WASHINGTON LETTER.

(From our Regular Correspondent.)

WASHINGTON, Dec. 5th, 1898.

President McKinley's annual message to Congress is a thoroughly patriotic document from start to finish. There is not a word of partisanship in it.

The attendance at the opening of Congress was quite up to the average, both on the floor of the House and Senate and in the galleries.

No man is better authority on things Congressional than Senator Allison, Chairman of the Committee on Appropriations.

History will tell about "Dewey" Hobson, Sampson and Americans protecting themselves from serious throat diseases by using "Armstrong's Diphtheria and Quinsy Drops."

and if any important measure is passed; outside of the appropriation bills, it will be the Canal bill. That subject has been so thoroughly threshed over that it ought not to provoke much debate."

Secretary Alger's annual report is a very interesting document, embracing, as it does, a brief, but comprehensive sketch of the conduct of the war, with copies of all official orders relating to the army, etc.

Chairman Hepburn, of the House Committee and Foreign Commerce, anticipating early action on the Nicaragua Canal Bill, has announced that the Committee will grant hearings either for or against the Nicaragua Canal.

Senator Thurston, of Nebraska, is one of the most pronounced expansionists in Congress. He said, speaking of the various objects of our taking the Philippines: "I am satisfied to trust their future to the good sense of the American people."

Bucklen's Arnica Salve. The best Salve in the world for cuts, bruises, sores, ulcers, salt rheum, fever sores, tetter, chapped hands, chilblains, corns, and all skin eruptions, and positively cures piles, or no pay required.

Premier Sagasta should be careful. The peace treaty has not yet been signed.

Two Pointed Questions Answered. What is the use of making a better article than your competitor if you can not get a better price for it?

Ans.—As there is no difference in the price, so that while our profits may be smaller on a single sale they will be much greater in the aggregate.

How can you get the public to know your make is the best? If both are brought prominently before the public both are certain to be tried and the public will very quickly pass judgment on them and use only the better one.

This explains the large sale on Chamberlain's Cough Remedy. The people have been using it for years and have found that it can always be depended upon.

History will tell about "Dewey" Hobson, Sampson and Americans protecting themselves from serious throat diseases by using "Armstrong's Diphtheria and Quinsy Drops."

Rich Valley. Listen for sleigh bells. Mrs. Etta Lewis, of Medix Run, has been visiting her daughter, at this place, for the past week.

Miss Rose Carter visited on North Creek one day last week.

Mr. Will Pye is home from Cross Fork on a visit.

H. Carter was seen on our streets Saturday last.

Two of our most prominent young men are quite fond of walking, so we hear, especially when it is nearing the break of day.

Miss Alda Carter attended the local institute, at Sinnamahoning, on Saturday.

Any one wishing fine cats will do well to call on W. C.

Mr. Albert Goodwin's children have come to spend the winter with their grandparents.

Mrs. Lucore is visiting in the valley, the guest of her grand-daughter, Mrs. B. Montgomery.

TRIX.

Pains in the chest when a person has a cold indicate a tendency toward pneumonia. A piece of flannel dampened with Chamberlain's Pain Balm and bound onto the chest over the seat of pain will promptly leave the seat of pain and prevent the threatened attack of pneumonia.

For six years our daughter was sorely afflicted with throat affection caused by Diphtheria. Two years ago we used a bottle of Armstrong's Diphtheria and Quinsy Drops, which not only gave immediate relief but was a positive cure.

It is a warm day when the gas meter gets left. Dr. Bull's Cough Syrup is unequalled for bronchitis, loss of voice, hoarseness and other throat and lung affections.

Ex-Queen Lil's claim has six millions in it.

Millions Given Away. It is certainly gratifying to the public to know of one concern in the land who are not afraid to be generous to the needy and suffering.

The rescuers who started out to rescue Andree have been rescued.

A Clever Trick. It certainly looks like it, but there is really no trick about it. Anybody can try it who has lame back and weak kidneys, malaria or nervous troubles.

This medicine tones up the whole system, acts as a stimulant to liver and kidneys, is a blood purifier and nerve tonic.

It is purely vegetable, a mild laxative, and restores the system to its natural vigor.
