ally a favorite among the miners. The market is glutted with all kinds of merchandise and goods of every character are selling remarkably low-it is expected, however, that when communication is opened with all parts of the mines business will greatly improve. Painful rumors and severe charges of bribery and corruption have been made against several members of the Legislature. The Sarah Sands arrived at San Francisco from Panama in 34 days. The rain throughout various parts of the State has had a very beneficial effect on regetation. The attempt to impeach Judge Parsons proved a failure. It is asserted in the California napers that the Supreme Court had agreed upon an oninien that the city of San Francisco, is not bound to pay for buildings which have been destroyed in arresting fires, and for which judgments have been obtained in the lower courts. From the Sandwich Islands advices to the 10th March, have been received. The report was that Honolulu was to be immediately blockaded by the French.
