To which are added very extensive practical observations on Sexual Debility, arising from nocturnal seminal emissions, or constitutional weakness, and its attendant sympathies. The whole illustrated by striking cases from *Dr. La Croix's* private practice. The reproductive organs of females illustrated. Menstruation, irregularity, or the entire suppression of the Menses, and their remedies by M. B. La Croix, M. D., Graduate of the Medical Department of the Northern University—Member of the Hospital des Venereiennes, Paris—Correspondent of the Reformed School of Medicine, and member of the Medical society, &c. &c.

Sold by the author, who may be consulted upon any of the diseases of which it treats Any person sending 25 cents enclosed a letter (*post paid*) will receive one copy of this book by mail, or five copies for $1. FEMALE COMPLAINT.

Falling of the Womb, Gonorrhea or Whites, Obstructed, Excessive, Irregular or painful Menses, Dropsy of the Womb.

Dr. La Croix is often called upon by young and innocent females who have had their health injured for years by pills and nostrums purchased from celebrated female imposters, under the false pretence of effecting cures—those medicines in nineteen cases of twenty have an injurious effect upon the constitution, without producing the desired effect, or any signs of it Ladies who send for medicines, the efficacy of which has been tested in thousands of cases, and never failed to effect speedy cures without any bad results, will use none but

Dr. De Laney's Female Periodical Pills,

which are the result of the combined knowledge and experience of some of the oldest and most distinguished physicians of Europe, and have been used by females embracing most of the gentility and nobility of France for the last 25 years. To eulogise their virtues would but add a bid to their merits. The only precaution necessary to be observed is, ladies should not take them if they have reason to believe that they are in certain situations (the particulars of which will be mentioned in the wrappers accompanying each box,) though always safe and healthy, so gently, yet so active are they.

☞ *Price $1 per box. they can be transmitted by mail to any part of the Union.*

Dr. La Croix invites all the afflicted, however hopeless their case may appear, or whatever their disease may be, or however many physicians or remedies they have tried, to put his knowledge and skill to the test in an examination of the case—it will cost them nothing. He promises to every case he treats a permanent and radical cure for life.

☞ The Dispensary is so arranged that the person so calling will see no one but the doctor himself, who is in constant attendance in his private rooms, ready and willing to render relief to all who may give him a call. *Hundreds* of certificates voluntarily given of cures, some of which are most astonishing cases on record, are for inspection at the Dispensary, all which are by his medicines.

Bargains! Wholesale and Retail.

Full and Winter Goods selling at incredible low prices, at No. 1, Reed House.

HAVING taken advantage of the pressure in the money market, together with the consequent anxiety of city dealers to dispose of merchandize, and having bought quantities of goods at from *one half to two thirds* the manufacturers price I am boldly that I will sell many articles at lower prices than were paid in New York four weeks ago. Some may be incredulous—to such "and the rest of mankind," I would say walk in and see for yourselves. The proofs are "stacked up" on the counters thick and high. There you will find De Laines from 6¼ cents, upwards; Alpaccas as low as 12½ cents per yard; Calicoes that all will pronounce cheap enough: Shawls, from the principal mills in the United States of almost infinite variety of design and quality, the low price of which brings them within the reach of any one's purse: splendid Silk Velvets for Cloaks and Mantillas, of various widths, Dress Goods in General for both Ladies and Gentlemen are there in rich profusion.

CARPETS, too, that draw *praises even from the lips of old maids*—in short a stock so complete and so cheap as to distance in both these respects, any and all others in the city. Call round, therefore, you who want goods, and you shall have them at rates that will induce you to come again. J. D. CLARK.

ERIE DAGUERREAN GALLERY,

Park Row, a few doors West of the REED HOUSE.

SHERMAN is happy to invite all who wish DAGUERREOTYPE LIKENESSES, who are at all particular what kind of pictures they have, to his new Rooms which have been built expressly for the Art. LIGHT is the great agent of the Artist, and it has been the constant study of all worthy of the name since the Art was discovered, to employ and control it in the manner best adapted to produce the most favorable results. The result of this study and of thousands of experiments is that *there is not* a respectable permanent Gallery in the U States where the pictures are made by a common window, and he who says he can produce superior pictures by such a window proves his ignorance of the Art. The subscriber therefore begs leave to say that by his superior LIGHT, and with an apparatus worth six times any other in this city, he is enabled to produce pictures which cannot be equelled in this part of the country, and offers to excell any thing which can be produced in other rooms in Erie, or forfeit one hundred dollars. He has also a splendid Quick Working Camera, with which he takes children of any age! Let it be distinctly understood his pictures will not fade if properly kept.

N. B.—The "recent improvements" may be seen at the above rooms. W. H. SHERMAN.

DR. HOOFLAND'S *CELEBRATED GERMAN BITTERS,*

PREPARED BY

DR. C. M. JACKSON,

AT THE GERMAN MEDICINE STORE,

120, Arch Street, Philadelphia.

Their power over the above diseases is not excelled—if equalled—by any other preparation in the United States as the cures attest, in many cases after skilful physicians had failed.

These Bitters are worthy the attention of invalids. Possessing great virtues in the restoration and invigoration of the Liver and lesser glands, exercising the most searching powers in weakness and affections of the digestive organs, they are withal, safe, certain and pleasant.

READ AND BE CONVINCED,

From the "Boston *Bee.*"

The editor said, Dec. 22nd—

Dr. Hoofland's Celebrated German Bitters for the cure of Liver Complaint, Jaundice, Dyspepsia, Chronic or Nervous Debility, is deservedly one of the most popular medicines of the day. These Bitters have been used by thousands, and a friend at our elbow says he has himself received an effectual and permanent cure of Liver Complaint from the use of this remedy. We are convinced that, in the use of these Bitters, the patient constantly gains strength and vigor—a certain step in great consideration. They are pleasant in taste and smell, and can be used by persons with the most delicate stomachs with safety, under any circumstances. We are speaking from experience, and to the afflicted we advise their use.

"SCOTT'S WEEKLY," one of the best Literary papers published, said, Aug 23—

"Dr. HOOFLAND'S GERMAN BITTERS, manufactured by Dr. Jackson, are now recommended by some of the most prominent members of the faculty as an article of much efficacy in cases of female weakness. As such is the case, we would advise all mothers to obtain a bottle, and thus save themselves much sickness. Persons of debilitated constitutions will find these Bitters advantageous to their health, as we know from experience the salutary effect they have upon weak systems."

MORE EVIDENCE.

The "Philadelphia Saturday Gazette, the best family newspaper in the United States. The editor says of

DR. HOOFLAND'S GERMAN BITTERS.

"It is seldom that we recommend what are termed Patent Medicines, to the confidence and patronage of our readers; and therefore when we recommend Dr. Hoofland's German Bitters, we wish it to be distinctly understood that we are not speaking of the nostrums of the day, that are poised about for a brief period and then forgotten after they have done their guilty race of mischief, but of a medicine long established, universally prized, and which has met the hearty approval of the faculty itself."

Evidence upon evidence has been received (like the foregoing) from all sections of the Union, the last three years, and the strongest testimony in its favor, is, that there is more of it used in the practice of the regular Physicians of Philadelphia, than all other nostrums combined; a fact that can easily be established, and fully proving that a scientific preparation will meet with their quiet approval when presented even in this form.

That this medicine will cure Liver Complaint and Dyspepsia no one can doubt after using it as directed. It acts specifically upon the stomach and liver; it is preferable to calomel in *all bilious diseases*—the effect is immediate They can be administered to females, or infants, with safety and reliable benefit at any time.

BEWARE OF COUNTERFEITS.

This medicine has attained that high character which is necessary for all medicines to attain to induce counterfeiters to put forth spurious articles at the risk of the lives of those who are unsuspecting deceived.

Look well to the marks of the Genuine.

They have the written signature of C. M. JACKSON upon the wrapper, and his name blown in the bottle, *without which they are spurious.*
