## POISONING.

DR. ROGERS has the honor to announce the extraordinary cures he has performed within the last few months, in cases of poisoning, where the usual remedies had been administered without success. Among the number are the following:

Mr. Hotchkiss, of Hotchkiss' Grove, was poisoned with Strychnine, and was considered by his physicians as beyond the reach of medicine, when Dr. Rogers was called in. He administered the Antidote, and in a few minutes the patient was relieved from the most excruciating pain, and in a few days was restored to perfect health.
