ERIE DAGUERREAN GALLERY,

Park Row, a few doors West of the REED HOUSE.

SHERMAN is happy to inform all who wish DAGUERREOTYPE LIKENESSES, who are at all particular what kind of pictures they have, of the new Rooms which have been built expressly for the Art. LIGHT is the great agent of the Picture, and it has been the constant study of all worthy of the name since the Art was discovered, to employ and control it in the manner best adapted to produce the most favorable results. The result of this study and of thousands of experiments is that there is not a respectable or permanent Gallery in the U. States where the pictures are made by a common window, and he who says he can produce superior pictures by such a window, is either ignorant or deceives. The subscriber therefore begs leave to say that by his superior LIGHT, and with an apparatus worth six times any other in this city he is enabled to produce pictures which cannot be equelled in this part of the country, and offers to excel any thing which can be produced in other rooms, in Erie, or forfeit one hundred dollars. He has also a splendid Quick Working Camera, with which he takes children of any age. Call and satisfy yourself that we do not impose upon you. Groceries! Groceries!!

SIEGEL & KELSEY have opened at No. 4 Wright's Block a very extensive assortment of Groceries of every kind and quality and so low as they sell them at present low prices, there is no longer excuse for any necessity for county Merchants or others, to go to the eastern cities for their supplies, for they can purchase of them at such low prices as will enable them to save the time and money they would necessarily expend going to New York and back, say nothing of the saving in transportation which is of itself as small profit. We hope in order to test the truth of the above that all will call and examine our goods and prices, but don't get into the wrong shops; recollect the name and number, Siegel & Kelsey, No. 4, Wright's block State street Erie Pa.

DR. MARCHISI'S UTERINE CATHOLICON.

THE discovery of the above pre_aration has established a new era in the history of the healing art; it is, in truth one of the greatest Medical discoveries of the age, because it will cure more than nine-tenths of a class of distressing diseases incidental to females in every stage of life, and which have heretofore resisted the best efforts of the Medical *profession in all countries*, to a degree beyond that of almost every other malady to which any portion of the human family is heir. The diseases to which we refer are usually known by the term of

Female Complaints,

and comprises all the derangements to which females are liable from the formation of their organization. Among these are Prolapsus Uteri, or Falling of the Womb; Chronic Inflammation and Ulceration of the Womb; Incidental Hæmorrhage, or Flooding; Fluor Albus, or Whites; Chlorosis or Painful, Suppressed, and Irregular Menstruation, &c., with all their necessary long train of evils, (cancer excepted,) of whatever nature and kind. All these complaints can be pleasantly, safely, and certainly relieved by the use of

DR. MARCHISI'S UTERINE CATHOLICON.

The claims of this Medicine to the confidence of the public are strengthened by the fact of its having received the approbation and liberal patronage of many prominent members of the Medical faculty in the United States, some of whom have voluntarily given letters of commendation, (see pamphlet,) sustaining all that is claimed for the Catholicon as a cure for the above complaints.

Pamphlets containing much useful information touching the nature and symptoms of the above diseases, together with testimonials from Ladies of the highest respectability, as certified by the most satisfactory authority in the pamphlet, to all which the attention of Ladies and Practitioners is respectfully invited, can be had gratis at the store of CARTER & BROTHER,

FISK'S PATENT METALIC BURIAL CASES.

THE Undersigned having secured the exclusive Agency for the sale of the above named Burial Cases, for Erie County, and deeming the article one which depends solely upon its own merits would respectfully solicit an inspection of the same at the

Ready-Made Coffin Ware-Room.

East side of State between 7 and 8 sts., over the Storm Iron Company's store where satisfactory references and testimonials as to their practical utility can be given, which together with personal inspection cannot but recommend them to the favorable consideration of all those who in the dispensation of Divine Providence have occasion for the use of a Coffin. The undersigned would here add that these cases are of a classic form, and contrast in unison, to the quietness of a human body, are highly ornamental, and regarded as less repulsive more beautiful and unique in appearance, than any other article used as receptacles for the dead; they are made of the most imperishable materials, are entirely air-tight, and so arranged that corruption when once sucured together are perfectly air-tight, prevents the exhalation of offensive gases, so that when desired the remains can be kept for weeks before burial, awaiting the arrival of absent friends; they are light and portable, at the same time being more or less curvilinear, they possess more than sufficient strength to resist all the pressure of gasses from the body, which they are designed to confine in; the hinges may be fastened even after a lapse of many years, and removed to any part of the country, without the slightest disagreeable odor arising from them.

In the use of these Burial Cases, the grateful reflection is afforded to surviving friends and relatives, that the mortal remains of those once dearly beloved are enclosed and deposited where they will remain in peace, free from the intrusion of water, the depredations of reptiles, and consequently beyond the unhallowed desecration of the resurrectionist, and will be permitted to undergo a transformation, or return to their native elements, from natural causes alone.

☞ The undersigned has constantly on hand and for sale at his ware rooms as above Rose-wood, Mahogany, Black walnut, cloth covered, and all kinds of cheaper Coffins of all sizes all ready for immediate use, also a shrouds of all sizes for both sexes.

HURRAH FOR THE CHEAP CROCKERY STORE.

BILL.—Why, John what do you hallo for?

John.—O! I should tell you all about it if you would but be worse than I did.

Bill.—Then tell me quick.

John.—Why, I've been to JACOB KOCH'S Clothing Store, No. 7, Reed House, and such a sight, and such a selling, and such a crowd you never saw before. He sells Clothing twenty-five per cent cheaper than any other store this side of New York.

Bill.—Well, what has he got?

John.—He has all kinds of Coats you can imagine, from a fine black Dress Coat down to a linen Coat; and in Vests he can't be beat. He has Satin Vests of all kinds, and has Velvet and Cloth Vests also, the best and neatest you ever saw—and he has the greatest assortment of Pants, in Erie, and he has them cheap. Pants, that new style just come out this Spring, and what else do you think he has? Why, a whole lot of Cloths, Cassimeres and Vestings, and a man can go and get his measure taken for a whole suit for little or nothing.

Bill.—You have told me so much that I am bound to go there and buy.

John.—Now, hold on, I have not told you all yet. He has the best assortment of Collars, Shirts, Undershirts, Drawers, Pocket Handkerchiefs, Cravats, Traveling Bags and Umbrellas I ever saw.

Bill.—Now, I have but thirty-five dollars with me, but I will go and buy that much at any rate before he sells all.

John.—I bought a little, only forty five dollars worth and I can hardly carry them about but I am going home now, to get some more money and tell all the neighbors about it, for I know it to their advantage, and you must know that most of the storekeepers keep the New York Cash Clothing, but he has the Cutter in the store and gets every thing made here.

Bill.—Now, I know that they don't half sew goods in N. York.

John.—And another thing he sells only for cash, and I like it first rate, because it is always best to pay for what you get. Now, I will use his Motto in a good one too—Quick Sales and Small Profits.—Well good bye to you, but don't forget it is No. 7, Reed House, North side of the Diamond.

GREAT ENGLISH REMEDY,

The most valuable Spring and Summer Medicine in the World!

HALSEY'S FOREST WINE.

PATRONIZED BY THE NOBILITY AND MEDICAL FACULTY OF ENGLAND, AND ESTEEMED THE MOST EXTRAORDINARY IN THE WORLD.

MEDICINES containing molasses or liquorice, like the boasted Sarsaparillas, require many large bottles to produce the slightest change in health. The Forest Wine is altogether a different article. It contains no syrups to give it consistency, but acquires its excellent flavor and powerful medicinal qualities from the vegitable plants of which it is composed. The Forest Wine combines the virtues of the *Wild Cherry, Dandelion, Yellow Dock, and Sarsaparilla*, with other valuable plants whose properties are still more powerful. Its high concentration renders it one of the most efficient medicine now in use. Less than a single bottle restores the lingering patient from weakness, debility, and sickness, to strong and vigorous health. The Forest Wine is recommended, in the strongest terms, for all complaints of the *Stomach, Liver, Kidneys, Nervous Disorders, Bilious Affections, Dropsy, Dyspepsia, Loss of Appetite, Jaundice, Female Complaints, Scrofula*, and all Disorders arising from BAD BLOOD, and impure habits of the system.

SAVED FROM DEATH!!!

Testimony of Mr. Nathan Matthews, a highly respectable and wealthy citizen of Newark, N. J.

To G. W. Halsey—I believe your Forest Wine and Pills have been the means of saving my life. When I commenced taking them, I laid at the point of death, with Dropsy, Piles, and Asthma. My physicians had given me over as past recovery. While in this dreadful situation your Forest Wine and Pills were procured for me, and before I had finished the first bottle of the Wine and box of Pills, I experienced great relief; my body and limbs, which were greatly swollen, became sensibly reduced. Hopes of my recovery began now to revive, and after continuing the use of your medicines for about a month, the Piles and Asthma were completely cured. The Dropsy, with which my life was placed in such great danger, was also nearly gone. I have continued the use of your medicines until the present time, and I now enjoy as perfect health as ever I did in my life, although I am more than sixty years of age. I ascribe my recovery entirely to the use of your excellent medicines. Several of my neighbors have also
