Water Works Sure.

At the regular meeting of the borough council Wednesday evening, the contract was signed and the franchise granted for the new water works, and the ordinance will appear in the next issue of the Eagle. The borough gets a complete system for fire protection, the large reservoir being 240 feet above Main street, and the families will have an opportunity of getting pure spring water for household use, a blessing which few towns enjoy.

The water company is to sustain a pressure of 100 pounds to the square inch which will give Eldred's famous fire fighters a great advantage over the destroying element; the company also furnishes water for a public drinking fountain and water trough, and water for sprinkling the streets. For this service the borough is to pay \$350 annu-ally, or only about \$100 more than it costs to keep up the line we now have for fire protection alone. Eldred is certainly in luck.—Eldred

We publish an advertisement of Kodol Dyspepsia Cure in our columns this issue, and wish to say to our patrons that we believe this preparation is worthy of a trial by any person suffering from this agonizing complaint. We honestly believe this preparation will do for you all the manufacturers claim for

Kodol Dyspepsia Cure is prepared by the well known and reliable firm of E. C. DeWitt & Co., Chicago, and from our long experience, in a business sense, with this firm as advertisers, we feel safe in saying that they would not place on the market a preparation for the cure of Dyspepsia, unless they had a remedy of the highest merit, and conscientiously believed it would cure this well known and almost universal complaint.

We further add that if this preparation is equal to the other well known remedies which they make, viz: DeWitt's Little Early Risers, DeWitt's Witch Hazel Salve, and One Minute Cough Cure, it will speedily win its way into public

We cheerfully and heartily give our personal endorsement to this concern, and the reliability of the goods they manufacture, which have been largely the means of their success, and in writing this voluntary endorsement on our part, we feel that we are simply per-forming a duty which we owe to our patrons.

DR. BULL'S Cough Syrup will make a permanent cure in all cases of cough or cold on chest or lungs. It will cure when other remedies have failed. Phy-sicians recommend it.
