John.—I bought a little, only forty five dollars worth and I can hardly carry them along; but I am going home now, to get some more money and tell all the neighbors about, for I know it is to their advantage, and you must know that most of the storekeepers keep the New York inside clothing, but he has the Cutter in the store and gets every thing made here.

Bill.—Now, I know that they don't half sew goods in N. York.

John.—And another thing he sells only for cash, and I like it first rate, for many a time I have to pay for what you get. Now, I tell what his Motto is, a good one too—"Quick Sales and Small Profits." Well good bye to you, but don't forget it is No. 1, Reed House, North side of the Diamond.

CLEAR THE TRACK!!

Much has been said about buying goods for cash and selling less than others dare, no guessing &c's. We would briefly say that we have employed expressly for the purchasing of goods $60,000 and the senior partner of 25 years experience, devoting the whole of his time to the purchasing of goods by the bale and case directly from the men that make them, at low rates as any New York or Boston house can buy them, thus giving us the advantage over other houses that buy their goods of jobbing houses, of at least 3 cents on gruinier yard, and 50 cts. to $1,50 on Broad cloths and all other goods in proportion. We can and will job goods as low as any jobbing house in New York or Boston. Gents and Ladies just take a look at the piles of goods we are daily receiving from H. Cadwell and see if those things are not so. Auction goods we do not buy except to sell at auction again.

Bill.—You have told me so much that I am bound to go there and see.

John.—Now, be told on, I have not told you all yet. He has the best assortment of Collars, Shirts and Undershirts, Drawers, Pocket Handkerchiefs, Cravats, Traveling Bags and Umbrellas, I ever saw.

Bill—Now, I have but thirty-five dollars with me, but I will go and buy that much at any rate before he sells all.

John.—I bought a little, only forty five dollars worth and I can hardly carry them along; but I am going home now, to get some more money and tell all the neighbors about, for I know it is to their advantage, and you must know that most of the storekeepers keep the New York inside clothing, but he has the Cutter in the store and gets every thing made here.

Bill.—Now, I know that they don't half sew goods in N. York.

John.—And another thing he sells only for cash, and I like it first rate, for many a time I have to pay for what you get. Now, I tell what his Motto is, a good one too—"Quick Sales and Small Profits." Well good bye to you, but don't forget it is No. 1, Reed House, North side of the Diamond.
