of the patients *so nearly blind* as to need an attendant to lead them from place to place. One of them had been afflicted 15 years, the other about 9 years. They had tried the best physicians in the state, without benefit; and one of them had been under the treatment of the celebrated Doct. NOLEY, of Cincinnati, for eighteen months, and had expended hundreds of dollars in vain efforts to effect a cure. They are now, by use of the Magnetic Ointment, nearly or quite cured, and can read and attend to ordinary business. I have used the ointment in a number of cases of the PILES, and *in no case has it failed to give immediate relief, and generally a permanent cure*. I have also used it beneficially in several cases of ERYSIPELAS. And last but not least, I have within the last year cured four cases of CANCER by the use of the *Magnetic Ointment* alone!!

From a thorough trial of the Ointment in nearly every disease for which it is recommended, I can confidently recommend it to be one of the most useful remedies ever offered to the public.

Respectfully yours,
BURTON HUBBELL, M. D.

THE MERCHANTS' AND L. IRVERS'

STATE MUTUAL FIRE INSURANCE CO., Of Harrisburg, Pa.,

INVITE the attention of the public to the principles upon which the business of the Company is conducted. The main object of the Company is to afford Merchants and Farmers an opportunity of procuring safe insurance upon their property at a moderate cost, and strictly upon the Mutual principle. In order to practice upon this principle, the Directors have adopted the popular, safe, and equitable plan of classifying their risks, and have divided them into two classes. The first class is exclusively a Farmers' company, in which no property more hazardous than dwelling houses, out houses, and personal property thereon will be insured. The second class is the Merchants, Company, in which may be insured the *safe* kinds of property.

The Company deem it indispensable to decline all risks which are commonly denominated Extra Hazardous, believing that if such risks are permitted to be mingled with those of the merchant and farmer, the premiums are likely to be disproportionate to the risks,—exacting from those who are insured upon the less hazardous property, more than a just and equal contribution to the expense of insurance. By this mode of classification the class of risks with which he is associated, and the Cash Premiums and Deposite Note of each Class, and the assessments for which members may become liable, shall be held and assessed to pay the losses occurring in the respective Classes, to which they belong, and no other, and the general expenses of the Company shall be apportioned to each Class according to the amount insured in each.

Insurance may be made for from one to three years in the Merchants' class, and one to five years, in the Farmers' class.

The very extraordinary success of the Company in accumulating a large fund in cash premiums, has placed the financial stability of the Institution beyond any probable danger. The dividends which have been paid on expiring Policies in the Company, prove that the actual expense of insurance is very trifling, in a Mutual Office which is subject to the *entire* loss of risks.

DR. HOOFLAND'S

CELEBRATED GERMAN BITTERS, PREPARED BY

DR. C. M. JACKSON,

AT THE GERMAN MEDICINE STORE,

No. 120, Arch Street, Philadelphia.

Their power over the above diseases is not excelled, if equalled, by any other preparation in the United States, as the cases attest, in many cases after skilful physicians had failed.

These Bitters are worthy the attention of invalids. Possessing great virtues in the rectification of diseases of the liver and digestive glands, exercising the most searching powers in weakness and affections of the digestive organs, they are, without, safe, certain and pleasant.

READ AND BE CONVINCED.

Chas. Robinson, Esq., Easton, Md., in a letter to Dr. Jackson, Jan. 9, 1850, said—

"My wife and myself have received more benefit from your medicine than any other we have ever taken for the *Dyspepsia and Liver disease.*"

"The Tenth Legion," published at Woodstock, Va., January 10, 1850, said—

"A GREAT MEDICINE."

"We have uniformly refrained from recommending to the public any of the various Patent Medicines of the day, unless thoroughly convinced of their value. Among those are consider worthy of notice is the *German Bitters*, invented by *Dr. Hoofland*, and prepared by Dr. Jackson, in Philadelphia. One instance in particular, in which the superior virtues of this medicine have been tested, has fallen under our observation. During the last summer, Mr. Abraham Crabill, of this county, was very seriously afflicted with Liver Complaint, and after trying in vain various remedies, he purchased a bottle of the Bitters, and after using it, was so much relieved of his distressing malady, that he procured another bottle, and restored entirely to health."

READ THIS FURTHER A FEW FACTS.

The "Philadelphia Democrat," the leading German journal of Philadelphia. The editor says, November 20th

"We again call attention to the removal of the German Medicine Store, the principle depot for the sale of Dr. Hoofland's German Bitters, from 278 Race to 120 Arch street, one door below Sixth. Owing to the increased demand for this medicine, and for the accommodation of his numerous patients, Dr. Jackson has been compelled to occupy a large store. We wish him success in his new quarters; he is deserving of it. The Bitters Mixture is within a few months greatly improved in strength, and is very warm and flowery. A stubborn case of Chronic Diarrh[illegible] has come under our notice, wherein the patient had exhausted the Materia Medica of the different schools of medicine with no apparent benefit. He was induced to use these bitters, and a few bottles of them have entirely cured him. Many such cases we could refer to. We *hope our readers will test this great restorative, should they* be so unfortunate as to require its use. Dr. Jackson possesses the unrivalled knowledge and receipt of Dr. Hoofland, and prepares this medicine with great care. Those purchasing should call at his store, or see that his name is *written* upon the wrapper outside, and blown in the bottle, as imitations of all good articles are common."

Judge M. M. Noah, a gentleman with great scientific and literary attainments, said in the "New York Weekly Messenger," January 6, 1850,

"Dr. HOOFLAND'S GERMAN BITTERS.—Here is a preparation which the leading presses in the Union appear to be unanimous in recommending, and the reason is obvious. It is made after a prescription furnished by one of the most celebrated physicians of modern times, the late Dr. Christopher Wilhelm Hoofland, Professor in the University of Jena, Private Physician to the King of Prussia, and one of the greatest names in the annals of medicine produced. He was emphatically the enemy of *humbug*, and therefore a medicine of which he was the inventor and endorser may be confidently relied on. He specially recommended it in Liver Complaint, Dyspepsia, Debility, Vertigo, Acidity of the Stomach, Constipation, and all complaints arising from a disordered condition of the stomach, the liver and the intestines. Nine Philadelphia papers express the conviction of its excellence, and several of its editors speak of its effects from their own individual experience. Under these circumstances, we feel warranted, not only in calling the attention of our readers to the present proprietor, (Dr. C. M. Jackson's) preparation, but in recommending the article to all afflicted."

MORE EVIDENCE.

The "Philadelphia Saturday Gazette," the best family newspaper published in the United States, the editor says of

DR. HOOFLAND'S GERMAN BITTERS.

"It is seldom that we recommend what are termed Patent Medicines to the confidence and patronage of our readers; and, therefore, when we recommend Dr. Hoofland's German Bitters, we wish to be distinctly understood that we are not speaking of the nostrums of the day, that are monopolizing the public papers and encircling after they have done their godly race of mischief, but of a medicine long established, universally prized, and which has met the hearty approval of the Faculty itself."

Evidence upon evidence has been received (like the foregoing) from all sections of the Union, the last three years, *and the strongest testimony is the fact, is*, that there is more of it used in the practice of the regular Physicians of Philadelphia than of all other nostrums combined, a fact that can easily be established, and fully proving that a scientific preparation will meet with their quiet approval when prescribed in this form.

And this medicine will cure LIVER Complaint and Dyspepsia, in nine cases out of ten, after using it as directed. In such cases call upon the nearest and nearest agent preferable to calomel in any *bilious disease*—in nine cases out of ten it will be administered to FEMALE or INFANT with safety and infinite benefit, at any time.

BEWARE OF COUNTERFEITS.

This medicine has attained that high character which is necessary to all medicines to attract to induce counterfeiters to put forth a worthless article at the risk of the lives of those who are unacquainted deceived.

LOOK WELL TO THE MARKS OF THE GENUINE.

They have the written signature of C. M. JACKSON upon the wrapper, and the same blown in the bottle, *without which they are spurious.* For sale, wholesale and retail, at the

ERIE DAGUERREAN GALLERY.

SHERMAN & LEWIS are happy to announce to the Ladies and Gentlemen of Erie, and the friends of science and art in the region round about, that they are prepared to take likenesses of a superior quality at their rooms, over Sanderson & Murphy's store three doors east of Brown's Hotel.

There are several reasons why persons can obtain better pictures at our rooms than at any other in this city, or in this part of the country. One is,

WE HAVE THE BEST LIGHT!

Side light and side light COMBINED—each correcting the faults of the other, and producing a natural and most beautiful effect. TRY IT, WHOEVER IS NOT SATISFIED WITH PICTURES TAKEN ELSEWHERE!!

Another reason is, we have the best apparatus. The importance of this will be easily seen by us.

We shall not solicit the se who favor us with their patronage, the fair, though, come like things which many who call themselves artists present to the public. Neither shall we offer those dark, gloomy images which human beings are sometimes told resemble themselves, but clear and accurate Likenesses possessing the most beautiful blending of light and shade, richness and depth of tone, remarkable distinctness of features, true expression of the eye, *boldness of relief, distance and purity* of the back ground, delicacy of finish, softness, transparency and minute effect.

Remember there is no room of the kind near here which has the qualities of this. This does not to be a puffing establishment, NOT TO BE EQUALED is our motto. W. H. SHERMAN,

THE EMPIRES ARE HERE.

H. CADWELL has just returned from New York with a large stock of goods of all kinds that will be sold for cash at prices that will defy the mouths of small croakers, until the frost comes out in the spring. Our stock being too large to enumerate, I will briefly give the price of a few articles. 300 Long Shawls, good styles, warranted all wool, 63 by 129 inches, at from 2 to 2½ shillings, 400 Bay State, Waterloo, and Empire Shawls, the largest size, 72 by 144 inches. The third No. is low as $4.50; the manufacturers price in Oct. was $5.25 by the hundred. The finest quality and best shawls ever laid down in Erie, at $7.50. This article could not be purchased of the maker in Oct. for less than $6.00. Prints as low as five cents, warranted fast colors, and all goods in proportion. Now is the time—next year goods must be higher.

Commercial Exchange
STILL TRIUMPHANT!
$30,000 WORTH OF NEW GOODS.

ARRIVING and I do arrive, $30,000 worth of New and Cheap Goods at the Commercial Exchange, where the subscriber has had his *Head Quarters* established for the last five years, and where, with the permission of the merchant Princes of Erie, he intends for some years to come, to offer to his former customers and all others, the greatest bargains ever extended to any people. His store is now so arranged as to accommodate all classes of purchasers, having fitted them up into two separate departments. The first of which is well supplied with a large and select stock of FANCY GOODS adapted solely to the wants of the *ladies.* The other department is well supplied with every article pertaining to the wardrobe of *gentlemen*, together with every variety of Staple Goods. By the above arrangements, he will be enabled to wait upon those wanting goods with facility and dispatch. He would therefore say to persons who wish to purchase Dry Goods or Clothing, that his store is one of the largest and cheapest in the city, having purchased from first hands, thereby saving the New York Jobbers profits, which enables him to sell 25 per cent. cheaper than those who purchase goods in the ordinary mode.

Among his stock may be found Black and Blue black Satin Dress Patterns, Black, blue black and figured Glo de Rhine, spotted Lawns, linen to suit, Jenny Lind embroidered silk and merino Cloaks, Brodie and Long Shawls, silk warp Paramettas, figured and striped Alapaccas, a few pieces of Bombazine expressly for washing dresses; Dress Silks of every description and quality in great variety, plain, figured and dotted Tarlton Book Muslin, Bishop Lawns, Swiss Mull, plain and figured Ladies French Collars and Capes, linen, cotton thread and mull Edging and inserting, Belt Ribbons, Rob Roy embroidered Serges, striped and plain Cashmere de Lanes, black silk laces, a large assortment of Johns Hanles Percussory, *together with every other article* kept in a *Fancy Dry Goods Store.*

In the Gentlemens department may be found superfine black and blue black French Frock and Dress Coats, do Fancy Pants, silk, satin, Marseilles & Valencia Vests, Shirts, Collars, Cravats, Half Hose, Gloves, Drawers, Under Shirts, Handkerchiefs, &c.

A large assortment of Indian Rubber Goods, Cloths, Cassimeres, Tweeds, Cashmerettes, Satinetts, Also, 50 pieces Carpeting, Matting, Oil Cloths, Hearth Rugs, &c., &c.

The above enumeration embraces but a small part of my stock of goods—suffice it to say, I have one of the most complete assortments ever before offered in this market, and pledge myself to sell cheaper than any other establishment in this section of the country; the Herculean pulls and advertisements of others to the contrary. Come and look through my stock, and my word for it you will not go away dissatisfied. My system of business is on the Cash plan, and am thereby enabled to undersell any firm west of Buffalo. Please call and see me at the sign of the Empire, in Reed's new block, or the Leopard his spot, if any Merchant in Erie to attempt to compete with me in prices, who sells goods on the credit system—it can't be done. Therefore I say again to those who pay cash for goods, that if they will call on me at Commercial Exchange, I will astonish them by showing goods at lower prices than the same qualities have ever been offered for this market. The Greeks and Gentiles must stand aside, for the Jew has the
