I congratulate the manufacturers of an honest medicine." For sale by L. Taggart. feb

Their horse got frightened and threw them both out. The level head of Mike Helliard came in good use, as he showed good nerve in stopping the frightened horse. D. C. Hayes, one of Emporium's popular liveries, brought a load of jolly Emporians to the home of farmer Kresge one night last week and after unloading everything that heart could wish, in the line of good things to eat, they took possession of the house and held all away until a late hour. Sympathetic Husbands.

The sympathetic tenderness of a loving husband is everything to an expectant mother, especially during her first ordeal. George Layton, Esq., a prominent druggist of Dayton, O., gives the following case: A customer of mine, whose wife has used four bottles of "Mother's Friend" before confinement, says, after seeing the effects of the remedy, that if she had to go through the ordeal again, and there were but four bottles on the market, and the cost was \$100 per bottle, she would have them. "Mother's Friend" is a scientifically compounded liniment which affords certain relief in the various ailments preceding childbirth, and assures proper elasticity to the cords and muscles involved in the final ordeal. "Mother's Friend" is sold by druggists, or expressed on receipt of one dollar. Valuable book, "Before Baby is Born," mailed free on application. THE BRADFIELD REGULATOR CO., Atlanta, Ga.
