To the Sick and Afflicted!

STILL ANOTHER REMARKABLE CURE of Consumption!

AND IT'S DANGEROUS ATTENDANTS, AFTER HAVING BEEN GIVEN UP TO DIE BY PHYSICIANS AND FRIENDS, THE ANNALS OF HISTORY CAN NOT FURNISH A PARALLEL!!

It should be extensively known throughout the world, for there are thousands laboring under similar disease, which will prove fatal unless arrested by the powerful agency of

DR. SWAYNE'S COMPOUND SYRUP OF WILD CHERRY.

The Original and Genuine Preparation!

READ AND BE CONVINCED!

POINT OF ROCKS, Fred'k Co., Md., June 9th, 1851.

DR. SWAYNE—*Dear Sir*: Believing it a duty I owe to the public, and in justice to you, I have thought proper to make known one of the most extraordinary cures, in my own case, that has ever been truly recorded. For the month of December last, I was afflicted with a severe gathering in my breast, which formed a large abscess, and also communicated to my Lungs and very much afflicted them, and discharged large quantities of corruption, external and internal, that is, large quantities passed through my Lungs, which I threw up. My breath could also pass through my lungs, and out through the cavity of my breast with apparent ease, attended with a violent cough, day and night, loss of appetite, and extreme debility, so that my physicians thought my case entirely hopeless and beyond the power of medicine. I remained in this wretched condition for a long time, until I was wasted to a mere skeleton, and there seemed to be no hope for me, but, having read in the public papers of the many wonderful cures performed by your *Compound Syrup of Wild Cherry*, I immediately sent to Baltimore for five bottles, and commenced its use; and to my great satisfaction and my anxious family, the abcess or opening in my lungs began to heal, and the cough subside, and on using ten bottles I was restored to perfect health. I feel very grateful, and firmly believe that to your invaluable medicine, under the blessings of Divine Providence, I am indebted for this great change, and I am happy to say that I am now enjoying as good health as I ever have.

For the satisfaction of those who are not acquainted with me, I am led to this certificate the names of gentlemen well and favorably known to a large portion of the citizens of Maryland and Virginia, and will doubtless induce all who are similarly afflicted to try your wonderful and invaluable Compound Syrup of Wild Cherry. *Yours, Very Respectfully,*

THOMAS DIXON.

The subscriber was well acquainted with Thomas Dixon, and can testify that he was afflicted as above represented. I regard his recovery as almost a miracle. He is a worthy member of society.

JAMES R. DURBOROW.
Pastor of Berlin Circuit, Baltimore Conference.

We, the underaigned, residents of the Point of Rocks and vicinity, are acquainted with Thomas Dixon, and know him to have been afflicted as above represented, and was thought by his friends as well as by our most skillful physicians to be past recovery, but by the exclusive use of that invaluable remedy, *Dr. Swayne's Compound Syrup of Wild Cherry* is now restored to perfect health, and we feel duty bound to recommend this valuable medicine to all who may be similarly afflicted.

FRED. STICK, Merchant,	O. THOMAS,
LLOYD C. BELT, "	W. H. SMITH,
SAMUEL W. HAUER, "	E. W. MCGILL,
WILLIAM S. WATKINS, "	PHILIP ADAMS,
JOHN WALTER, "	PHILIP MELLONCAMP.

The above invaluable medicine is the result of many years extensive practice in Philadelphia by Dr. Swayne.

Look well! the Marks of the Genuine. Remember no preparations of Wild Cherry is genuine, except the original article as prepared by Dr. Swayne. See that his *Portrait* is on the wrapper around each bottle. Until you obtain this Compound you will never know the real virtues of the Wild Cherry.

Swayne's Celebrated Vermifuge.

"A safe and effectual remedy for worms, dyspepsia, Cholera Morbus, sickly or dyspeptic children or adults, and the most useful Family Medicine ever offered to the public."

J. J. AYRES, a highly respectable merchant of Williamsport, Pa., states: I have tried your Vermifuge in my own family, and can speak in the very highest terms of it. My wife is so much pleased with it she will use no other.

BEWARE OF MISTAKES

Remember Dr. Swayne's Vermifuge is now put up in square bottles.

☞ See that the name is spelt correctly—

DR. SWAYNE'S SUGAR-COATED SARSAPARILLA AND EXTRACT OF TAR PILLS.

Act as a gentle purgative, producing a healthy state of the Liver and Bowels, acting as an alternative, changing the state of costiveness, which is very common to some individuals, and for the irregularities incident to females they are very valuable.

J. H. Hatchitt, Evansville, Ind., writes June 5th 1850. Your medicine sells well, and gives universal satisfaction. Your Sugar Coated Sarsaparilla and Tar Pills sold out directly. Send on a large supply.

Chalfant & Hughes, Pantville, Pa., writes, April 16, 1850—Send immediately a further supply of your family medicines. We are much in need of them—they are effecting great cures in this section.

REMOVAL.—Dr. Swayne has removed his Laboratory, to No. 4 North Seventh Street, second door above Market, Philadelphia, where the above valuable Medicines are only prepared.

GATLING'S PREMIUM GRAIN DRILL.

THE subscriber presents *GATLING'S PREMIUM GRAIN DRILL*, which for simplicity and perfect work has no equal. The Machine is out of order, possible objection, and is just such a machine as the farmer has been long in need and desired. It does pressing every kind, and has risen the ground, sows the seed at any depth required, and covers all the seed a proper depth, thereby saving much time, labor and seed in planting. The subject of drilling wheat is deservedly attracting much attention at this time, and is fast taking the place of the old imperfect way of sowing broad-cast. It is fast gaining ground and will soon be universally adopted.

One of the many experiments in drilling made by Charles Noble, Esq., of the State of Delaware, will be given. See the contract. Mr. Noble says: "Previous to harvest I had five acres carefully measured with the chain and compass, by W. Jenning The Surveyor was present when the wheat was cradled, and saw that each acre had its due share. It was put away in separate mows, and threshed separately, and all the grain measured This experiment showed the following results: The broad-cast sowing had two bushels of seed to the acre, and produced thirty-seven bushels of seed to the acre, and produced forty-five shocks, which thrashed out thirty-seven bushels of wheat." Another gentleman, Mr. Frances R Bittor, of Perry Co., Ohio, says: "I have, this fall, put in on my farm 15 acres of wheat, with Gatling's Premium Grain Drill, and I have no hesitation in pronouncing it the best drill that I have ever seen. The machine worked altogether to my entire satisfaction. The wheat is now up, with a most perfect regularity, and looks fair for an abundant crop. I used two horses, and put in eight acres per day with no jostling to assist."

These Machines are now manufactured by the subscriber, who has purchased the Patent, and will be sold very cheap. Farmers and others are invited to call and examine and satisfy themselves.

DR. HOOFLAND'S

CELEBRATED GERMAN BITTERS, PREPARED BY

DR. C. M. JACKSON,

AT THE GERMAN MEDICINE STORE

No. 120, Arch Street, Philadelphia.

Their power over the above diseases is not excelled, if equalled, by any other preparation in the United States, as the cures attest, in many cases after skilful physicians had failed.

These Bitters are worthy the attention of invalids. Possessing great virtues in the rectification of diseases of the Liver and Lesser glands, exercising the most searching powers in weakness and affections of the digestive organs they are, withal, safe, certain and pleasant.

READ AND BE CONVINCED.

From the Boston *Bee*,

The Editor said, Dec. 22.

Dr. Hoofland's Celebrated German Bitters, for the cure of Liver Complaint, Jaundice; Dyspepsia; Chronic and Nervous Debility, is decidedly one of the most popular medicines of the day. These Bitters have been used by thousands, and a friend at our elbow says he has received an effectual and permanent cure of Liver Complaint by the use of this remedy. We are constinged that, by the use of these Bitters, the patient constantly gains strength and vigor—a fact worthy of great consideration. They are pleasant in taste and smell, and can be used by persons with the most delicate stomachs with safety, under any circumstances. We are speaking from experience, and to the afflicted we advise their use."

Scott's Weekly, one of the best Literary papers published, said, Aug 25:

"*Dr. Hoofland's German Bitters*, manufactured by Dr Jackson, are now recommended by some of the most prominent members of the faculty as an article of much efficacy in cases of female weakness. As such is the case, we would advise all mothers to obtain a bottle, and thus save themselves much sickness. Persons of debilitated constitutions will find these bitters advantageous to their health, as we know from experience the salutary effect they have upon weak systems."

MORE EVIDENCE.

The "Philadelphia Saturday Gazette," the best family newspaper published in the United States, the editor says of

DR. HOOFLAND'S GERMAN BITTERS.

"It is seldom that we recommend what are termed Patent Medicines to the confidence and patronage of our readers; and, therefore, when we recommend Dr. Hoofland's German Bitters, we wish to be distinctly understood that we are not speaking of the nostrums of the day, that are noised about for a brief period and then forgotten after they have done their guilty race of mischief, but of a medicine long established, universally prized, and which has met the hearty approval of the Faculty itself."

BEWARE OF COUNTERFEITS.

This medicine has attained that high character which is necessary for all medicines to attain to induce counterfeiters to put forth a spurious article at the risk of the lives of those who are innocently deceived.

LOOK WELL TO THE MARKS OF THE GENUINE.

They have the written signature of C. M. JACKSON upon the wrapper, and the name blown in the bottle, *without which they are spurious.* For sale, wholesale and retail, at the
