REPUBLICAN NOMINATIONS.

- For Governor, Wm. A. Stone, of Allegheny. For Lieutenant-Governor, J. P. S. Gobin, of Lebanon. For Secretary of Internal Affairs, Joseph W. Latta, of Philadelphia.

COL. STONE'S PLATFORM.

"It will be my purpose when elected to so conduct myself as to win the respect and good will of those who have opposed me as well as those who have given me their support. I shall be the Governor of the whole people of the State.

Elect C. W. Stone to Congress.

SIBLEY SHOULD BE BEATEN.

Philadelphia Inquirer. The latest effort of the foes of Republicanism in Pennsylvania to bring division in the party ranks is the circulation of a cock and bull story, without a semblance of truth in it, that the Republican organization is seeking to elect Mr. Sibley to Congress in the Twenty-seventh district.

WASHINGTON LETTER.

(From our Regular Correspondent.) WASHINGTON, Sept. 26, 1898. The managers of the Democratic party are afraid to endorse the absurd charges that individual democrats have been making concerning the conduct of the war.

Sibley is a dangerous man. He believes thoroughly in free trade and free silver and is not the sort of a Representative that any district in Pennsylvania ought to send to Washington.

A SPIRITED CONGRESSIONAL CONTEST. Philadelphia Times. The Congressional contest in the Twenty-seventh district of Pennsylvania, composed of the counties of Venango, Warren, McKean and Cameron, has suddenly become an intensely exciting and possibly a doubtful one in consequence of the appearance of Ex-Congressman Joseph C. Sibley as the Democratic candidate.

lowing gentlemen compose the investigating commission: Gen. G. M. Dodge, of Iowa, Chairman; Col. J. A. Sexton, of Ill.; Capt. E. P. Howell, of Ga.; Maj. Gen. J. M. Wilson, U. S. A.; Hon. Chas. A. Denby, of Ind.; Ex-Governor U. A. Woodbury, of Vt.; Ex-Gov. J. A. Beaver, of Pa.; Gen. A. D. McCook, of N. Y., and Dr. P. S. Conner, of Ohio.

Hon. Binger Hermann, Commissioner of the U. S. Land Office, who represented an Oregon District in the House for twelve years, thinks the Republican gains in the extreme West, this Fall, will surprise those who accept the apathy in Maine and Vermont, which resulted in a large stay-at-home vote, and a consequent reduction of Republican majorities, as representing the general condition of the Republican party.

The conference of Gov. Holcomb and Col. Bryan, at Washington, has added to the belief of Republicans that Nebraska is coming back into the Republican fold this year. The following from Mr. E. F. Meperhoff, is a fair sample of the talk of Nebraska Republicans seen in Washington: "There is a very decided decline in the free silver sentiment in Nebraska, and I do not think the State could be carried again on that issue."

Nothing more than amusement is felt in Washington about the story that Aginaldo, the head of the Philippine insurgents intends to drive our army out of the Philippines and turn the islands over to Germany.

There are few men more wide-awake and enterprising than L. Taggart who spares no pains to secure the best of everything in his line for his many customers. They now have the valuable agency for Dr. King's New Discovery for Consumption, Coughs and Colds.

Right in It.

That's where Dr. Caldwell's Syrup Pepsin is. The greatest remedy for the stomach that was ever put together. Absolutely vegetable with the exception of the Pepsin.

Here is a straight tip from a news paper called Brains.

Did you say that you were not feeling well and that your stomach was out of order? Well then, try a bottle of Dr. Caldwell's Syrup Pepsin and you are sure of relief.

Hello!

Li Hung Chang bobs up serenely once more.

What Jenks Didn't Mention. "If you haven't anything better to do, you would better read the Acts of 1897," was the droll remark with which Mr. Jenks closed the pamphlet laws Thursday night, says the Bradford Star.

How to Look Good. Good looks are really more than skin deep, depending on a healthy condition of all the vital organs.

From the Washington Post: Pennsylvania has the best drilled, best equipped and strongest militia in the United States. She furnished her quota without noise or delay, and we have heard from her practically nothing since in the way of complaints as to government negligence or glorification over the prowess of her soldiers.

Nothing official has been given out on the subject, but it is known that the request of the Spanish Military Commissioners to make a six months' job of evacuating Cuba has been very positively refused. The Spaniards have been courteous, but firmly told that the evacuation of Cuba must begin not later than October, and must be completed before the end of December.

Capt. R. W. Austin, U. S. Marshal for the Eastern District of Tennessee, now in Washington, said of public sentiment in his State: "The most popular man with Tennesseans is President McKinley, whose course in the war won for him the approbation of men of all parties. The idea of retaining every acre of conquered territory is favored in our State. The opening up of Cuba and Porto Rico will be of immense advantage to the South, for it will give us a splendid market for our coal and iron, flour and other products. To a man we are in favor of building the Nicaragua canal, the construction of which will add millions to the revenues of the Southern states."

This is a years when all true Republicans ought to stand as a unit against the allied foes of the party. McKinley is in Washington and must be supported. We have had experience with one soup house administration and ought to be thankful that a patriotic President is in the White House.
