A Remarkable Rescue.
 Mrs. Michael Curtin, Plainfield, Ill., makes the statement that she caught cold, which settled on her lungs; she was treated for a month by her family physician, but grew worse. He told her she was a hopeless victim of consumption and that no medicine could cure her. Her druggist suggested Dr. King's New Discovery for Consumption; she bought a bottle and to her delight found herself benefited from first dose. She continued its use and after taking six bottles, found herself sound and well; now does her own housework and is as well as ever she was. Free trial bottles at L. Taggart's drug store. Large bottles 50 cents and \$1.00.
