HERE IS YOUR REMEDY. HOLLOWAY'S OINTMENT.

A MOST MIRACULOUS CURE OF BAD LEGS, AFTER 43 TE INS SUFFERING. often read your advertisements, and advised her to try your fills and Ointment; and, as a la t resource, after every other remery and Ofintment; and, as a last resource, after every other remerly had proved useless, she consented to do so. She commenced set weeks ago, and, strange to relate, is now in good health. Her legs are paintess, without seam or sear, and sleep is sound and undisturbed. Co i'd you have witnessed the sufferings of my wife during the 40 years, and contrast then with her pleasant enjoyment of health, you would indeed feel delighted in having been the means of so greatly alleviating the saferings of a fellow creature.

(Signed) WILLIAM GALPIN. A PERSON 70 YEARS OF AGE CURED OF A BAD LEG, OF

THIRTY YEARS STANDING.

Copy of a Letter from Mr. William Abbs, Entitler of Gus Orens, of Rushches, near Huddersfield, dated May Mist, 1-31.

To Professor Holloway, Sir-1 suffered for a period of 30 years from a bad leg, the result of two or three different accidents at Gas Works: accompanied by corabute symptoms. I had recourse to a variety of medical advice, without deriving any benefit, and was even told that the leg must be amputated, yet, in opposition to that opinion, your Pulls and Omntment have effected a complete cure in so short a time, that few who had not withused it would excit the first. (Signea) W.M. ABis.

The truth of this statement can be vehicled by Mr. W. P. Eligand, Chomist 13 Market-11. Huddersfield. THIRTY YEARS STANDING. and, themist is Market-st. Huddersheld.

MORE THAN TWELVE HUMBRED FOR S.
For practice in the Courts of Pennsylvania and of the United Blates, and for Conveyancing: also for the use of Public Officers and Men of Business generally. Adapted to the recent acts of arsembly of Pennsylvania, with explanatory remarks and numerous precedents and references to standard authorities. To which are appended a thousary of Law terms and a copious index. By James D. Dunlap, Counsellor at Law, &c. Second Edition. Price-Pour Itoliars

The publishers have aircady received from hearty all of the President Junior of our Suits, and from other gentleman emission.

President Judges of our state, and from other gentlemnue much in the legal prefeston, their opinions of the work, which are of a highly complimentary nature. The following are selected from a large number of an equally favorable character a large number of an equally favorable character—
Wellsborough, April 9 1832.
Gentlemen: The collections of court forms in conveyancing, &c., which had been in ass previous to the publication of Dunlap's work in 1845, needed revision to make them convenient, and to adapt them to changes which ferilation had rendered accessary in the practice in the courts in Pennsylvania.

Your edition of that work therefore received, as it merited, the approbation of the legal-prefession, and supplied a want which was felt by fusiness men generally throughout the State. was felt by business men generally throughout the State.

After the numerous testimoutals which you have received from eminent judges, in respect to it e usefulness and excellence of that work, commendation of it from me would be superfluore.

that work, commendation of it from me would be superfluous.

I may be permitted, however, to remark that I approve of the general character and organgement of the work, and, having examined a portion of the new clittin which you are publishing. I may add that the author has greatly enlarged and improved his first edution, and that, when published, his book will be the most convenient and useful one of the kind extant.

Very truly yours, &c.,

Messre, D. C. & f. Biddle,

Pittsburgh, April 12 1959.

Gentlemen: "Dunlaps Conveyancing and Forms" is a work of Pittsburgh, April 1869.

Gentlemen: "Dunlaps Conveyancing and Forms" is a work of decided merit. I am glad to find that it is to be reproduced, with many valuable a fditions. It should be in the hands not only of lawyers and magistrates, but of the business community generally. There is scarcely a position in the in which a man will not occusionally find himself in reed of the assistance of each a work. I hope the author may be abundantly renumerated for the earning and industry bestowed spas it

With great respect, yours, &c.

Messrs, E. C. & J. B. dilic.

Green-burgh, April 9, 1952.

Gentlemens, You have favored me with the printed sheets, from

Green-burgh, April 9, 1952.

Gentlemea: You have flavored me with the printed sheets, from page 8 to 13d inclusive, of the second edition of Mr. Dunlap's Book of Forms. I am pleased to learn that a record edition of his work is about being issued. It has been, and now is, one of the best works of the kind in the hands of the profession, and is evidently much improved by the author's revision and additions.

I have the pleasure of an acquaintance with Mr. Dunlap Lie is a gentlemen whose restrictable professional attainments and methodical habit of mind fit him well to be the author of such a work. I shall not bestate to recommend it to the gentlemen of the Bar in the 10th district.

work. I shall not herefate to recommend it to the gentlemen of the Bar in the 10th district. Very respectfully, &c... Mesure. E. C. & J. Biddle. J. M. BURRELL. Huntingdon, April 23 1552 Gentlemen: Important changes in our statutes, since the publication of "Dunlap's Conveyancing and Forms," scene to call for some enlargements of shale excellent and highly useful work—The cultion which you are about to publish, embodying as it does a very large amount of new and varied matter, and temg so well adapted to general and present wants, cannot fair to be greeted with a cordial welcome by the profession.

A familiar acquaintance with the work, and a careful examination of the sheets of the Corpson for the cultion and content of the strength to forthcoming edition.

nation of the sheets of the forthcoming edition, enable me to recommend it, with great confidence, as a book which should be in the hands of every service, and have an early place in the library of every gentleman engaged in the practice of the law.

Mersis, R. C. & J. Biddle.

May 22, 1852. FISK'S PATENT METALIC BURIAL CASES.

FIGURE Undersigned having secured the exclusive Agency for the sale of the above named Burial Cases, for Eric County, and decoming the article one which depends solely upon its own ments would respectfully solicit an inspection of the came at his

East side of Sinte between 7 and 8 sts, over the Sharen Iron Company's fiture where satisfactory references and testimonials as to their practical utility can be given, which together with a personal inspection cannot but recommend them to the favorable consideration of all those who in the dispensation of Divine Providence have eccasion for the use of a Coffin. The understands would here and that these cases are of a classic form, and are enameted inside and out, so as not to rust or corrode and when comented together are perfectly intright, preventing the exhalation of offensive gases, so that when desired the remains can be kept for weeks before burial, awaiting the arrival of absent friends; they are light and portable, at the same time being more or less curvilinear, they possess more than sufficient strength to resist all the pressure of gasses from the body, which they are a lapse of many years, and removed to any part of the country, without the slightest disagreeable odor arising from them.

In the use of these Burial Cases, the gratifying reflection is afforded to surviving friends and relatives, that the mortal remains of those once dearly beloved are enclosed and deposited where they will remain in pence, tree from the irruption of water, the

they will remain in peace, tree from the irruption of water, the depredations of vermin, and comparatively beyond the unhalral causes alone.

17 The undersigned has constantly on hand and for sale at his ware rooms as above Rose-wood Malegen, lilack-walnut cloth covered, and all kinds of cheaper Ceftes of all sizes all ready for numediate use, also; throuds of all sizes for both sexes N.B. He is prepared to take the general superintendance of funerals, and furnish Hearse and Carriages if desired.

Eric July 17 1652. 10 ALLEN A. CRAIG.

EYE INFIRMARY. DR. C. J. FOX, of New York City, has located permanently in the city of Eric, for the treatment and cure of Diseases of the Eye, in all their varieties and stages. Having assisted and been in active practice for several years in the various depart-ments of the science of Medicine, he flatters himself that all diseases admitting of cure u.a.y be accomplished under his eniment.

MAN BED CHATLENUS . 20 WHATEVER concerns the health and happiness of a people V is at all times of the most valuable importance. I take it for granted that every person will do all in their power, to save the lives of their children, and that every person will endeaver to promote their own braith at all sacrifices. I feel it to be my duty to solemnly assure you that WORMS, according to the opinion of the most selectioned this accordance when the most selection definition on the live of the most selection definition. ion of the most celebrated physicians, are the primary causes of a large majority of diseases to which children and adults are highler if you have an appetite continually cheig, able from one thing to another. Bud Breath, pain in the stomach. Ficking at the Nose, thardiness and failness of the Belly, dry Cough, slow Fever, Pulse irregular—remember that all there do nate WORMS, HOBENSACK'S WORM SYRUP.

As article faunced upon Scientific principles, compounded with purely vertiable substances, being perfectly ande when the few and can be given to the most fender infant with described with purely vertiable substances, this giveneety sink when taken, and can be given to the most tender Infant with described beneficial-effect, where Boxel Complaints and Diarrhea have made them weak and deblitated the Tonic properties of my Worm Sprup are such, that it stands without an equal in the catalogue of medicines, in giver gione and strength to the Stomach, which makes it an Infallible remedy for these afflicted with springs in, the nationishing cures performed by this Syrup after hysicians have failed, is the best evidence of its superior effica-

HODENSACK'S LIVER PILLS.

No part of the system is more liable to disease than the LiVER, it serving as a filterer to purify the blood, or giving the proper secretion to the bite; so that any wrong action of the Liver effects the other important parts of the system, and results variously. In Liver Complaint, Jaundice, Dyspepsia, &c. We should, therefore, which every symptom that might indicate the wrong action of the Liver. These Pills leing composed of mours and putting furnished by nature to heal the sick; Namely, bt, an expectoraxit, which augments the secretion from the Palmonary mucus incultrane, or promotes the discharge of secreted matter. Mad, an altigrative, which changes in some mexplicable at dinscusible manner the certain morbifaction of the system. Tenewing which gives toge and strength to the nervous system, renewing manner the certain moral faction of the system. July a Toxio which gives tone and strength to the nervous system, renewing health and vizor to all parts of the lody. 4th, a cathabtic, which acts in perfect barmony with the other ingredients, and operating on the Bowels, and expelling the whole mass of corrupt and vitiated matter, and purifying the blood, which destroys discare and restores health.

TO FEMALES. You will find these Pills an invaluable medicine in many com-plaints to which you are subject. In obstructions either total or partial, they have been found of inestimable benefit, restoring their functional arrangements to a healthy action, purifying the blood and other fluids so effectually to put to flight all complaints which may arree from female irregularity, as headache, giddiblood and other fluids so effectually to put to flight all complaints which may arise from female irregularity, as headache, guidiness, dimners of sight, pain in the ride, back, &c.
