Messre, E. C. & J. Biddle. Fitisburgh, April 14 163? Gentlemen: "Duulap's Conveyancing and Forms" is a work of decided merit. I am glad to find that it is to be reproduced, with many valuable additions : It should be in the hands not only of lawyers and magintrates, but of the basiness community general-ly. There is searcely a position in life in which a man will not occasionally find himself in need of the assistance of such a work.
