NEW YORK AND ERIE RAILROAD.

NEW ROUTE TO NEW YORK

VIA DUNKIRK

and the Erie Railroad, connecting with first class steamers on Lake Erie, the Michigan, Cleveland, Columbus and Cincinnati Cleveland and Pittsburgh and Sandusky and Cincinnati Railroads, and steamers on the Ohio and Mississippi rivers, and the Ohio, Indiana and Pennsylvania canals.

TRAINS LEAVE BUFFALO AS FOLLOWS.

1st. Morning Express Train at 8 A. M.
2d Morning Mail Train at 9 A. M.
3d. Evening Express Train at 4 P. M.

Fare from Dunkirk to New York, $8 50.

Second Class Fare will be given on a few days.

The Express Freight and Cattle Train leaves Dunkirk daily at 4 A. M., to which a Passenger Car is attached, for the accommodation of way passengers and Drovers.

Particular attention will be paid to the shipment of Stock and Freight of every description. The gauge being 6 feet wide gives this route great advantages over narrow Roads, in the transportation of stock and all other freight.

Additional Trains will be put in commission in a very short time.

Freight Tariffs will be published giving full particulars in regard to the prices of Freight.

Freight carefully shipped at Dunkirk, and each of the following Freight stations: Forestville, Smith's Valley, Dayton, Centraugus, Little Valley, Great Valley, Arcade, Orion, Rushdale, Cuba, and all other intermediate stations.

J. NOTTINGHAM, Agent. C. MINOT, Sup't.

KEYSTONE MUTUAL

Life & Health Insurance Co. of Harrisburg, Pa.

THIS Company continues to insure lives on more favorable terms than any other company in the State; and as an evidence of the utility of such institutions, and the prosperous state the company is paying to those who insure, they respectfully refer to the following letter of Mrs. Schuyler:

Practical Examples, Showing the Advantages to be Derived from Life Insurance.

Mr. Solomon Schuyler a highly respectable commission merchant at Pittsburg, effected an insurance of $5,000 on his life with the Keystone Mutual Life Insurance Company of Harrisburg, on the 19th of July, 1850. He received his policy, and paid his premium on the 20th of July, 1850, and died in a fit of Nightmare Pneumonia on the 29th of July, but two days after he received his policy, on the 22d day of July, but two days after his death, a draft was received from this company within 30 days after his decease, for $5,000 as will be seen by her letter of acknowledgement below.

To the President and Directors of the Keystone Mutual Life Insurance Company, at Harrisburg, Pa.

GENTLEMEN:—The prompt manner in which your efficient agent, Mr. Henry Stroul, attended to the claim of myself and family for insurance upon the life of my late lamented husband, S. Schuyler, and the principles with which the Company and that claim of $5,000, impels me to take this method of returning to the company my thanks, believing as I do that your Company possesses advantages for life insurance over most of the companies now in the country, and that its business is conducted by officers and careful managers and agents. I would therefore recommend your Company to all who may wish to avail themselves of its benevolent operations. PENELOPE SCHUYLER.

Pittsburg, Nov. 22, 1850.

Still further, shows the wise forethought of a Clergyman Rev. P. Mar-teal D. D. pastor of a Presbyterian Church in Manchester, Lancaster County, Pa., took out a policy of Insurance in this company for 3 years, for $4000. He died of Erysipelas fever on the 19th of Nov. 1850; but by his providence and forethought in this he secured family his Policy of $4000, which had cost him but $22

For particulars, and Plan of Insurance, see the Pamphlet, or call on the Secretary at the office, No 2, Market st. Harrisburg, or S. Marcus Smith, Agent for Erie County, Office 3 doors west of Reed & Rice's Store.

DR. LUTHER REILY, President.

EMERY & CO.'S

NEW YORK STATE AGRICULTURAL SOCIETY'S FIRST PREMIUM RAILROAD POWER

THRESHING MACHINE.

THE above justly celebrated Powers, as now made and sold by the subscribers, are offered to the public with the assurance that they are all they are represented to be, having been very extensively and thoroughly tested, side by side with all the Thread Powers known of note in the country, and been preferred.

The Chairman of the Agricultural Society's Committee on Horse Powers, in a report which he drew up, says "I have spent much time at the late State Fair (Sept. 18th) at Albany in examining the various Horse Powers, viz., Wheeler, Allen's Hall's and Emery & Co's, first with the owners and workers and heard all they could say, and again in their absence, and the result is fully convinced me that Emery's was the best." And I cannot see, I would here Twenty Dollars more for yours than for any other on the ground, as one year with your horse's family is worth all you should receive as a reward." He further says, "You know from experience, I have no partiality for your establishment, and as a committee man of the State Society for years, I have exerted all in my power against you than for you; and if others have a better Power than yours, I would decide for it, even though it turned your own children out, and vice versa, but I am from it may."

With the testimony of such men as the author of the foregoing, which, together with changeable gearing, and other important improvements since last season, make it the most convenient, durable, efficient and economical Power now made and the public may rest assured of being furnished by us with a machine that speedily relief to all who may place themselves under its care.
