DR. TRASE'S MAGNETIC CINTMENT. following from Dr. Hunnell, a noted Physician; who has fover 800 Bottles within the last ten months. Hear him. 8. Buttle-Sir: I write to give you some account of the admi-rable effects produced by the use of Doct. Trank's Magnetic Unit-ment in my own practice as a physician. The following cases have all been under my own observation, and by my own pre-named in the control of the co

unt insured in each.
Insurance may be made for from one to three years, in the Mer-

Insurance may be made for from one to there each, it the Merchants' class, and one to five years, in the Farshers' class.

The very extraordinar success of the Company in accumulating a tarset fund in cash premiums, has placed the tinanoual subdility of the fustitution beyond any probable danger. The dividends which have been paid on expiring Policies in like companies, prove that the actual expense of insurance is very triffink. In a Mutual Office which is limited to the safer classes of risks.

DIRECTORS,
John P. Rutherford
Alonzo A. Cartier,
Robert Klotz, Carbon Co., John B. Packer, Northumberland.

EXATE MUTUAL PIRE INSURANCE. CO.,

Of Extrisburg, Pa.,

Invite the attention of the public to the principles upon which it the business of the Company is conducted. The main object of the Company is to afford Merchanus and Farmers an opportunity of procuring safe maintained principle. In order to present this principle, the Directors have adopted the popular, safe, and equatible plan of classifying their risks, and have divided them into two classes. The first class is exclusively a Farmers' company, in which no property more hazardous than dwelling house, and personal property therein will be inside. The second class is the Merchanus, Company, in which may be inside. The second class is the Merchanus, Company, in which may be inside. The second class is the Merchanus, Company, in which may be inside. The second class is the Merchanus, Company, in which may be inside. The second class is the Merchanus, Company, in which may be inside. The second class is the Merchanus, Company, in which may be inside. The second class is the Merchanus, Company, in which may be inside to the confidence and pattenned that we are not spiraking of the second class is the Merchanus, Company, in which may be inside the set of the confidence and pattenned that we are not spiraking of the second class is the Merchanus, Company, in which may be inside the set allocations that we are not spiraking of the set of the confidence and pattenned that we are not spiraking of the second class is the Merchanus, Company, in which may be inside the premiums are likely to sole disprepopritomate to the risks, are permuted to be mingled with those of the merchanus and the premiums are likely to sole disprepopritomic to the expense of insurance. The Policy of each makes, and the agreements of the treatment of the second class and the agreements of the second class and the agreement of the second cla

DETERGENT AND DIURETIC. Sarsaparille, Wild Cherry and Dandelien Com-

pound.

| This valuable Medicinal preparation DIFFERS ENTIRELY
| from any simple "Extract of Saraparilla," or common puriying Medicine. It is a compoded of many of the
| MOST CLEANSING MEDICINES. With others acting directly on the Kulneys or having immerefurence to the relef and continued healthy operation of anternal organs. It contains articles which enter into no expreparation in existence, and

IT IS UNRIVALD n purifying and refreshing effects, by any Medicine in the world. IN LARGE BOTTLES, In very pleasant to the taste, and is more concentrated, STRONGER, BETTER AND CHEAPER

Than any other in Market. Persons who have taken "Sariana illn" by the gallon, without relief, have been radically cured, b rilla by the genom without relief, have been real-early errea, by using two or three bottles.

This is the only Compound in which Sarsaparilla, Wild Cherry and Dande ion are so brepared, to offer the peculiar virtues of each, mecombination with pure Extracts of other healing articles 9 a highly concentrated state. Its ingredients are PURELY VE GTABLE.

And are such roots and barks as are found—though phiefly affecting option parts—in their general tendency to produce the most cleaning and healing effects. IT IS IMPOSSIBLE

To cure many diseases. Dropsies, Kidney Complaints, &c., draw off Watery Humors from the Blood or corrupt and irritating secretions of diseased organs from the body, without the thorough organizations or time Kinneys, as caused by this Medicine. No ortice extractives pretends to this effect. In fact this very operation for which it is particularly compounded, differs from all other preparations, and makes it the best compound in existence. IN ALL CASES OF DROPSY.

IN ALL UNSES OF DROPSY.

Use this medicine. It will relieve. It has cared when His itselfuse despected of. It contains articles that will care if ampliing
can, and takes the only method to make permanent cares. This
Remody

PURIFIES AND DRIVES OUT All impure and gross humours, not only by working directly on the blood, but by restoring each organ to healthy vigor, and espe-cially increasing the action of those which draw from the body, and is tupyly remove all IMPURE OR DISEASED FLUIDS.

All diseases originating in a deprayed state of the viril fluids: Eruptions, Ulcers, Sores, Collection of Watery Humors, DISEASES OF THE BLOOD, Will find this the best atterative, and most cleansing Medicine, far before any other in unwigerating afact. It has worked some of the greatest cures of Diseases of the Urmary Organs.

Jaundice, &c., or when they are coming on, take this and you are safe. It carries off the corrupt bile rapidly, by the natural chan sels, and coases immediately. It has cured LIVER COMPLAINTS years standing, as certificates testify. It strays gives satisfac-tion. Try it. Great Physicians prescribe alroys diuretics. This compound is excellent—Dandelion alone is almost specific. LOOK FOR TESTIMON'S

ANOTHER SCIPNTIFIC WONDER

ANOTHER SCIFNTIFIC WONDER

PRESENT

An Artificial Digestive Fluid, or Gastric Scies:

A GREAT DASPEPSIA CURER.

Propared from the RENNET, or the fourth Stomach of the other for the first homeon of the other factions of Bakana Liento, the great Flavoriogical Chemist, by J. S. Horditton, M. D., No. 11, North Eighth Street, Philadelphia, Pa.

This is a truly wonderful remedy for Indigentian, Depress, Japaneses, Liver Complaint, Constipation, and Disluty, Cities, after Nature's own method, by Nature's own agent, the Control June.

ofter Nature's own method, by Nature's own agent, the Companies of the State of State of the Sta

incre the disease, distress and debility which enues.

PEPSIN As D RENNET.

Parsix is the chief etement, or great digesting principle of the of the kinnan stomach after death, and sometimes causes the stomach to fine kinnan stomach after death, and sometimes causes the stomach to digest titlely or exit itself up. It is also found in the stomach to frammats, as the ast, calf, &c. It is the material use by farmers in making cheese, calied Remiet, the effect of which has long been the special worder of the dasty. The circling of more is the tract process of digestion. Remnett possesses assumbing power. The stomach of a calf will curile nearly one thousand times its own weight of milk. Barros Lieby states that, we get meet and other food. Diseased stomach produce no red gestion, and other food. Diseased stomach produce no red gestion. To show that this want may be perfectly supplied, we quote the following.

SCIENTIFIC EVIDENCE.

SCIENTFIC EVIDENCE.

Barew Liveria, in his celebrated work on Animal Chemers, says: "An Artificial Digestive Plusdensy be readily prepared fruithe microis membrane of the stomach of the Uals, in which captous articles of food, as ment and ergs. Will be expected, changed, and digested, just in the same manner as they would be in the him man stomach."

The Person in his Cipicia treation on Whole did not the former in the and digested, just in the same manner as they would be in the knman stomach."

DR. Peretra, in his famous treatise on "Food and Diet," p.,
h-held by Wilson & Co., New York, page 35, star-the same men
fact, and describes the method of preparation. There are few
hister authorities than Dr. Pereria.

Dr. Coinbe, in his avaisable servitions on the "Physiology of Digestion," observes "than a diminution of the die quantity of the
Gastrie Juned as a prominent and all prevailing cares of hypeptian" and he states that "a distinguished grote-say of senders
in London, who was severely afficied with this complime, findting everything else to fail, had recourse to the fastice lines
of tained from the stomach of living animals which private as
jlettely successful."

Dr. Grahamaganthor of the famous works on "Veretille Dut,
says," it is a reputation for the famous works on "Veretille Dut,
says," it is a reputation of the famous works on the starting of
dissolving various articles of food, and of effecting a knot of
artificial digestion of them in no wire different from the natural
directive profess.

Dr. Simon's great work, the "Chemistry of Man," (Lea &
Blan, bartd, Phila, 1-36, pp. 321-2), says: "the discovery of preSIN Lerms a new erea in the chemical history of lineston. Bros.

Dr. Simon's great work, the "Chemistry of Man," (Lee & Blanchard, Phila, 1846, pp. 321-2) says: "the discretery of PhysiN Lemms a new sera in the chemical history of Ingestion. Progreecent experiments we know that food is dissolved as rapidly is an artificial disestive fluid, prepared from Pepain, as it is in the natural Gastitic Junce itself."

Professor Devotisor, of Philadelphia, in his great worms hymnology; devotes more than any pages to the examination of this subject. His experiments with Dr. Drumonton, the factific Junce, obtained from the living Human stomach and from the tiving Human stomach and from the invine Human stomach and from the invine Human stomach and from the real manual state well known. "In all cases," he says, "dispension occurred as perfectly in the artificial as in the actural digistions."

As a Dyspopsia Guror,

As a Dyspopsia Guror,

Dr. HOUGHTON'S preparation of Testis has profited in most mercelous effects, curring cases of Debilité, Emsenquen, New rows Défine, and Dyspopsie Guromanisms, supposed to be on the very verge of the grave. It is impossible to give the drains of an its very verge of the grave. It is impossible to give the drains of this advertisement—but authenticated criticates have been given of more than 200 REMARKABLE CURES.

In Philadelphia, New York and Boston alone. There were navigated feetual, but permatient.

It is a great-Nervou. Antidete, and particularly useful freedomy to billions disserter, over complaint, fever and right subdistinguished. Also, for excess in enting, and the too fere very delicity particularly in the stream of the st IT HIVER TREAKT RELIEF! A single door removes all the instransisymptoms, and at only needs to be repeated for a short time to not more times good effects permanent. Furtive or Busine and Vinage. Bony, follow at once. It is particularly excellent an ense of Nausca, Vointing, Crampa, Soreness of the pit of the Stomach, universe after eating, low, cold state of the blood, heaviness, lower of spirite, despondency, emacagines, weakness, ignded a to marrix, stitled, &c. Perce, ONE BOLL IR per bottle. One take will often effect a history day.
