Lowest Rates West.

Rates to the west are lower via the Nickel Plate Road than via other lines, while the service is excelled by none.

Three fast trains are run every day in the year from Buffalo to Chicago. The day coaches are of the latest pattern, are elegantly upholstered, and have all the modern improvements, such as marble lavatories, steam heat, lighted by Pintsche gas, while colored porters are in charge to look after the wants of passengers, especially the ladies and children.

Vestibuled buffet sleeping cars are run on all trains, while the dining cars and meal stations are operated by the company and serve the best of meals at moderate prices.

If your ticket agent cannot give you all the information you desire in regard to rates, routes, etc., address F. J. Moore, Gen'l Agent, Nickel Plate Road, 291 Main St., Buffalo, N. Y. 31-10.

Dr. Bull's Cough Syrup will cure croup and whooping cough.

No danger to the child when this wonderful medicine is used in time. Mothers, always keep a bottle on hand.

Priceless Pain

"If a price can be placed on pain, 'Mother's Friend' is worth its weight in gold as an alleviator. My wife suffered more in ten minutes with either of her other two children than she did together with her last, having previously used four bottles of 'Mother's Friend.' It is a blessing to say one expecting to become a mother," says a customer.

Thus writes Henderson Dale, Druggist, of Carmi, Ill., to the Bradford Regulator Company, of Atlanta, Ga., the proprietors and manufacturers of 'Mother's Friend.' This successful remedy is not one of the many internal medicines advertised to do unreasonable things, but a scientifically prepared liniment especially effective in adding strength and elasticity to those parts of woman's organism which bear the severest strains of childbirth.

The liniment may be used at any and all times during pregnancy up to the very hour of confinement. The earlier it is begun, and the longer used, the more perfect will be the result, but it has been used during the last month only with great benefit and success.

It not only shortens labor and lessens the pain attending it, but greatly diminishes the danger to life of both mother and child, and leaves the mother in a condition more favorable to speedy recovery. 'Mother's Friend' is sold by druggists at \$1.00, or sent by express on receipt of price.

Valuable book for women, 'Before Baby is Born,' sent free on application. THE BRADFORD REGULATOR CO., Atlanta, Ga.

SIGHING FOR THE FLESH POTS.

Col. Henry Watterson Laments That the Democracy Sits No More at the Table.

Will never the good old times come again? Shall Ohio get it all? Has the old flag, with its offices and appropriations, gone forever from the uplifted hands of God's people? Are millions of ardent, honest, credulous Democrats to be slaughtered upon the altars of vanity and egotism from one Presidential election to another—blindly following wind and noise—lured by fox-fire, and sustained by dry bones and dead languages—until the breath has quite gone out of the poor old beast that carries us?

In the good old days of pristine Democratic purity, when Jefferson unseated Napoleon out of Louisiana, and Monroe secured from Spain the reluctant cession of Florida, when Jackson laid the foundations for the annexation of Texas, and Polk whisked California and other territory from the all-too-feeble grasp of the greasers, Democrats had plenty of elbow room. Uncle Sam was not only rich enough to give us all a farm, but in case of a needy politician, with a Democratic chalk-mark across his back and a valid claim, there was never any serious want of an office for the faithful. Even as late as Pierce's administration the Democracy had a hold upon the government, with its abundance of loaves and fishes.

Just as we were closing the book on that old history—the Republicans having for another generation followed the example of the Democrats before them and parceled out the good things among themselves—the war with Spain comes along to give the Democrats another chance. Shall we throw it away, as Grover Cleveland and Mr. Sherman and Carl Schurz urge us to do, or shall we sail in and win?

There is enough to give every one of the boys in the trenches a show for his marbles. If we can't make Mr. Bryan President of the United States, what is the matter with sending him to Cuba to come back a Senator? It may be that he would prefer Porto Rico, and, in that event, as in Cuba, there may be a good deal of trouble developed to the square inch, and as Mr. Blackburn is out of a job why not send Joe to Cuba? Gov. Altgeld, being of foreign birth, cannot be President. He would doubtless be satisfied with Hawaii. There are 1,400 islands in the Japanese archipelago, a Philippine apiece for those that be hungry and thirsty, all the way from Debs to Urey! Good Lord! in the face of such a prospect, think of patriotic and famished Democrats trailing after John Sherman and Carl Schurz. Think of William Jennings Bryan trailing after Grover Cleveland! It is just simply awful, is it not? Give us Cuba, Porto Rico and the Philippines and we can work off all our surplus silver upon the natives and have Governorships, Senatorships and post-offices to burn! What's the matter with a new shuffle, cut and deal of the pictorial pastebards? It is too late for William to go hobnobbing with Grover! Come, Billy, come! Better get up in the band wagon with the rest of us old-fashioned, manifest destiny, expansionist Democrats and join in the chorus, "Where the flag flies there fly we!" You may not be able to lift yourself into the White House by your shoulder-strap. But they give a mighty fine finish to the gentlemen and Democrat who would lead the boys in the trenches throughout the Nation, as well as in Kentucky, Nebraska and Texas, where leading is easy and costs only wind and noise. But if you can not lead the grand old party to victory at least do not lead, or try to lead, it into a blind-alley, such as witnessed the death of the old Federalists and the old Whigs. They died because they refused to see the handwriting on the wall. Shall we? They died because they could not keep up with the procession. Shall we? What we really want, Billy, dear Billy, is to call you our "Sweet William," not to hear folks use about you such improper language as "Billy be d—d!"

And now, ladies and gentlemen, while Mr. Bryan meanders down the center aisle, the band will please play "Home, Sweet Home!"

Dr. Bull's Cough Syrup should be kept in every household. It is the best remedy for cough or cold and is especially recommended for that gripe cough. Price 25c.

When you ask for De Witt's Witch Hazel salve don't accept a counterfeit or imitation. There are more cases of Piles being cured by this, than all others combined. R. C. Dodson. 45ly

One Red Rose Rent For a Church Site. A unique celebration occurs in June of every year at Manheim, Pa., according to The Ladies' Home Journal. It is known as the feast of roses and is held to commemorate the benevolence of Baron Stiegel, who more than a century and a quarter ago leased a tract of land at Manheim to a congregation for a church site at an annual rental of one red rose to be paid in June of each year. After Baron Stiegel's death the rent was never demanded until a few years ago, and now it is formally paid to one of the baron's descendants. The occasion is known as "the feast of roses," and the quaint ceremony attracts the greatest interest.

Carrying Out the Proposition. "The subject of Alice's graduation essay, you remember, was 'Aim High.'" "Yes." "Well, she has been throwing herself at the new preacher's head, and he is 6 feet tall."—Cincinnati Enquirer.

ALL SORTS.

The sooner a cough or cold is cured without harm to the sufferer the better. Lingered colds are dangerous, a hacking cough is distressing. One minute Cough Cure quickly cures it. Why suffer when such a cough cure is within reach? It is pleasant to the taste. R. C. Dodson. 45ly

The selfishness of the seemingly unselfish is a characteristic hard to analyze. Constipation prevents the body from ridding itself of waste matter. De Witt's Little Early Risers will remove the trouble and cure sick Headache, Biliousness, Inactive Liver and clear the Complexion. Small, sugar coated, don't gripe or cause nausea. R. C. We always regard a person as particularly honest who runs himself down. Late to bed and early to rise, prepares a man for his home in the skies. But early to bed and a Little Early Riser, the pill that makes life longer and better and wiser. R. C. Dodson. 45ly

How many friends would stick to us if we were really poor? Many a household is saddened by death because of the failure to keep on hand a safe and absolute certain cure for croup such as One Minute Cough Cure. See that your little ones are protected against emergency. R. C. Dodson. 45ly

It is quite impossible to live altogether in the present. Soothing, healing, cleansing, De Witt's Witch Hazel Salve is the impeccable enemy of sores, burns and wounds. It never fails to cure Piles. You may rely upon it. R. C. Dodson. 45ly

The tan shoe of the winter man is much in evidence. Ladies and gentlemen suffering from throat and lung difficulties to call at our store for a sample bottle of Otto's Cure. "Educated, by Jove!" At a leading New England college some years ago when the commencement exercises were over and the diplomas had been distributed, says D. S. Sanford in The Atlantic, a member of the graduating class, who had been more distinguished by conviviality than studiousness, and who had barely escaped losing his degree, appeared upon the campus and, waving the much prized parchment over his head, shouted gleefully: "Educated, by Jove! Educated!"

The idea expressed by the rollicking student, more in jest than in earnest, illustrates a notion of education which dies hard. The popular prejudice that culture is something extracted from books, picked up in a lecture hall or a laboratory or seized during the fleeting years of one's school or college life is so prevalent that it becomes the obvious duty of the school to press home to the consciousness of every person the conviction that an obligation rests upon him to undertake a course of education lasting throughout his life.
