☞ In noticing the attempt now making by the agents of the Pittsburgh and Central Rail Road companies to obtain from Gov. Bigler to commence proceedings, through the Attorney General, against the Franklin Canal Company for an alleged *infringement* of its charter, the Commonwealth makes the following liberal and just remarks:

"It is needless that the interest or the honor of the State should be served in crushing the Franklin Canal Company, by circuitous and ridiculous process. Erie county is deeply interested in the work, and her citizens are so wealthy, influential and numerous in its favor, that parties cease to influence its supporters when the question comes before the people.—No man can stand up against the general will, whoever or wherever he may be. The notion that Erie is forever to be excluded from participation in the great improvements of the day, is unjust *to the people of that region*, pernicious to the interests, as it would be disgraceful to the character of the Commonwealth. Governor Bigler is too just and wise to countenance such an attempt. The Legislature is the proper tribunal to interfere, if interference is necessary, and to secure such terms and conditions as will be advantageous to the people of Erie and the whole State. But it would be mischievous and unjust to the last extent, to break up a great work on the eve of completion, and isolate Erie, offend her citizens, and ruin the enterprise by an injunction.

Given under my hand at Erie, this 9th day of September, A. D. 1852, and of the Independence of the United States the seventy-sixth.

Erie, Sept. 15 1852. PETER E. BURTON, Sheriff.

☞ IMPORTANT RESUSCITATION.—The Washington *Union* received of the 12th inst., states that it would publish on the following day, an able card from the Hon. Daniel Jenifer, of Maryland, announcing his determination not to support Gen. Scott for President on account of his affiliation with the fanatical influences of the North. Mr. Jenifer was a distinguished whig member of Congress from Maryland for a number of years, and was our late Minister to Austria. This renunciation is a highly significant event; yet, *if there is no objection* we should like to close the door—our party is getting too large!

☞ All we want to know of a man's "honesty" is to have him estimate, as the *Gazette* does, that there were "from 1500 to 2000" in attendance at the great *mass* meeting here on the 10th. Two responsible gentlemen—neither of them politicians—counted the *mass* around the stand at different periods of Greeley's speech, and each footed about 300, leaving out the lady's and boys. Neither of these gentlemen knew that the other counted.

☞ The Erie Railroad Company are laying the wide track on the Jersey City and Ramapo Road. It will be finished as far down as Patterson; in a few weeks, and from Patterson to Jersey City early in the Spring. During the winter, the change of passengers from the wide to the narrow cars will take place at Patterson.

☞ The Rochester *Adectiser* is savage over some remarks we saw fit to make concerning the "democratic victory" in Iowa, and calls us "pig-headed" Well, perhaps we are; at any rate we intend to do our share towards *rooting out* locofocoism this fall.—*Rough Notes.*

No doubt your "intention" is as *pigish* as you represent, but you ought to know that a pig with a brass ring in its nose is no great shakes at "rooting."

DR. HOOFLAND'S GERMAN BITTERS.—That this medicine will cure liver complaint and dispepsia, no one can doubt after using it as directed. It acts specifically upon the stomach and liver; it is preferable to calomel in all bilious diseases; it acts as specifically upon the liver as calomel; *calomel* prostrates the system—the bitters strengthen and never prostrates the patient, and will give renewed life and health to the delicate invalid, and restore the liver to its functions, and give digestion and appetite in those severe cases where in the ordinary med cines fail in producing any effect. 2m16.

For the Cure of

COUGHS, COLDS,
HOARSENESS, BRONCHITIS,
WHOOPING-COUGH, CROUP
ASTHMA and CONSUMPTION

This invaluable remedy for all diseases of the THROAT and LUNGS, has attained a celebrity from its remarkable cures, never equalled by any other medicine before. Other Preparations have shown *themselves palliatives*, and sometimes effected notable cures, but none has ever so fully won the confidence of every community where it is known. After years of trial in every climate, the results have invariably shown it to possess a mastery over this dangerous class of diseases, which could not fail to attract the attention of Physicians, Patients, and the public at large.

So the statements, not of obscure individuals and from far distant places, but of men who are known and respected throughout the country.

*The widely celebrated Surgeon, Dhet Valentine Mott, of New-York City, says:*

"It gives me pleasure to certify the value and efficacy of AYER'S CHERRY PECTORAL, which I consider peculiarly efficacious in cases of disease of the throat and lungs."

Dr. PERKINS, the well known Professor of the Vermont Medical College, one of the eminently learned physicians of this country, writes, the CHERRY PECTORAL is extensively used in this section, where it has shown unmistakable evidence of its happy effects upon pulmonary diseases.

*The Rev. Jno. D. Cockrane, a distinguished Clergyman of the English Church,*

writes to the proprietor from Montreal, that "she has been cured of a severe asthmatic affection, by CHERRY PECTORAL." His letter at full length, may be found in our circular, to be had of the Agent, and is worth the attention of asthmatic sufferers.

*Thisletter is from the well known Druggist at Hallodale, Michigan, one of the largest dealers in the State, and this case is from his own observation.*

HILLSDALE, Mich., Dec. 10, 1849

Dear Sir: Immediately on receipt of your CHERRY PECTORAL, I carried a bottle to an acquaintance of mine who was thought to be near his end with a quick consumption. He was then unable to rise from his bed, and was extremely low. His friends believed he could not survive, unless relief could be obtained for him, and I induced them to give your excellent medicine a trial. I immediately left town for three weeks, and you may judge of my surprise on my return, to meet him in the street on my way home from the cars, and find he had entirely recovered. Four weeks from the day he commenced taking your medicine, he was at work at his ordinary employment.

There are other cases within my knowledge, where the CHERRY PECTORAL has been singularly successful, but none so marked as this.

Very truly yours,
G. W. UNDERWOOD.

*Hear the Patient.*

Dr. J. C. Ayer, Lowell—Dear Sir: Feeling under obligations to you for the restoration of my health, I send you a report of my case, which you are at liberty to publish for the benefit of others. Last autumn I took a bad cold, accompanied by a severe cough and made use of many medicines without obtaining relief. I was obliged to give up business. Frequently raised blood, and could get no sleep, at night. A friend gave me a bottle of your CHERRY PECTORAL, the use of which I immediately commenced according to directions. I have not pure need the fifth bottle, and am nearly recovered. I now sleep well, my cough has ceased, and all by the use of your valuable medicine.

E. S. STONE, A. M.
Principal Mt. Hope Seminary.

HANOVER, Ohio, April 3, 1850.

Dear Sir: I wish I could tell all that suffer with a cough, what your CHERRY PECTORAL has done for me. It does seem that they might be benefitted by the publication. For a long time I kept my lungs weak and inflamed; Be ng very feble and unable to gain strength at all, my friends thought I must soon sink into consumption. I had no appetite, and a dreadful cough was fast wearing me away. I began to take your beautiful medicine, by use and sec of a clergyman, who had seen its effects before. It eased my cough at first, and gave me rest at night. In less than a fortnight I could eat well, and my cough had ceased to be troublesome. My appetite improved, and strength followed, which soon restored my strength. Now after two weeks, I am well and strong, with no other help than your Cherry Pectoral.

Yours with respect
JULIA DEAN.

I hereby certify that the above statement of my wife is in conformity with my own views of her case and her cure by Ayer's Cherry Pectoral. JOSEPH DEAN.

The above named Joseph Dean and Julia, his wife, are persons fully known to me, and implicit confidence may be placed in their statement.

FOR obtaining Bounty Land, Pensions and Soldiers claims of every nature against the United States, at

DAVID PRESTON & CO'S EXCHANGE OFFICE,
*On Jefferson Avenue, 3 doors above F. & M. Bank, Detroit, Mich.*

Parties in every part of the United States and in the Province of Canada, having claims against the United States for Land, *Pensions*, or pay of *any kind* will *have their claims* promptly and properly attended to by addressing the Subscribers, "post paid."

There are many thousand persons in the United States and every county in Canada (who have served in the U. S. Army,) that have claims for Bounty Land. By an act of Congress, passed Sept 28 1850, every officer and soldier who has been in actual service in any war of the U. States (since 1790) as long as one month is entitled to 40 acres of land; 4 months service entitles them to 80 acres; 9 months to 160 acres. By an Act "approved March 3d 1837" many persons have claims for land that are not entitled under Act of Sept 28, '50.

We can not (for want of space) here enumerate the different Classes who have claims for Land, Pensions &c., under the different Acts which have been passed. Any person, who thinks they have a claim for land, or a claim of any kind against the U. S. for service rendered by theirself, or any of their relatives, can write the Agents on the case stating the circumstances and will be immediately advised, whether you have a claim or not. It is to have proper funds and information will be sent you. No fee will be charged if any case under the Claim is not obtained.—We charge but $5 for obtaining Land, $1 for $20, and $3 for the P. S.—Bounty Land Warrants are constantly bought and sold by the subscribers at the best rates; parties wishing to buy or sell will find it to their interest to advise with us. ## $500 CHALLENGE.

WHATEVER concerns the health and happiness of a people *is at all times of the most valuable importance.* I take it for granted that every person will do all in their power, to save the lives of their children and must every person will endeavor to promote their own health at all times. Effect it to be my duty to solemnly assure the public that HOMES, according to the opinion of the most celebrated physicians, are the primary causes of a large majority of diseases to which children and adults are liable: if you have an appetite continually changing like from one thing to another, Bad Breath, pain in the stomach, Picking at the Nose, Hardiness and fullness of the Belly, dry Cough, slow Fever, Pulse irregular—I remedy that all these denote WORMS.

## HOHENSACK'S WORM SYRUP.

An article founded upon *Scientific principles*, compounded with purely Vegetable substances, being recently safe when taken, and can be given to the most tender infant with the most beneficial effect, *where Bowel Complaints and Diarrhœa* have made them weak and debilitated the Tonic properties of our Worm Syrup are such, that it stands without an equal in the catalogue of medicines, in giving tone and strength to the Stomach, which makes it an infallible remedy for those afflicted with Dyspepsia, the astonishing cures performed by this Syrup after Physicians have failed, is the best evidence of its superior efficacy over all others.

## THE TAPE WORM!

This is the most difficult Worm to destroy of all that infests the human system. It grows to an almost indefinite length (is coming so coiled and fastened in the Intestines and Stomach) effecting the health so badly as to cause St. Vitus Dance, Fits, &c., that those afflicted seldom if ever suspect that it is *Tape Worm* hastening them to an early grave. In order to destroy this Worm, a very energetic treatment must be pursued, it would therefore be proper to take 3 to 5 of my Liver Pills so as to remove all obstructions that the Worm Syrup can act direct upon the Worm, which must be taken in doses of 3 Tablespoonfuls three times daily; these directions followed have never been known to fail in curing the most obstinate case of *Tape Worm.*

## HOHENSACK'S LIVER PILLS.

No part of the system is more liable to disease than the LIVER; it secreting as a filterer to purify the blood, or giving the proper secretion to the bile; so that any wrong action of the Liver effects the other important parts of the system, and results variously. In Liver Complaint, Jaundice, Dyspepsia, &c. We should, therefore, watch every symptom that might indicate the wrong action of the Liver. These Pills being composed of roots and plants furnished us by nature that the sick Nausea, &c., an expectorant, which augments the secretion from the Pulmonary mucous membrane, or promotes the discharge of effected matter 2nd an alterative, which changes to some other healthier and assimilable nature the certain morbid action of the system 3rd, a tonic which gives tone and strength to the nervous system, renewing health and vigor to all parts of the body. 4th, a cathartic, which acts in perfect harmony with the other ingredients, and operating on the Bowels, and expelling the whole mass of corrupt and vitiated matter, and purifying the blood, which destroys disease and restores health.

## TO FEMALES.

You will find these Pills an invaluable medicine in many complaints to which you are subject. In obstructions either total or partial, they have been found a most valuable benefit, restoring their functions to a regular and healthy action, purifying the blood and other fluids so effectually to put to flight all complaints which may arise from irregularity, as headache, giddiness, dimness of sight, pain in the side, back, &c.
