POINTED COMMENT.

In politics an independent is an assistant Democrat engaged in trying to fool Republicans without showing his true colors.—St. Louis Globe-Democrat.

Fighting side by side, the American and British warships bombarded the Samoan followers of Mataafa, at Apia, last week. The natives, backed by the Germans, were fighting the decision of Justice Chambers, and may lead to war.

Two thousand men in the American Iron Works, Pittsburg, have been notified that their wages will be increased ten per cent. after April 15th. There is not a particle of consolation in such announcements for the calamity howler.

WASHINGTON LETTER.

(From our Regular Correspondent.) WASHINGTON, March 27th, 1899.

President McKinley had decided to return to Washington early this week before he got the news of the beginning of what there is every reason to believe will be the final campaign against the organized Filipinos, by Gen. Otis, but it is probable that the knowledge that the fighting so victoriously started by the troops of Gen. Otis, on Saturday and continued on Sunday, would have caused him to do so anyway, as it is perfectly natural that he should wish to be in Washington while the fighting is going on.

Mr. R. P. Bingham was seen driving a fine pair of horses on our streets, one day last week. Mr. Winnie Chadwick, of Wisconsin, has come to live with his brother, Tillie Chadwick, on this place. Mr. Bingham has begun work on his lumber job at Lewis Run. Mr. Wm. Magee is building a house on his farm at the head of the valley. B. & CO.

think that the U. S. will do well by Cuba, and that Cuba is worthy of the sacrifices that have been made in her behalf by the U. S. He thinks the question of annexation is one that should be and will be left until Cuba has a government and Congress properly elected by its people to decide whether it would prefer maintaining an independent republic or being annexed to the U. S. He says he is perfectly satisfied that the people of the U. S. would not consent to the annexation of Cuba upon any other basis than the request of a majority of its people.

The Military Court of Inquiry is again sitting in Washington. It is expected that it will finish its work in a few days and make its report. All statements of the nature of that report are guesses.

Ex-Representative King, of Utah, is a Democrat, but the following remarks made by him, in Washington, indicates his ability to size up the political situation without prejudice: "I am inclined to believe that the Republicans will renominate and elect McKinley. The hero-worshippers in the Democratic party are determined upon Bryan's nomination, whether he can be elected or not."

Senator Hansbrough, who has earned a reputation as a careful observer of the political drift of the country, gives this summary of past, present and future: "The mistakes in the conduct of the war were all minimized by glorious successes everywhere. The Democrats will go a-mouthing before the people all of the complaints about the little things. They never size up to the great things. The war was so short, that it was over before the faults and wickednesses were discovered. If the war had been prolonged all of the misdoings of contractors would have been discovered and they would have been punished. McKinley's administration has brought success at every point, and prosperity to every part of the land. Of course he will be renominated and re-elected."

ALL AROUND THE COUNTY.

Rich Valley. Quite a snow we had last week. Mr. George Granger is working for L. Lockwood. Frank Swesey was working for Wm. Magee last week. Master Fritz Craven, who has been sick the past winter is slowly improving. Mr. S. S. Hackett was driving logs last week. Mrs. Nell Lewis, who has been away to Battle Creek, Mich., is expected to return home this week. Mr. R. P. Bingham was seen driving a fine pair of horses on our streets, one day last week. Mr. Winnie Chadwick, of Wisconsin, has come to live with his brother, Tillie Chadwick, on this place. Mr. Bingham has begun work on his lumber job at Lewis Run. Mr. Wm. Magee is building a house on his farm at the head of the valley. B. & CO.

SIMPLE SIMON.

Hilliers Run. This is queer spring weather we are having. Mrs. Lucy Miller was visiting friends at Dents Run last week. Miss Eva Barr finished a long and successful term of school last week. Chas. Duell finished his raft and started for Lock Haven, last week. Mr. Harry Gentry spent Sunday at Mix Run. I wonder what's the attraction? They say Hon. G. W. Huntley expects to start his drive from here in a few weeks. Mr. and Mrs. W. U. Barr, of Mix Run, was visiting relatives at this place on Sunday. I wonder what makes Ray look and feel so? Keep up courage, may be she will come back some day. Jas. A. Barr wears a smile broader than the broad street of Philadelphia, over his new ten pound boy. The boys who have been driving for the past few weeks say it isn't what it is cracked up to be these cold days. Huntley Miller, of Mason Hill, Joe Kilborn's practical bookkeeper, passed through here last week, on his way to Alleghany, Pa. L. O. T. M. R. B.

Sinnemahoning.

Al. Fetter, of Emporium, was the guest of J. E. Speaker one day last week. G. B. Barclay now drives one of the noblest pairs of "high steppers" in the county. Sid Sherman came down from McKean county and spent the Sabbath with Wyzide relatives. The return of Rev. M. C. Piper to this charge is very gratifying to his host of friends here. The Rev. gentleman is deservedly popular and is doing good work for the cause. Barclay Bros. mill is undergoing extensive repairs preparatory to a big seasons run. They expect to start up in about a week. Prof. J. G. Hart is arranging to have a summer term of school at this place, after a brief vacation at the close of the present term, and it is earnestly hoped success may crown his efforts, as he is an earnest and conscientious educator and a very successful teacher. Amos Bennett, the hustling foreman for Barclay Bros. is making some substantial improvements about his cozy home, grading the lawn and laying flag pavements. "There are no flies on Ame." The railroad up Grove Run has been abandoned and will be taken up at once. Barclay Bros' locomotive will be taken over to furnish the motive power. JOE.

Huston Hill.

One of the gang went to sleep in school, Monday. Mr. C. E. Barr came home last week from Mix Run.

Mrs. R. L. Dill done shopping at Sterling on Monday.

Expect Ray to make weekly visits on our Hill now. The young people took their last sleigh ride on Sunday. Johnnie's smiling face has not been seen on the Hill lately. Mr. and Mrs. Lupton have returned to this place to spend the summer. Newton Mix was a caller on the Hill, Monday. He tried the road in mud alley. Harry has gone to chewing clover hay. He says it's cheaper than tobacco.

Mrs. Mattie Miller returned home Friday, bringing with her a four weeks' old daughter. Harry Hicks took the "trundle bed gang" out for a sleigh ride Sunday night after prayer meeting.

It looks as though we were going to have Sunday school once more, as they sent for twenty-one quaterites.

Harvey says he was over to Mason Hill, Monday and the preacher and Huntley had a scrap. Miss Eva Barr, who has been teaching at Millers Run, returned home. We are glad to see her smiling face once more.

Now parents do come and bring your children and help to make our school one grand, good success. SNAP.

Buckwater.

Mr. W. H. Kresge, wife and little daughter Verna, spent Sunday with grandpa Kresge. Walter Kresge, all puffed up, to ride the goat in Goodwill Tent, of the Maccabees. With the exceptions of their black eyes and a yard of hair, they came home not dead, but badly used up. SAMMIE SNOW.

Driftwood.

W. R. Chatham was a passenger to Emporium on Monday. Jos. S. Johnson, editor of the Gazette, was in DuBois on Sunday. Sheriff Mundy was in town Tuesday transacting a little business. J. O. Brookbank spent Monday evening with Capt. J. M. Moore, of 1125 Howard St., Philadelphia, Pa., when she found that Dr. King's New Discovery had completely cured her of a hacking cough that for many years had made life a burden. All other remedies and doctors could give her no help, but she says of this Royal Cure—"It soon relieved the pain in my chest and I can now sleep soundly, something I can scarcely remember doing before. I feel like sounding its praises throughout the universe." So will everyone who tries Dr. King's New Discovery for any trouble of the throat, chest and lungs. Price 50c. and \$1.00. Trial bottles free at L. Taggart's drug store; every bottle guaranteed.

No; we never knew a case of Diphtheria reported to health officers when Armstrong's Diphtheria and Quinsey drops were used in time.
