

Old Reliable Drug Store.

Owing to the very liberal patronage I have had from our people and in view of the hard times I will until MAY 1st, reduce the price of Physicians Prescriptions as follows, viz:

- All 1 oz. mixtures, regular price, 20 to 15
- All 2 oz. mixtures, regular price, 25 to 19
- All 3 oz. mixtures, regular price, 35 to 25
- All 4 oz. mixtures, regular price, 45 to 30
- All 6 oz. mixtures, regular price, 65 to 50
- All 8 oz. mixtures, regular price, 85 to 65

And a corresponding reduction on all packages of Powders, Pills, Ointments. Also liberal discount on all Patent Medicines, Baby Foods, Perfumes, Toilet and Fancy Articles and extra liberal discount on Fountain Syringes, Hot Water Bottles, Atomizers and Nursing Bottles.

I will guarantee my goods to be strictly fresh and equal to any goods in the market.

Thirty years experience in the town of Emporium is sufficient evidence of competency. If you wish to avail yourself of the liberal offer, leave your Physicians' Prescriptions and drug trade in general at the OLD RELIABLE DRUG STORE.

School Tax.

In answer to a letter from the Department of Public Instruction, the Attorney-General's Department rules that school boards have authority to assess and levy taxes for school purposes upon real estate and personal property in the manner heretofore provided, and to assess an occupation or per capita tax of \$1 upon every male inhabitant of the age of 21 years and upwards. This per capita tax is in lieu of the occupation tax levied under the old law, and the amount thereof cannot be exceeded in any case no matter at what sum the occupation, trade or profession may have been valued by the assessor for State and county purposes.

That's the Stuff.

We do not quite understand the announcement that the Emperor William is desirous of "an amicable statement of American intentions in the Philippines." What right has he to ask or expect such a statement? The Philippines do not belong to Germany or to him.

There is a war on now between two countries, the United States and Spain. The victor in that war will dispose of the Philippine Islands independently of any third party. What the disposition is to be remains to be determined, but the right to dispose of them will be asserted when they have been conquered, even if another war is necessary.

The world will be taught this time that this country is not to be trifled with by any nation on the globe.—Philadelphia Inquirer.

Where can you go when the city water gets full of typhoid fever germs and get a drink that is pure, refreshing and pleasant? Metzger's, of course. His soda is made from water pumped 247 feet below the surface of the earth.

Take Care of Old Glory.

An exchange says: "Our attention has been called to the careless disrespect shown to the flag by so many people who hang it from their windows or above their houses and leave it their night and day regardless of the weather." It says, "on shipboard and military posts where the flag has a real significance it is raised at sunrise and lowered at sunset. It is never left out in the storm. Thus the starry banner is kept clean and bright and is always treated with respect. It should receive the same treatment from every person." There is a good point in this and hence we publish it.

Emporium, Penn'a.

READY FOR A CENTURY RIDE ON A BICYCLE.

The wheelman and wheelwoman are both unanimous in their decision to wear only shirts, shirt waists, collars and cuffs done up by our perfect methods, as they retain their freshness without wilting or soiling longer than when laundered anywhere else in Kane. Summer is the crucial test of good laundry work, and ours will always stand the test.

GETTING READY

Every expectant mother has a trying ordeal to face. If she does not

get ready for it, there is no telling what may happen. Child-birth is full of uncertainties if Nature is not given proper assistance.

Mother's Friend

is the best help you can use at this time. It is a liniment, and when regularly applied several months before baby comes, it makes the advent easy and nearly painless. It relieves and prevents "morning sickness," relaxes the overstrained muscles, relieves the distended feeling, shortens labor, makes recovery rapid and certain without any dangerous after-effects. Mother's Friend is good for only one purpose, viz.: to relieve motherhood of danger and pain.
