"77" as a Preventative of Grip.
In a factory employing over one hundred hands, the management obliged each employee to take "77" as a preventative during the epidemic, with the result that not a single one was absent on account of the Grip, while many establishments were crippled by the absence of employees.
If you will carry a vial of "77" in your pocket and take frequently you will escape the Grip. "Seventy-seven" prevents Pneumonia and "breaks up" colds that "hang on." At druggists or sent prepaid, 25c, 50c and \$1. Dr. Humphrey's Book sent free. Humphrey's Medicine Co., Cor. William St. and John Sts., New York. Be sure to get Humphrey's.

Employment Bureau Opened.
A new feature has been introduced in the work of the Odd Fellows of this state in the shape of an employment bureau for members only, and the same has been opened in the temple in Philadelphia. All the lodges in the state will have the advantage of this, and every meeting night a bulletin of men wanted will be displayed in the lodge room of every lodge in the State.

When the sleighbells and wedding bells are merrily ringing, it might be a good thing for some of our fair maids to read the following from a thoughtful writer: "The average girl of to-day if she has any well defined notion concerning married life, takes a husband with the idea that he is to provide a home, money and everything necessary to carry on a household, while she is merely to play the ornamental part in the home life, the servants, house-keepers or some one else to do the rest. This is a mistake. She is truly bound to assist in building the home as well as her husband. A true woman believes it her duty to play her full part in the house economy, to superintend the work, to be the supreme head of its inner life. Those who look forward to married life as a period of idleness have a poor conception of the duties the situation involves."—Ex.

Town Ruled by Love.
The most unique settlement in the United States is the town of Commonwealth, Ga. Money is not needed, for everything goes into a common fund, and every man shares exactly alike. There are no rich people in Commonwealth, and none who are poor. All work for one another, and the law and creed of the community is "love." If a person wishes to build a house the lumber is furnished from the mill operated by members of the settlement. If vegetables, etc., are wanted the common garden supplies the need. The settlement is run on the co-operation plan. "Love thy neighbor as thyself" is a law that is strictly observed.

Liver Complaints and Nervousness Cured.
A torpid liver always produces dullness, irritability, etc. You are all clogged up and feel despondent. Perhaps you have treated with physicians or tried some recommended medicine without benefit. All that is no argument against "Dr. Fenner's Blood and Liver Remedy and Nerve Tonic," which we insist will cure nervousness and liver complaints. If not satisfied after using one bottle your money will be refunded by

For La Grippe.
Thomas Whitfield & Co., 240 Wabash Ave., corner Jackson St., one of Chicago's oldest and most prominent druggists, recommend Chamberlain's Cough Remedy for the grippe, as it not only gives a prompt and complete relief, but also counteracts any tendency of the grippe to result in pneumonia. Baby's Coming
means pain, danger and possible death for some wives. For others it means practically no discomfort at all. There is no reason why childbirth should be a period of pain and dread. Several months before a woman becomes a mother she should prepare herself for the critical ordeal. There is a preparation made which is intended for this purpose alone. The name of this wonderful preparation is **Mother's Friend.**

It is a liniment to be applied externally. It relaxes the muscles and relieves the distention, gives elasticity to every organ concerned in childbirth, and takes away all danger and nearly all suffering. Best results follow if the remedy is used during the whole period of pregnancy. It is the only remedy of the kind in the world that is endorsed by physicians. \$1 per bottle at all drug stores, or sent by mail on receipt of price. FREE BOOKS containing invaluable information for all women, will be sent to any address upon application to **The Bradford Regulator Co.,** Atlanta, Ga.
