NEW DEPARTURE
BY
M. A. ROCKWELL,
The Fourth Street Druggist.

The Sanitary Still.

I have recently purchased and placed in my Drug Store one of the popular and greatly endorsed Sanitary Stills, manufactured by THE CUPRIGI & CO., of Chicago, Ill. There is no process of filtration which will purify water. Nature's process of vaporizing water and cooling it into refreshing showers of pure rain water is repeated by the sanitary still in our store. We distill all water used in both our Prescription Department and Soda Water Fountains.

PURE WATER.
PURE DRUGS.
PURE SODA WATER.

Purity is our Motto.

M. C. TULIS,

Jealousy Causes a Murder.
DuBois, Pa., April 30.—A murder and attempted suicide occurred at Brockport, near here, at four o'clock this morning. Mrs. Ella Reeser was shot by Fred Walker, a widower, 62 years of age, who made an unsuccessful attempt to end his own life with laudanum. Mrs. Reeser had been living with Walker at Brockwayville for the last 11 months, and against his wishes was visiting friends named Silvas, at Brockport, two miles away from this place. Walker was intensely jealous of her, and late Saturday night went to Brockport, presumably to induce her to return. About four o'clock he called her out, and in a short time the family was aroused by two shots. The woman was found lying dead at the foot of the steps, with two bullet holes in her head, and the man unconscious from the effects of laudanum, an empty bottle and a revolver lying by his side.

Physicians were hastily summoned, and after working 12 hours succeeded in bringing him out of danger. Mrs. Reeser formerly lived at this place. She had been several times married, and was also known by the name of Ella Haliband. She was 39 years of age.

ANTHONY.

Afternoon Whist.
Last Friday afternoon, from three to six, Mrs. Josiah Howard entertained about thirty lady friends at whist. The reception was given in honor of Miss Mingle, of New York City, who has been Mrs. Howard's guest for several weeks.

Death's Doings.
MORRISON.
Mrs. William Morrison, aged 69 years, died on Friday, April 28th, 1899, at the family residence in Frankfort, Ky., after a long and painful illness. During the past few months she has been tenderly ministered to by her devoted daughter, Mrs. J. H. Swain, of Emporium, and, with her loving husband, rendered everything to make the passing to the other shore peaceful. Mrs. Morrison's many Emporium friends, where she resided for years, will be pained to learn of her death, and extend their sympathy to the bereaved family. The funeral was held from the family residence at Frankfort, Ky., last Sunday afternoon.

HOOD.
Last Friday evening a telegram was received from Williamsport informing Emporium Lodge, 984, I. O. O. F., that Alex. W. Hood was an inmate of that hospital and in a dying condition. Word was promptly sent back to care for him and in case of death to forward his remains to Emporium. Mr. Hood died the same night and undertaker Knight took charge of his remains and accompanied the same to Emporium on Sunday, when he was met at the depot by a delegation of Odd Fellows. The body was placed in LaBar's undertaking establishment to await the funeral, which took place at 4 p. m., same day. The lodge, of which deceased was a member in good standing, attended the funeral in a body, meeting the remains at Mr. LaBar's and following them to the Newton Cemetery, where Rev. McCaslin, of Presbyterian church, held short services, after which the burial was conducted by the rites of the order.

Alex. W. Hood, has resided in this county for several years and followed the occupation of blacksmith in the woods. About a year ago he left for Hulings, W. Va., where he found employment in camp No. 5, but was expected to return to Emporium last week, as he informed some of his friends here. He was a native of Elgen, N. S., and aged about 31 years. The particulars of his death and cause are not yet known.

RAIKES.
Arthur Raikes, aged 28 years, died at his residence in Sandusky, O., April 25th, after an illness of four weeks, with typhoid fever. Deceased was the son of Rev. and Mrs. Raikes, formerly of this place, and was buried upon the anniversary of his father's death—April 27th. The young man will be pleasantly remembered by many friends of the family in Emporium.

We clip the following from the Sandusky (Ohio) Register, of April 30th, 1899:
In the death of Mr. Arthur Raikes this community has suffered the loss of one whose life was exemplary in the highest degree, and whose many virtues endeared him to all with whom he came in contact. Arthur P. Raikes was born in Lockport, N. Y., about 28 years ago, and was the son of Rev. F. W. and Mary P. Raikes. He received his education chiefly in the city of Dunkirk, N. Y., and when his father accepted the rectorship of Calvary church, in this city, in January 1889, came to Sandusky, where he has since held continuous residence. In the summer of 1892 he was united in marriage to Miss Mary Coles, daughter of Mr. and Mrs. Wm. Coles, his father and the Rev. Fred K. W. Clappett performing the ceremony. Mr. Raikes was a clerk in the

freight department of the B. & O., practically the entire time of his residence here. In the work of the church he was always prominent and faithful. The burial services in Grace church were both beautiful and impressive, the rectors of Grace and Calvary officiating. The life of Mr. Raikes was singularly pure, retiring and self-sacrificing, and many indeed have been made richer by knowledge of him, whose life extended little beyond a quarter of a century.

School Term Closed.
The Emporium public schools closed one of the most successful terms in the history of Emporium, yesterday. The exercises upon this occasion were pleasant, profitable and a credit to the teachers. Prof. Stauffer and his very able assistants certainly deserve the thanks of directors and citizens—the pupils will thank them in later years—for their untiring efforts.

Albert Bair Married.
Mr. Albert Bair, one of Emporium's young men, has taken unto himself a wife. The Jersey Shore correspondent of Grit says: "A wedding occurred on Tuesday evening at 8:00 o'clock, at the home of Mr. and Mrs. John Richardson, on Thompson street, at which their daughter, Carrie, was married to Mr. M. Albert Bair, who has been connected with the Beech Creek railroad for several years, and is now a fireman on a passenger engine. The bride is an estimable young woman, who has been a resident of Jersey Shore all her life, and the good wishes of all follow the young couple in their venture on the sea of life. The Citizens band serenaded them on Thursday evening after the ceremony."

Election of County Superintendent.
The school directors of Cameron county met in convention at Emporium, last Tuesday, for the purpose of electing one person for Superintendent of the schools of Cameron county. The convention was called to order by the County Superintendent, Miss Mattie M. Collins. Dr. V. K. Corbett, of Driftwood, was elected President, and B. E. Smith, of Lumber, and A. L. Ensign, of Portage, as Secretaries. Upon call of the roll of the county it was found that thirty-two directors were in attendance. Nominations being called for Mr. E. C. Davison, of Emporium, placed in nomination, in a few brief remarks, Miss Mattie M. Collins. There being no other nominations Miss Collins was unanimously elected.

On motion of Mr. M. J. B. Brooks, of Driftwood, the salary was fixed at \$1,000.
Miss Collins' election was heartily applauded, and, in a few well chosen words, the lady thanked the directors and citizens of the county for the manifestation of renewed confidence, promising to faithfully labor for the upbuilding of the schools of the county.

The result of the convention will meet with the hearty approbation of the people of this county. Miss Collins has made a very efficient official and takes great pride in her work. The Press congratulates the lady upon her re-election.

MARRIED.
LACEY-HEALY.—At Buffalo, N. Y., Wednesday, April 26th, 1899, by Rev. Stauffer, Pastor of Grace M. E. Church, Mr. DECATUR N. LACEY, of Buffalo, N. Y., to Miss ORA ANNETTE HEALY, of Emporium.

Our Industries.
"What shall be done to revive our industries in Emporium?" This question is almost hourly asked by our citizens, one of the other. In all sections of the country, in all neighboring towns, having less advantages than Emporium, business is booming and prosperity is spelled with a capital "P." What are we doing in Emporium to foster our industries? Nothing, except that a few citizens are earnestly laboring to attract the attention of capitalists to our undeveloped resources and natural railroad facilities. With millions of tons of good coal almost at our doors, coke ovens and a modern iron furnace idle, it seems that something can and should be done by our citizens, who have everything at stake; should see the necessity of giving every encouragement to aid in the resumption of these works. With our furnace in operation, it would be only a short time until the demand for coke would cause the coal mines to be worked, thereby giving employment to several hundred workmen. Our coal beds have been carefully examined by competent persons who declare that no better, nor as good, steam coal has been discovered in the state. In addition to the valuable coal veins upon the lands of the Sinnemahoning Iron & Coal Company it is a well-known fact that good workable veins are located on the lands of C. R. Kline, C. B. Howard & Co., Pardee Estate and Noyes Estate. All that is required to place these facts before the business world, now looking for investments, is united and unselfish action on the part of our citizens.

We admit that there has been an effort for some time to resume operations at the furnace and the parties contemplating a resumption of the plant are now carefully canvassing the matter. Let our citizens meet them fairly, candidly and honestly. This, no doubt, is the critical time in the history of Cameron county, and especially Emporium, and it behooves our people to promptly take up any proposition made to them and act. With the proper effort on part of our people, unitedly, we can see and secure our share of the prosperity enjoyed by our neighbors. Get up and shake off the dust—stop croaking.

The verdict of "Not Guilty" in the conspiracy case against Senator Quay did not surprise any one who had watched the case closely from its inception to its close. The Commonwealth did not have a good case to begin with, and it grew weaker as it proceeded. A good deal is being said as to the probability of Quay not being accepted by the Senate; in the face of some precedents to the contrary, but as the Constitution makes that body the "judge of the election and qualification" of its members, there will be no trouble on this score.—Doylestown Democrat.

BRIEF MENTION.

The Buffalo, Rochester & Pittsburgh R. R., will run through trains from Buffalo to Pittsburg after July 15th.

Forest county, the next smallest county in the state, have contracted for the erection of a County House, at a cost of \$20,000.

The late Francis McGloin left a will dividing his large estate among his heirs just as he wished it to be, but we understand the provisions of the will are that the entire estate shall remain under direction and control of the widow until the youngest son reaches his majority, except in case she should die or marry again, in which event the property is to be divided at once.—Ridgway Advocate.

We congratulate our old friend J. E. Wenk, editor of the Forest Republican, upon the greatly improved appearance of his paper. We feel sure the people of Forest will continue to give him hearty support in the future. We feel like taking off our hat to the Republicans of little Forest for their loyalty to Republican principles and manfully standing by their stalwart Representative Dr. S. S. Towler, who ably upheld the principle of majority rule and party organization. Little Forest is all right, "Jake."

A number of men employed on C. B. Howard & Company's log loader were quite severely burned and scalded, about nine o'clock, on Monday night, caused by the explosion of a gasoline tank. The oil set fire to the log loader, pipes burst, steam escaped and all was excitement. The foreman of the loader, Mr. Chas. Edwards, who resides on Sixth street, Emporium, was scalded in his eyes and is now confined in a dark room, under Dr. Heilman's care. Fireman Davins and brakeman Nellis were severely burned about the arms and hands.
