ERIE DAGUERREAN GALLERY,

Park Row, a few doors West of the REED HOUSE.

SHERMAN is happy to invite all who wish DAGUERREOTYPE LIKENESSES, who are at all particular what kind of pictures they have, to his new Rooms which have been built expressly for the Art. LIGHT is the great agent of the Artist, and it has been the constant study of all worthy of the name since the Art was discovered, to employ and control it in the manner best adapted to produce the most favorable results. The result of this study and of thousands of experiments is that there is not a respectable Daguerrean Gallery in the U. States where the picture is not taken in the sunshine, and that by no rule do we produce superior pictures by such a window proves his ignorance of the Art. The subscriber therefore begs leave to say that by its superior LIGHT, and with an apparatus worth six times any other in this city, he is enabled to produce pictures which cannot be equalled in this part of the country, and offers to excell any thing which can be produced in other rooms in Erie, or for fifty one hundred dollars. He has also a splendid Quick Working Camera, with which he takes children of any age. Let it be distinctly understood his pictures will not fade if properly kept.

GREAT ENGLISH REMEDY,

The most valuable Spring and Summer Medicine in the World!

HALSEY'S FOREST WINE,

PATRONIZED BY THE NOBILITY AND MEDICAL FACULTY OF ENGLAND, AND ESTEEMED THE MOST EXTRAORDINARY IN THE WORLD.

MEDICINES containing molasses or liquorice, like the boasted Sarsaparillas, require many large bottles to produce the slightest change in health. The Forest Wine is altogether a different article. It contains no syrups to give it consistency, but acquires its excellent flavor and powerful medicinal qualities from the vegetable plants of which it is composed. The Forest Wine combines the virtues of the *Wild Cherry, Dandelion, Yellow Dock, and Sarsaparilla*, with other valuable plants whose properties are still more powerful. Its high concentration renders it one of the most efficient medicine now in use: Less than a single bottle restores the lingering patient from weakness, debility, and sickness, to strong and vigorous health. The Forest Wine is recommended, in the strongest terms, for all complaints of the *Stomach, Liver, Kidneys, Nervous Disorders, Bilious Affections, Dropsy, Dyspepsia, Loss of Appetite, Jaundice, Female Complaints, Scrofula*, and all Disorders arising from BAD BLOOD, and impure habits of the system.

SAVED FROM DEATH!!!

Testimony of Mr. Nathan Matthews, a highly respectable and wealthy citizen of Newark, N. J.

Dr. G. W. Halsey:—I believe your Forest Wine and Pills have been the means of saving my life. When I commenced taking them, I laid at the point of death, with Dropsy, Piles, and Asthma. My physicians had given me over as past recovery. While in the dreadful situation your Forest Wine and Pills were procured for me, and before I had finished the first bottle of the Wine and box of Pills, I experienced great relief; my body and limbs, which were greatly swollen, became sensibly reduced. Hopes of my recovery began now to revive, and after continuing the use of your medicines for about a month, the Piles and Asthma were completely cured. The Dropsy, with which my life was placed in such great danger, was also nearly gone. I have continued the use of your medicines until the present time, and I now enjoy as perfect health as ever I did in my life, although I am more than sixty years of age. I ascribe my recovery entirely to the use of your excellent medicines. Several of my neighbors have also used them with similar success in obstinate complaints, and I can cheerfully recommend them to the public.

Newark N. J. Dec. 19 1847. 6 ours, &c, N. MATHEWS.

GREAT CURE OF A LIVER COMPLAINT OF TEN YEARS STANDING!

New York, Jan. 9 1852.

Dr. Halsey, Dear Sir:—Having taken your Forest Wine and Pills two months a disease of the Liver, from which I have suffered *severely for upwards of ten years*, and having adhered closely to the directions which accompany the medicines, I have recovered my health, notwithstanding all who knew me thought my case incurable. Previous to taking the Wine and Pills, I had recourse to the best medical treatment, but continued to grow worse to an alarming degree. Some of my friends spoke despairingly of my case, and tried to persuade me from making use of any advertised remedies; and, I doubt not, but what there are hundreds who are dissuaded from taking your excellent medicines, in consequence of the deception and inefficiency of many advertised remedies put forth by unprincipled men, in framing advertisements. But, what a pity it is, that the deception used by others, should be the means of dissuading many laboring under disease, from making trial and being cured by your excellent remedies. Humanity speaking, they have saved my life; when I commenced making use of them, I was in a perfect condition, but began to experience their good effects in less than three days; and, in six weeks from the time I purchased the medicines, to the great surprise of all my friends, I was entirely cured, and had increased 15 pounds in weight, having taken one box of the Pills, and two bottles of the Wine. Would to God that every poor sufferer would avail himself of the same remedies. Yours, &c. JAMES WILSON.

Dr. David Marsh, a celebrated practitioner of New York, declared publicly, that two bottles of Halsey's Forest Wine contained more virtues than 50 of the large bottles of Sarsaparilla. Messrs. S. S. Sampson & Co., the largest and most respectable druggists in Syracuse, in 24 hours says: "From what they have heard and seen of Halsey's Forest Wine, it is an excellent and good medicine, and will undoubtedly become the leading medicine of the day." Dr. Mott, of New York, also subscribes to the virtues of Halsey's Forest Wine, for many of his patients. Such hundred certificates from physicians, clergymen, and individuals, of known respectability, have been given, testifying to the great cures made by "Dr Halsey's Forest Wine and Pills." Among them is the cure of Mr. John Sykes, of 323 Pearl st. New York,—cured of affection of the Liver, and bad cough, after having been given over by his physicians, who pronounced his case seated Consumption. A child of Mr. William Bowers, Broadway, New York, was perfectly relieved and cured with Scrofula, of four years standing, cured in less than six weeks time. Mary J. Brown, daughter of Rev James R. Brown, of Disease of the heart, and incipient Consumption. Others of Jaundice, others of Piles, others of General Debility, others of Gravel Female Complaints, &c. Dr. Halsey's Office, No. 380 Broadway New York. The Forest Wine in large square bottles, $1 per bottle: six bottles for $5 Gum-coated Forest Pills, 25 cents per box. DR. MARCHISI'S UTERINE CATHOLICON.

THE discovery of the above preparation has established a new era in the history of the healing art; it is, in truth one of the greatest Medical discoveries of the age, because it will cure more than nine-tenths of a class of distressing diseases incidental to females in every stage of life, and which have heretofore resisted the best efforts of the Medical profession in all countries, to a degree beyond that of almost every other malady to which any portion of the human family is heir. The diseases to which we refer are usually known by the term of

Female Complaints,

and comprises all the derangements to which females are liable from the first appearance of menstruation. Among these are Prolapsus Uteri, or Falling of the Womb; Chronic Inflammation and Ulceration of the Womb; Incidental Hemorrhage, or Flooding; Fluor Albus, or Whites; Chlorosis; Painful, Suppressed, and Irregular Menstruation, &c., with all their accompanying devolvements, (cancer excepted,) of whatever duration and severity. All these complaints can be pleasantly, safely, and certainly remedied by this preparation.

The claims of this Medicine to the confidence of the public are strengthened by the fact of its having received the approbation and liberal patronage of many prominent members of the Medical faculty in the United States, some of whom have voluntarily given letters of commendation, (see pamphlet,) sustaining all that is claimed for the Catholicon as a cure, in the case.

Pamphlets containing much useful information touching the nature and symptoms of the above diseases, together with testimonials from ladies of the highest respectability, as certified by the most satisfactory authority in the pamphlet, to all which the attention of Ladies and Practitioners is respectfully invited, can be had gratis at the store of CARTER & BROTHER.
