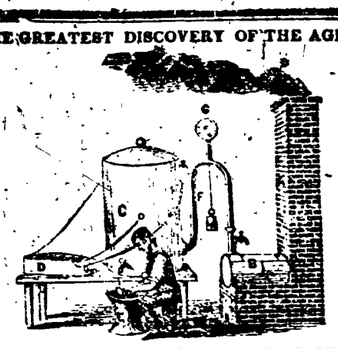
THE GREATEST DISCOVERY OF THE AGE!



DR. TRASK'S MAGNETIC OINTMENT.

THE following from Dr. Hubbell, a noted Physician, who has sold over 900 Bottles within the last ten months. Hear him.

S. BUELL—Sir: I wish to give you some account of the admirable effects produced by the use of Dr. Trask's Magnetic Ointment in my own practice as a physician. The following cases have all been under my own observation, and by my own prescription.

CASE 1st.—A Mrs. More, who was given up to die by three celebrated physicians, as being in the *last stages of Consumption*, by the use of the Magnetic Ointment has regained her health, and is now as well as ever, and has been for the last six months.

CASE 2d.—Some time in July last, I was called to see Mrs. Allen living some 22 miles distant. Her case had been given up by several *physicians*. She was first attacked by *malignant dysentery*, followed by severe inflammation of the bowels. I arrived at 5 o'clock in the evening, and found her in a very dangerous situation, apparently on the brink of the grave. I commenced applying the ointment freely to the stomach and bowels, attended with some simple remedies administered internally, and by morning I found her so much better that I left for home, with directions to continue the use of the Ointment. She fully recovered in a few days, and is now enjoying good health.

CASE 3d.—A Mr. Winters had lost nearly all his hair, had been *bald* for many years; by the use of *three bottles of the Magnetic Ointment, had his hair entirely restored*, and now has as beautiful a head of hair as any man could wish. His age is about 50 years.

CASE 4th.—A son of Mr. Warren of this town, 11 years of age, had been afflicted with the Asthma from his cradle. He had the benefit of the best medical advice that a loving and wealthy father could procure without avail. It was one of the most aggravated cases *I ever saw*; he was emaciated almost to a skeleton. By the use of a few bottles of the Ointment he was *thoroughly cured*, and for 7 months past has enjoyed robust health.

CASE 5th.—This was an extreme case of *inflammation of the spine*, of long standing; had a variety of treatment from no less than *eight* different physicians, without deriving benefit—was cured by the use of only four bottles of the Magnetic Ointment!—This was four months ago, and the lady (a Mrs. Dunbar) resides in good health and able to attend to her usual household duties—I have treated two cases of *chronic sore Eyes* with the Ointment, both of the patients *nearly blind*, as to need an attendant to lead them from place to place. One of them had been afflicted 5 years, the other about 2 years. They had tried the best physicians in the state, without benefit. One of them had been under the treatment of the celebrated Dr. Muzzy, of Cincinnati, for eighteen months, and had expended hundreds of dollars in vain efforts to effect a cure. They are now, by use of the Magnetic Ointment, nearly or quite cured, and are able to read and attend to ordinary business. I have used the Ointment in a number of cases of the Piles, and *in no case has it failed to give immediate relief, and generally a permanent cure*. I have also used it beneficially in several cases of Erysipelas. And last but not least, I have within the last year cured four cases of CANCER by the use of the *Magnetic Ointment alone*!!

From a thorough trial of the Ointment in nearly every disease for which it is recommended, I can confidently recommend it to be one of the most useful remedies ever offered to the public.

Respectfully yours,
BURTON HUBBELL, M. D.

THE MERCHANTS' AND FARMERS'

STATE MUTUAL FIRE INSURANCE CO.
Of Harrisburg, Pa.,

INVITE the attention of the public to the principles upon which the business of the Company is conducted. The main object of the Company is to afford those insured Farmers an opportunity of procuring safe insurance on their property at a moderate cost, and thereby avoid the Mutual principle. In order to effect this principle, the Directors have adopted the peculiar, safe, and equitable plan of classifying their risks, and have classed them into two classes. The first class is exclusively a Farmers' Company, in which no property more hazardous than dwelling houses, out houses, and personal property therein will be insured. The second class is the Merchants' Company, in which may be insured the safe kinds of property.

The Company deem it indispensable to decline all risks which are commonly denominated Extra Hazardous, believing that if such risks are permitted to be mingled with those of the merchant and farmer, the premiums are likely to be deemed disproportionate to the risks,—exacting from those who are insured upon the least hazardous property, more than a just and equal contribution to the expense of insurance. The Policy of insurance will also embrace the class of risks, with the Capital and Cash Premiums and Deposite Note of each class, and the assessments for which members may become liable, shall be the fund assessed to pay the losses occurring in the respective Classes, to which they belong, and no other, and the general expenses of the Company shall be apportioned to each Class according to the amount insured in each.

Insurance may be effected from one or three years in the Merchants' class, and one, two or three years in the Farmers' class.

The very extraordinary success of this Company in accumulating a large fund in cash premiums, has obtained for it a special confidence of the Insurance community, and given to the Company a business which has been and is expecting Rates in like Companies, prove that the safest insurance is the cheapest. The Company is a Mutual Office when losses exceed the cash premiums of risks.

DR. HOOFLAND'S
CELEBRATED GERMAN BITTERS, PREPARED BY
DR. C. M. JACKSON,
AT THE GERMAN MEDICINE STORE,
No. 120 Arch Street, Philadelphia.

Their power over the above diseases is not excelled, if equalled, by any other preparation in the United States, as the cures attest, in many cases after skilful physicians had failed.

These Bitters are worthy the attention of invalids. Possessing great virtues in the rectification of diseases of the Liver and lesser glands, exercising the most searching powers in weakness and affections of the digestive organs, they are, withal, safe, certain and pleasant.

READ AND BE CONVINCED.

Chas. Robinson, Esq., Easton, Md., in a letter to Dr. Jackson, Jan 9, 1850, said—

"My wife and myself have received more benefit from your medicine than any other we have ever taken for the *Dyspepsia and Liver disease*."

"The Tenth Legion," published at Woodstock, Va., January 10, 1850, said—

"A GREAT MEDICINE."

"We have uniformly refrained from recommending to the public any of the various Patent Medicines of the day, unless thoroughly convinced of their value. Among those we consider worthy of notice is the *German Bitters*, invented by *Dr. Hoofland*, and prepared by Dr. Jackson, in Philadelphia. One instance in particular, in which the superior virtues of this medicine have been tested, has fallen under our observation. During the last summer, a son of Mr. Abraham Crabill, of this county, was very seriously afflicted with Liver Complaint, and after trying in vain various remedies, he purchased a bottle of the Bitters, and after using it, was so much relieved of his distressing malady, that he procured another bottle, and is restored entirely to health."

READ FURTHER A FEW FACTS.

The "Philadelphia Democrat," the leading German journal of Philadelphia. The Editor says, November 21th

"We again call attention to the removal of the German Medicine Store, the principle depot for the sale of Dr. Hoofland's German Bitters, from 225 Race to 120 Arch street, one door below Sixth. Owing to the increase in demand for this medicine, and for the accommodation of his numerous patients, Dr. Jackson has been compelled to occupy a large store. We wish him success in his new quarters; he is deserving of it. The Bitters Mixture is without doubt the greatest medicine extant for diseases of the Liver and Bowels. A stubborn case of Chronic Diarrhœa has come under our notice, wherein the patient had exhausted the Materia Medica of the different schools of medicine with no apparent benefit. He was induced to use these bitters, and a few bottles of them lightly entirely cured him. Many such cases we could refer to. We hope our readers will recollect this great restorative, should they be so unfortunate as to require its use. Dr. Jackson possesses the original unpublished receipt of Dr. Hoofland, and he prepares this medicine with his own hands. That it is the best medicine in the store, or see that his name is written upon the wrapper outside, and blown in the bottle, imitations of all good articles are common."

Judge M. M. Noah a gentleman with great scientific and literary attainments, said in his "New York Weekly Messenger," January 6, 1-50.

"Dr. Hoofland's German Bitters.—Here is a preparation which from the leading presses in the Union appears to be unanimous in recommending, and the reason is obvious. It is made after a prescription furnished by one of the most celebrated physicians of modern times, the late Dr. Christopher Wilhelm Hoofland, Professor to the University of Jena, Private Physician to the King of Prussia, and one of the greatest medical writers Germany has ever produced. He was remarkably successful in curing, and therefore a medicine of which he was the inventor and endorsee may be confidently relied on. He specially recommended it in Liver Complaint, Dyspepsia, Debility, Vertigo, Acidity of the Stomach, Constipation, and all complaints arising from a disordered condition of the stomach, the liver and the intestines. Nine Philadelphia papers express their conviction of its excellence, and several of its rivals speak of its effects from their own individual experience. Under these circumstances, we feel warranted, not only in calling the attention of our readers to the present proprietor, (Dr. C. M. Jackson's) preparation, but in recommending the article to all afflicted."

MORE EVIDENCE.

The "Philadelphia Saturday Gazette," the best family newspaper published in the United States, the editor says of

DR. HOOFLAND'S GERMAN BITTERS.

"It is seldom that we recommend what are termed Patent Medicines to the confidence and patronage of our readers; and, therefore, when we recommend Dr. Hoofland's German Bitters, we wish to be distinctly understood that we are not speaking of the most pernicious of the day, those which are puffed about for a brief period and then forgotten after they have done their guilty race of mischief, but of a medicine long established, universally prized, and which has met the hearty approval of the Faculty itself."

Evidence upon evidence has been received (like the foregoing) from all sections of the Union, the last three years, *and the strongest testimonial is its future*, viz: that there is more of it used in the practice of the regular Physicians of Philadelphia than all other proprietary compounded, a fact that can easily be established, and fully proving that a scientific preparation will meet with their quiet approval when presented even in this form.

That this medicine will cure Liver Complaint and Dyspepsia, no one can doubt, but using it as directed. It acts specifically upon the stomach and liver—this appreciable to all—*and never deceives*—the effects is immediate. They can be administered to CHILDREN OF THE AGED with safety and reliable benefit, at any time.

BEWARE OF COUNTERFEITS.

This medicine has attained that high character which is necessary for all advertisers to attain to, to be counterfeited to put forth their own bitters as the real, as the likeness of those who are unscrupulous operators.

LOOK WELL TO THE MARKS OF THE GENUINE.

They have the written signature of C. M. JACKSON upon the wrapper, and the same blown in the bottle, *without which they are spurious*. For sale, wholesale and retail, at the
