COMPOUND SYRUP OF WILD CHERRY!

Another Home Cortificate—Great cure of Experient THOMAS.

Dr. H. Swayne—Dear Str:—Being for a length of time afficied with a very violent cough, with pain in the side and breast soreness of lungs, shortness of breath, loss of appetite, right sweats, &c., I made trial of various remedies which were recommended highly in the papers, but gradually grew worse. The violence of my cough was such that the blood rushed profusely from my nostrils when the paroxymis came upon; indeed, my whole system stemed prostrated, and the bour of my departure seemed hear at hand. At this time you recommended the use of your Compound Syrup of Wild Cherry, which immediately began to soothe, comfort, and allay the violence of my cough, relieved the pain in my side, strengthened and healed my lungs, &c. I continued the use of it, but now, thanks to God, and to the effect of your Compound Syrup of Wild Cherry, I am cured, and able to pursue my daily labor. I think it an invaluable medicine in coughs, col. is, and discusses of tind lings, and one that should be known to fill afflicted. If persons would purchase the original vind genome article, as prepared by you, and not tamper with the many spursous and worthless preparations which are attempted to be pulmed off on the regulation of yours, it might be the means of saving many valuable lives. I freely offer this statement for the beautift of those who as suffering as I was EZEKIEL THOMAS.
