Gentlemen : The collections of court forms for conveyance inst, fac., which had been in use previous to the publication of line-lap's work in 1-45, needed revision to make them convenient, and to adapt them to changes which legislation had rendered nee-essary in the practice in the courts in Feansylvania. Your edition of the tegal profession, and supplied a want which was felt by business men generally throughout the Plate. After the numerous restimotivials which you have received from emment judges, in respect to the usefulness and excellence of that work, commendation of it from me would be superfluous. I may be permitted, how ever, intremark that I approve of the general character and arrangement of the work, and, having ex-amined a portion of the new edition which you are publishing.
