How to Manage the Lamps.

Here are rules which will make a lamp light a delight, and not a smoking, oily nuisance:

Never let the wick grow very short. Supply a fresh one when the old one seems clogged and stiff.

Do not cut the wick. Rub the charred portion from it with a soft rag each day and never fill it quite full. Let there be at least an inch and a half free at the top of the tank.

Wipe the outside of the oil tank and of the whole lamp perfectly dry. The oily exterior is a frequent cause of disagreeable odors.

Wash the chimney every day and the shade, if it is of glass or porcelain, at least once a week. Dry the chimney with the regular cloth and polish with soft newspapers or chamois.

Once a month boil the burners in vinegar. A burner treated to this bath and dried thoroughly, supplied with a fresh wick, gives a light by which it is a pleasure to read, write or sew.

Beats the Klondike.

Mr. A. C. Thomas, of Marysville, Tex., has found a more valuable discovery than has yet been made in the Klondike. For years he has suffered untold agony from consumption, accompanied by hemorrhages; and was absolutely cured by Dr. King's New Discovery for Consumption, Coughs and Colds. He declares that gold is of little value in comparison with this marvelous cure, would have it, even if it costs a hundred dollars a bottle. Asthma, bronchitis and all throat and lung affections are positively cured by Dr. King's New Discovery for Consumption. Trial bottles free at L. Taggart's drug store. Regular size 50c and \$1.00. Guaranteed to cure or price refunded.
