When the Pilot is again enlarged, we shall not be discomposed for want of room. So we content ourselves with advising those who may chance to see Robinson's lecture, to take pur articles on the New Hampshire question as a comment upon Mr. Robinson's assertions. They will need no other comment, when they reflect that we are not a partizan, and that Mr. Robinson is. The deed done by him, of digging up the bines of old Gen. Perce, in order to throw them at his own son, the younger General, is inexpressibly disgusting, and it would be, even if what he ways about the dead man were true, as it is not. For example, he says that old Gen. Pierce did not know how to write or spell .-Yet he was Governor of New Hampshire. Robinson also save that the old man was "a red hot enemy of the Catholics," and to prove this, he gives a false report of the proceedings of a Convention, of which old Gen. Pierce was a member. To columnate the dead, and to do it for party; purposes is a vice deed. Our readers can judge how talse, tile whole lecture can be taken in a forward march, without the conis, -what a huge he it is, when we tell them that has since retracted, is a forgery. Why, even the Tribune admits that the letter is genuine; Robinson fürthermore says that Gen. Pierce, did not | and I beg to say, I fear so other danger." make any speech in the Convention in favor of Catholics. Our readers will remember that we pubsaked the speech, not long since. Now what can you do or say to a man of this stamy? What is the Of this, 727 miles will be straight road. Two hunu-e of trying to argue with him? Some of the pa- dred and thirty-eight miles of the road will be level; pers have published elaborate answers to his lecture; but it seems as if such an affair c hild not, by any cent will be less than ten feet to the mile, on one renders who may see the lecture to read it back tenders who may see the lecture to read it back that is to say, where Rubinson says yer, read to the taile.

The Whig Hominations. 4

We suppose k to pretty generally known to our readers that the whig conference convention, which re-assembled at Waterford as Fridey last, came to an amicable undetand increase we are enquent; increases it does not due attanding, and put in nomination Gen. John Dick, of turb us in the least. We sleep just as well, have just attanding, and put in nomination Gen. John Dick, of as good an appetite. and recautite our days in the world. Crawford, for Congress, and James Skinner, Esq. of Erie, for Sonator. This arrangement was effected by the willidrawal of Walker raturality! To the "outside barberians this result in ty seem somewhat strange, masmuch as Erie county was unquestionably entitled to the ing, but we understand that the principal orator of the Congressional nomination, and Mr. Walker, of all others, entitled, on the score precedence, to be the recepient. Erie whig, Erre county is absolutely necessary, whereas Crawford is undoubtedly D-mouratic. . Besides, Mr. Walker had made a very good run in the old district, when there rightly informed, arowed purpose of obtaining a sent in was no hope of an election, and hence, if service is this our National Bouse of Representatives, and then de-sparticular had any weight, he ought to have received the fested in it, if he should not seek to vent his rage and nomin tion! Under these circumstances, we repeat, it apleen upon some one for bat defeat; but why we should may seem strange that he was not nominated; and stran-So selected as the victim however, is to some perhaps a geratell that after being austained in his own country, he mystery. We were anxious to see him nominated; and should have all at once ab sudoned the contest, and prowe tell him now he would have been sold, like another cured the nomination of a man for Senator who had no-Joseph, on the first day his brethern met the Egyptians ver been mentioned in connexion with that post; a d from Crawford, if we had not exposed the plan and the that, too, at the expense of his friend Kelso; who was a means. Se far, therefore, Mr. Walker is our debtur. He candulate for Sengtor! We do not know certainly whethperhaps suspects the truth, however, that we did not desire er we are correct of not, but we will endeavor tompersvel to see him nominated for any love for him, or respect for this "wheel within a wheel," and see whether we canvertusement of Messra. D. Presion & Co., of Detroit, in his character or qualifications. We desired to see him not let daylight through this otherwise disk transaction. In the first place, the railroad difficulties in this country Warrants, Petsions, &c., at very reasonable rates. Pass. strating beyond dispute his extreme unpopularity. We men, a State Senator is of much more importance than a wished to bury him politically, and we'd sired as large member of Congress. To seen e one, then, became a congregation at the funeral as possible. That we the prince motive of our ratiroad men. But Walker was have been fulled in this, and that too through Walker's in the roud-he wanted to go to Congress, and, as he own well-known cowardice, has disappointed us some. had labored hight and day while in the Senate for the of although the funeral was not as large as desirable, his some means discovered to get thin out of the road, and political demine is none the less a "fixed fact." Thus give the Congression & candidate to Crawford, and secure much as an expose of the reason why we suppose this the Senstor here. It was soon found! The polyosed men ghost of a would be member of Congress, should down became rampant Walker men-they become his body it fitting and dignified to make us the subject matter of guard, his advisers, and when the county meeting was held generously chose his conferees. But now mark us -one of these conferees was a D. man, and here the light commences breaking - a Dek mag, we repeat, and we believe known to be by his who proposed him The arrangement, however failed, for we expised it too soon. It was not done we acknowledge because we hied Walker, but because we knew if nonequated he could be the O'majend Mississippi R'infroad, and ringing Cinc athat he ought to a thidraw -that he could not be nown the hard and country pro red mosdows of ill nov. the 5.4 billot, Wilker was wuhdrawn, by his own con- our country owes to the energy, wisdom, and restens the freeds of good government every where "were dold we might with Shakapeare say of him. "These hes are sent, and Dick and Skinner manusated. We know that activity of Professor O. M. Mitches like the father that begets them; gross sass monutain, the good of the party, and sell that; and perhaps he thinks position. It is the great work of the day; and well secthat is so, but we heg leave to say we don't believe a thy of the attention of the exacted hand that has stopped were mytical the first testing of the excited hand that has stooped the first testing of the excited hand that has stooped the first testing of the excited hand that has stooped the first testing of the excited hand that has stooped the first testing of the excited hand that has stooped the first testing of the excited hand that has stooped the first testing the first t

evidence, that, in this Presidential election, there is nothing to be sail. If we needed advocates, we to get ashore, is nothing to be sail. If we needed advocates, we to get ashore, is nothing to be sail. If we needed advocates, we to get ashore, we to get ashore, is nothing to be sail. If we needed advocates, we to get ashore, we that it is nothing to be sail. If we needed advocates, we to get ashore, is nothing to be sail. If we needed advocates, we to get ashore, is nothing to be sail. If we needed advocates, we to get ashore, is nothing to be sail. If we needed advocates, we to get ashore, is nothing to be sail. If we needed advocates, we to get ashore, is nothing to be sail. If we needed advocates, we to get ashore, is nothing to be sail. If we needed advocates, we to get ashore, is nothing to be sail. If we needed advocates, we to get ashore, is nothing to be sail. If we needed advocates, we to get ashore, is nothing to be sail. If we needed advocates, we to get ashore, is nothing to be sail. If we needed advocates, we to get ashore, is nothing to be sail. If we needed advocates, we to get ashore, is nothing to this sail to go unities of New restrictions and thereby endsured that instruction and thereby endsured to the sail to go unities of New restrictions and the sail to get ashore.

It is very fearful they will be get ashore, in the uniting to this sail to all controversy the total that instruction and the control of the sail that is to get ashore.

It is very fearful they will be get ashore, in the control of the sail that is to get ashore.

It is very fearful they will be get ashore, in the control of the sail that is to get ashore.

It is very fearful they will be get ashore.

It is very fearful they will be get ashore.

It is very fearful they will be get ashore.

It is very fearful they will be get ashore.

It is very fearful they will be get ashore.

It is very fearful they will be get ashore.

It is a shore, in the control of the saint of the control of the control of the control of the control
