Later from California—Arrival of the Empire City.

The Empire City arrived. She had 210 passengers and $1,000,000 in gold dust. She brings advices from San Francisco to the first of January.—The news from the Isthmus is unimportant. About 60 houses were burned at Gorgona on the 29th of January. Loss not known.

The approaching election of the California Senators still forms the engrossing subject. As the day of election approaches those who are really aspirants for the office begin to exert themselves, and there are now seven candidates, whose chances of success, who though not equal one with the other, are such as to encourage them to persevere. On the whig side are Edwin Bryant and John Witherod; among the democrats are J. B. Weller, W. Halleck, Solomon Hydenfeldt, John W. Geary, and J. C. Fremont. The rest have dropped off, and it is probable two of the above will withdraw. It is impossible to surmise what the result will be. Should the Legislature decide that the plurality rule shall govern, as is not improbable, a whig must be elected; should they decide in favor of the majority, many ballotings will be had before a choice is effected.—One thing appears certain—Mr. Fremont must be defeated. The strength he relies on is melting away day by day. The vote of the old Californians will be divided between Bryant and Halleck, and the members of the mining districts will go into convention instructed to vote against Fremont.—The Legislature meets on February 6th, at San Jose, but there is a strong feeling in favor of removing the seat of government temporarily to San Francisco.

The session will commence under very embarrassing circumstances, as there is very little money in the Treasury and but little prospect of obtaining any. Should Congress neglect at its present session to vote the civil land to the State, it is impossible for the government to get along without a loan, and a proposition of that kind must go to the people for ratification.

The mines at present yielding less profitably than during the past season, but it is a matter of doubt whether the yield of the next year will not equal that of the present. The quartz gold will be mined with a great deal of energy during the coming season, and with the aid of machinery and steam, the profits will be very large.

The Indians in the Mariposa county have commenced depredations, and all efforts to pacify them are unavailing.

There is in town and country a much greater amount of crime against property and life than heretofore, and no doubt is entertained that there exists an organized band, mostly convicts from the British colonies, whose trade is pillage and murder.

Considerable apprehension is entertained for the safety of the steamer Panama, which left Panama on the 4th of December for San Francisco and has not been heard of.

The Constitution and Northerner have since arrived, but brings no tidings of the Panama.

The people of California are looking with much interest to the action of Congress, in the hope that such acts will meet with prompt disposal as shall relieve the State from embarrassment, and put her on the road to prosperity.

The weather for the last two or three weeks has been lovely. The rains have been warm and cheering.

The health of the city, and of California generally, is good. The cholera has disappeared.

Business shows no great activity, in fact it is rather dull and prices are not very encouraging to shippers.

Another Home Certificate—Great cure of EZEKIEL THOMAS.

Dr. H. Swayne—Dear Sir:—Being for a length of time afflicted with a very violent cough, with pain in the side and breast, soreness of lungs, shortness of breath, loss of appetite, night sweats, &c., I made trial of various remedies which were recommended highly in the papers, but gradually grew worse. The violence of my cough was such that the blood rushed profusely from my nostrils when the paroxysms came upon me; and, my whole system seemed prostrated, and the hour of my departure seemed near at hand. At this time you recommended me to use your Compound Syrup of Wild Cherry, which immediately began to soothe, comfort, and allay the violence of my cough, relieved the pain in my side, strengthened and healed my lungs, &c. I continued the use of it, but now, thanks to God, and to the effect of your Compound Syrup of Wild Cherry, I am cured, and able to pursue my daily labor. I think it an invaluable medicine in coughs, colds, and diseases of the lungs, and one that should be known to all afflicted. If persons would purchase the original and genuine article, as prepared by you, and not tamper with the many spurious and worthless preparations which are attempted to be palmed off on the reputation of yours, it might be the means of saving many valuable lives. I freely offer this statement for the benefit of those who are afflicted as I was.

EZEKIEL THOMAS, Jr.

VERY IMPORTANT CAUTION.

Be very particular to enquire for Dr. Swayne's Compound Syrup of Wild Cherry, as some unprincipled individuals have stolen the name of Wild Cherry, thinking to borrow a reputation from that already so well established. Remember the genuine is put up in square bottles—covered with a beautiful wrapper, lettered engraving, with the Portrait of Dr. Swayne thereon, also his signature; all others are positively fictitious and counterfeit.

Swayne's Celebrated Vermifuge.

"A safe and effectual remedy for worms, dyspepsia, Cholera Morbus, sickly or dyspeptic children or adults, and the most useful Family Medicine ever offered to the public."

This remedy is one which by years of success is found far superior (being so universally acknowledged by all who have tried it, to be far superior (being so very pleasant to the taste at the same time effectual) to any other medicine ever employed in diseases for which it is recommended. It not only destroys worms, but it invigorates the whole system.

Letter to Dr. Swayne from Andersontown Ia.

Dear Sir:—A man purchased a bottle of your Vermifuge, the other day, for his child, and by its use discharged 25 of the largest worms he had ever seen. It is somewhat difficult to get the people to try as they have often been so gulled by nauseous worm medicines. Yours being so very pleasant to the taste, at the same time effectual, I shall be able to dispose of a large quantity. Yours, T. T. SHARP, P. M.

BEWARE OF MISTAKES.

Remember—Dr. Swayne's Vermifuge is now put up in square bottles.

Please see that the name is spelt correctly—

DR. SWAYNE'S SUGAR-COATED SARSAPARILLA AND EXTRACT OF TAR PILLS.

Are as a gentle purgative, producing a healthy state of the Liver and Bowels, acting as an alterative, changing the state of costiveness, which is very common to some individuals, and for the irregularities incident to females they are very valuable.

J. H. Hatch, Evansville, Ind., writes June 5th 1850. Your agent called to sell, and I gives universal satisfaction. Your Sugar Coated Sarsaparilla and Tar Pills sold out directly. Send on a large supply.

Chalfant & Hughes, Danville, Pa., writes, April 10, 1850—Send immediately a further supply of your family medicines. We are much in need of them—they are effecting great cures in this section.

KEYSTONE MUTUAL
Life & Health Insurance Co. of Harrisburg, Pa.

THIS Company continues to insure lives on more favorable terms than any other company in the State; and is an evidence of the utility of such institutions, and the prosperous of this company in paying losses when they occur, they respectfully refer to the following letter of Mrs. Schoyer:

Practical Example, Showing the Advantages to be Derived from Life Insurance.

Mr. Solomon Schoyer, a highly respectable commission merchant at Pittsburg, effected an insurance of $3,000 on his life with the Keystone Mutual Life Insurance Company of Harrisburg, on the 17th of July, 1850. He received his policy, and paid his premium on the 24th of July, 1850, and died in a fit of Nightmare on the 22d day of July, but two days after he received his policy. He had enjoyed uninterrupted good health all his life up to the time of receipt of his death. His widow, Penelope Schoyer, received from this company within 20 days after his death, $3,000 as will be seen by her letter of acknowledgement below.

To the President and Directors of the Keystone Mutual Life Insurance Company, at Harrisburg, Pa.

GENTLEMEN:—The prompt manner in which your efficient agent, Mr. Henry Sproul, attended to the claim of myself and family for insurance upon the life of my late lamented husband, S. Schoyer, and the promptness with which the Company paid that claim of $3,000, impels me to take this method of returning to the company my thanks, believing as I do that your company possesses advantages for life insurance over most of the companies now in the country, and that its business is conducted by judicious and careful managers and agents I would cheerfully recommend your Company to all who may wish to insure themselves of its benevolent operations. PENELOPE SCHOYER.

Pittsburg, Nov. 22, 1850.

Still another, showing the wise forethought of a Clergyman.

Rev. T. Marshal Boggs, pastor of a Presbyterian Church in Mount Joy, Lancaster County, Pa., took out a policy of Insurance in this company in June, 1850, for $4000. He died of Erysipelas fever on the 10th of Nov. 1850: but by his provident care and forethought left to his bereaved family his Policy of $4000, which had cost him but $23

For particulars, and rates of insurance, see the company's pamphlets, or call on the secretary at his office, No. 20, Market st. Harrisburg, or S. Mervin Smith, Agent for Erie County, Office 3 doors west of Laird & Rust's store.
