REED HOUSE.

SHERMAN respectfully invite all who wish DAGUERREOTYPE LIKENESSES, where in all particular what kind of pictures they have, to his new Rooms which have been long prepared for the Art. LIGHT is the great agent of the Artist, and it has been the constant study of all worthy of the name since the Art was discovered, to employ and control it in the manner best adapted to produce the most favorable results. The result of this study and the daily experiments of the Artist, has led to a new and superior Gallery in which all pictures are taken, are made by a common window, and he who says he can produce superior pictures by such a window proves his ignorance of the Art. The subscriber therefore begs leave to say that by his superior LIGHT, and with an apparatus worth six times any other in this city, he is enabled to produce pictures which cannot be excelled in the finish or the quality, and offers to sell any picture which can be produced in other rooms, or forfeit one hundred dollars. He has also a splendid Quick Working Camera, with which he takes children of any age. Let it be distinctly understood his pictures will not fade if properly kept.

GREAT ENGLISH REMEDY,

The most valuable Spring and Summer Medicine in the World!

HALSEY'S FOREST WINE,

PATRONIZED BY THE NOBILITY AND MEDICAL FACULTY OF ENGLAND, AND ESTEEMED THE MOST EXTRAORDINARY IN THE WORLD.

MEDICINES containing molasses of liquorice, like the boasted sarsaparillas, require many large bottles to produce the slightest change in health. The Forest Wine is altogether a different article. It contains no syrups to give it consistency, but acquires its excellent flavor and powerful medicinal qualities from the vegitable plants of which it is composed. The Forest Wine combines the virtues of the *Wild Cherry, Dandelion, Yellow Dock, and Sarsaparilla*, with other valuable plants whose properties are still more powerful. Its high concentration renders it one of the most efficient medicines now in use. Less than a single bottle restores the lingering patient from weakness, debility, and sickness, to strong and vigorous health. The Forest Wine is recommended, in the strongest terms, for all complaints of the *Stomach, Liver, Kidneys, Nervous Disorders, Bilious Affections, Dropsy, Dyspepsia, Loss of Appetite, Jaundice, Female Complaints, Scrofula*, and all disorders arising from BAD BLOOD, and impure habits of the system.

SAVED FROM DEATH!!!

Testimony of Mr. Nathan Matthews, a highly respectable and wealthy citizen of Newark, N. J.

Dr. G. W. Halsey:—I believe your Forest Wine and Pills have been the means of saving my life. When I commenced taking them, I was at the point of death, with Dropsy, Piles, and Asthma. My physicians had given me over as past recovery. While in this dreadful situation your Forest Wine and Pills were procured for me, and before I had finished the first bottle of the Wine and Pills, I experienced great relief; my body and limbs, which were greatly swollen, became much reduced. Hopes of my recovery began now to revive, and I continued taking the medicine for about a month, when the Piles and Asthma were completely cured. The Dropsy, with which my life was placed in such great danger, was also nearly gone. I have continued the use of your medicines until the present time, and I now enjoy as perfect health as ever I did in my life, although I am more than sixty years of age. I ascribe my recovery entirely to the use of your excellent medicine. Several of my neighbors whom I have since found them with similar success in obstinate complaints, and I can cheerfully recommend them to the public.

Newark N. J. Dec. 19 1847. Years, &c., N. MATTHEWS.

GREAT CURE OF LIVER COMPLAINT OF TEN YEARS STANDING!

NEW YORK, Jan. 9 1848.

Dr. Halsey, Dear Sir:—Having taken your Forest Wine and Pills for above a dis ase of the Liver, from which I have suffered seventeen or upwards of ten years, and having altered closely to the directions which accompany the medicines, I have recovered my health, now (thanking all who knew me thought my case incurable. Previous to taking the Wine and Pills, I had recourse to the last medical treatment, but continued to grow worse in an alarming degree. Some of my friends spoke despairingly of my case, and tried to persuade me from making use of any advertised remedies; and, I doubt not, but that there are hundreds who are dissuaded from taking your excellent medicines, in consequence of the deception and inefficiency of many advertised remedies put forth by unprincipled men, in finding advertisements. But, in that a pity it is, that the deception use is by others, should be known, and I am willing to make known the wonderful cures effected by using your excellent remedies. Humanly speaking, they have saved my life; when I commenced making use of them, I was in a wretched condition, but began to experience their good effects in less than three days, and in six weeks from the time I purchased the medicines, to the great surprise of all my friends, myself, and my physicians, I increased 15 pounds in weight, having taken one box of the Pills, and two bottles of the Wine. I want to God that every poor sufferer would avail himself of the same remedies. Yours, &c. JAMES WILSON.

Dr. David Morris, a celebrated practicing Doctor of New York, declared publicly, that after both of Halsey's Forest Wine contained more virtues than 57 of the large bottle of Sarsaparilla. Messrs. Sanger's & Co., the two most respectable druggists in Syracuse, in a late letter says: "From what they have heard and seen of Halsey's Forest Wine, it is an excellent and good medicine, and will and ought to become the leading medicine of the day." Dr. Morton of New York, also subscribes to the virtues of Halsey's Forest Wine, by expressing it to be one of the genuine, and in his practice, of known respectability, have been gratifying to the great cures made by "Dr Halsey's Forest Wine and Pills." Among them is the cure of Mr. John Sykes, of 325 Pearl st. New York.—a case of an affection of the Liver, and had cough, after having been given over by the Doctors, was pronounced a case incurable. Also, the case of Mr. William Bowers, Broadway, New York, who had been dreadfully afflicted with Scrotula, of four years standing, cured in less than six weeks time. Mary J Brown, daughter of Rev James R. Brown, of Decatur st. the hair, and incipient Consumption. Others of Saunders, others of Police, others of General Infirmary, Calvert Tunnie Competing, &c. &c. Office, No. 386 Broadway New York. The Forest Wine in large square bottles, $1 per bottle; six bottles for $5. Concealed Forest Pills, 25 cents per box. For sale by the appointed agents in Erie, CARTER & BROTHER. August 7 1852 1y13. Agents.

Groceries! Groceries!!

SIEGEL & KELSEY have opened at No. 4 Wright's Block a very extensive assortment of Groceries of every kind and quality and so long as they sell them at their present low prices, there no longer existed any necessity for any Merchants or others, to go to the eastern cities, for their supplies, for they can purchase of them at such low prices as will enable them to save the time and money they would necessarily expend going to New York and back, say nothing of the saving in transportation which is of itself a small profit. We hope in order to test the truth of the above to receive a call and examine our goods and prices, but don't go into the wrong shop to effect the object and number, Siegel & Kelsey, No. 4 Wright's Block State Street Erie Pa.

DR. MARCHISI'S UTERINE CATHOLICON.

THE discovery of the above preparation has established a new era in the history of the healing art; it is, in truth one of the greatest Medical discoveries of the age, because it will cure more than nine-tenths of a class of distressing diseases incidental to females in every stage of life, and which have heretore resisted the best efforts of the Medical profession in all countries, to a degree beyond that of almost every other malady to which any portion of the human family is liable. The diseases to which we refer are usually known by the term of

Female Complaints,

and comprises all the derangements to which females are liable in their organization. Among these are Prolapsus Uteri, or Falling of the Womb; Chronic Inflammation and Ulceration of the Womb; Incidental Hemorrhage, or Flooding; Fluor Albus, or Whites; Chronic, Painful, Suppressed, and Irregular Menstruation, &c., with all their accompanying diseases, (cancer excepted,) of whatever education and severity. All these complaints can be pleasantly, safely, and certainly removed by the use of this remedy.

The claims of this Medicine to the confidence of the public are strengthened by the fact of its having received the approbation and liberal patronage of many prominent members of the Medical faculty in the United States, some of whom have voluntarily given letters of commendation, (see pamphlets) sustaining all that is claimed for the Catholicon as a curative agent.

Pamphlets containing much useful information touching the nature and symptoms of the above diseases, together with testimonials from ladies of the highest respectability, as certified by the most satisfactory authority in the pamphlet, to all which the attention of ladies and Practitioners is respectfully invited, can be had gratis at the store of CARTER & BROTHER,

Druggists.
