DeWitt, of Bradford county, held a conflag with the prominent democrats of Emportium on Tuesday morning. He spoke at Ridgway Tuesday evening. Dr. Reick was called to Berlin, Ont., last Thursday to attend the funeral of his father, who died last Wednesday, aged 81 years. The Doctor returned home Monday evening.

The Dr. is enjoying a very large practice and is popular in Potter. Wm. M. Lawler, at the tannery, has been setting up the cigars, all on account of the arrival of a twelve-pound boy at his home. The tanner made his advent last Sunday morning. We received a letter from Arthur Cote, who left Emportium for Port Angeles, Wash., some weeks ago. He reports excellent health and orders the PRESS to his address, also to Octave Willett, who is with him. Big fish stories this morning. Wm. McGee, H. L. Burns, Sheriff Mundy, Geo. J. LaBar, H. S. Lloyd and Robt. Dodson came home last evening, loaded down with trout and will feel offended if you don't call for a mess. Friends of "Jack" Kackemaster presented him with a paper of tobacco and a fine pipe, on Wednesday morning, the capacity of which is no less than half a bushel. Now "Smile" come on with your matches. Dr. Baker continues to improve from his illness and expects to visit, accompanied by his wife, a few weeks before entering upon his practice. The Dr. certainly had a close shave, but had the best of care and watchful attention from his brother physicians. Mrs. Emma Milligan, of Jacksonville, Fla., is guest of Mrs. E. C. Davison, on East Alleghany Avenue. The lady was a former resident of Baltimore, Md., and was a girl friend of Mrs. Davison years ago. The lady is delighted with our mountain scenery. E. H. Brown returned Tuesday from a short visit to Emportium friends. Mrs. Hyde, of Emportium, has been spending a few days with F. A. Shurtz and family. H. W. Martindale, the well-known hotel man of Sizerville, was in our city Wednesday.—Port Alleghany Reporter. We acknowledge the receipt of the School Emblem, published at Toms River, N. J., by Prof. C. B. Kelley, formerly principal of the Port Alleghany schools. Prof. Kelley is principal of the Toms River schools and no doubt is just as energetic as ever in the advancement of education. The PRESS is in receipt of a business letter from Miss Ella Herrick, who is receiving treatment at Hydetown Sanitarium, and we, as well as the lady's friends throughout the county, are pleased to learn that she is greatly improved and able to walk about with little assistance. Mrs. Herrick, her mother, is with her at present. The citizens of Cameron, as well as the entire county, regret the removal of J. A. Dice and family to Glen Hazel, where Mr. Dice has been stationed by the R. R., as agent. We can assure our Glen Hazel friends they have received excellent citizens. We keenly feel our loss—more than words can express. A. Hockley, of Emportium, was here Tuesday morning. B. W. Green, the Emportium lawyer, was in town yesterday looking after legal matters. Emportium was represented at Elk's capital Monday by W. H. Howard, J. P. McNarney and J. C. Johnson. Prof. Harry F. Stauffer, the principal of the Emportium public schools, was in Ridgway on Monday on school business. A letter received on Friday from J. H. Shanbacher by his family reports all well among the Ridgway people at Carlsbad. The letter stated that Hon. W. H. Hyde had gained five pounds in weight.—Ridgway Democrat.

B. W. Green received a telegram last Friday informing him that his farm house, on his Mansfield farm, was destroyed by fire the previous night. Mr. Green went to Tioga same day. He feels his loss very keenly, the property destroyed being his old homestead. The building was insured. Miss Norris arrived at Sterling Run, from England, last Friday, and will visit with her brother, Thos. H. Norris and wife for some time. They visited Emportium on Sunday. Mrs. D. D. Alderfer, of Cameron, is visiting Emportium friends. She was a PRESS visitor this morning and we were pleased to greet her and find her looking so well. Chas. L. Butler has sold his Hazel-Hurst business and will give all his attention to his Emportium shop. Miss Mary Davison and Miss Elva Whiting are guests of the Misses Huntley, at their Medix Run cabin. Dr. McCoy and son, of Smethport, were guests of Thos. Gallagher and wife, last evening. BRIEF MENTION. The furnace will resume and that at once. Howard & Co., are over 175 cars of lumber back in shipments. Our citizens are feeling better, thank you. The prospects for a prosperous town were never better. A woman upset a lamp at Dawson City and the result was a big blaze and little is now left of the gold diggers' capitol. According to the latest state geological report, the highest point in the state is Prospect Hill, near Smethport, which is 2,500 feet above sea level. A man is not always willing to admit that he owes a great deal to his wife, but he will generally concede that she is the cause of his owing a good deal to the milliner, says the Married Man of the Pittsburg News. The editor of a country paper interviewed the inhabitants of his town recently, and he finds that nearly all the successful business men were freely thrashed while they were young, while among the street loafers 27 were mamma's boys. In a case before the Potter county courts, Judge Morrison took occasion to say: "It is a mistaken notion that one driving a horse along the highway can compel a man on foot to give him the whole of the road or run over him. A footman has a right to ample room as well as a team." We have received some excellent specimens of fire clay, just what we are after. Bring along your specimens—the more the better. We are determined that fire brick works shall be located near Emportium, or in Cameron county, if it is proven our clay is of right formation. The PRESS was in error last week when we stated that the contract was let to Mr. Hacket for the erection of the Pine street bridge for \$200. We should have said \$260. But at a meeting of the Council, May 23, the plans and specifications were changed and the amount increased to \$275. Rear Admiral Kautz in a letter to a cousin in Cincinnati thus describes the new king of Samoa: "He is a very inoffensive sort of a fellow, a native, 19 years of age. He wears a French admiral's cocked hat, but no shoes or stockings or trousers; still, considering the torrid weather, he looks very well in this climate. But I hardly think he would look well on Fourth street, Cincinnati." Here is a chance for some of the young men of Kane who are complaining they can find nothing to do, and consequently loaf about the streets and live off the hard earnings of their parents. Uncle Sam is asking for a number of bright, active young men, between the ages of eighteen and twenty-five, to enter the revenue marine service as cadets. The pay upon entrance is \$500 per year and rations, and at the end of two years the cadets are appointed second lieutenants in the revenue marine service. The examinations which will be held about the middle of June, are such as can be passed by a lad having graduated from an institution like the Kane high school. These places in the revenue marine service are really very desirable and well worthy the attention of our bright, ambitious boys. A letter addressed to the civil service commissioner will bring detailed information for guidance to an appointment.—Kane Republican. ALL AROUND THE COUNTY. Four Mile. Friends of Arthur Lucore planned a surprise for him, Tuesday last. The program was fully carried out; luncheon was served, and merry games participated in by all. The occasion seemed none the less enjoyable notwithstanding that "someone" had kindly informed him before the arrival of the guests. ONE WHO WAS THERE. Sterling Run. A. W. Wylie is working at Coudersport this summer. G. W. Herrick and wife, of St. Marys, were in town on Tuesday.

Mrs. Ed. C. White, of Coudersport is visiting her mother, Mrs. J. R. Frank. G. W. Lynch & Sons are turning out a large number of shingles at their mill near this place. Mrs. Mary Herrick is visiting her daughter Ella, at the Hydetown Sanitarium near Erie. Report comes to us to-day that it is a sure thing that coal operations will commence here soon. Whiting & Thomas have taken a lumber job at Wyside this summer and are employing quite a number of men. The tannery is being slowly put in shape to resume operations. There are a great many much needed repairs to make before it can start. Mrs. Mary J. Diffendaffer, of Menominee, Wis., is visiting relatives here. She is a sister of James and Seaver Strawbridge and left here for the West twenty-two years ago. RAMBLER. Beechwood. The excelsior works will start soon. Marion Toner spent Sunday at home. Marion says "just tell them that you saw him." Mrs. Debra Davis has started house-keeping in Emportium. Mr. Jeff Dowd, a well-known citizen of this place, died on Monday morning of last week, and was buried at West Creek. He leaves a wife to mourn his death. Mr. Glenn and brother, Clate Toner, is working in Strait Creek. Jack claims to have a cow that gives twenty quarts of milk and its half butter. Mack and Jim seem to hold quite an interesting conversation every time they meet. "I wonder why?" SIMPLE SIMON. First Fork. There is more of a demand for "bark huskers" than fishermen, and not so easily supplied. Mrs. Geo. Goss has returned from Centre county, where she attended the funeral of her mother, Mrs. Ginery. It was reported on Wednesday evening that Freeman Ayers had been stung to death by bees, but later he regained consciousness and is in a fair way to recovery. The seven-year-old daughter of Wm. Swank has been very sick with appendicitis but is slowly recovering under the care of Dr. Colcord, of First Fork, and Dr. Bradford, of Austin. The funeral of Mrs. Mary Ann Jordan, widow of John Jordan, one of the first settlers of Wharton township, was held at the East Fork on Wednesday last and interment made in the Logue cemetery. She was well known by almost everybody in Potter and adjoining counties. She drew a pension from Uncle Sam on account of the death of her oldest son, John, in the Civil War. Her age was given as 82 years but old people who know her think she was at least ten years older than that. Buckwalter. Mr. Thomas Norton is confined to his bed with the grip. P. & E. carpenters were at this place a few hours Wednesday. Mrs. Alex. McDougal, of Emportium, drove through our city last Tuesday. E. C. Hastings and wife, of Johnsons-burg made grandpa Hogan a short visit last week. Pat Carey, who has been working at this place for the past two weeks left last Friday. Mr. Bush is doing a land office business and will soon put another man on the road. Jas. Douglas and Frank Coppersmith passed through our town with their baskets full of speckled beauties. Mr. Pat Curran made Kane Saturday to visit his family over Sunday. Pat claims there is no place like that city. Bills will soon be out announcing the grand celebration our citizens are preparing for on the Fourth of July, at this place. C. M., claims the fish were away visiting, the day he started out to fill a few orders he had taken. You didn't hold your mouth right, my boy. We understand that J. T. Furlong, of Sterling is going to sign with the Buckwalter base ball team. Emportium will have to look out when we get our mittens on. All roads lead to the school house Saturday evening, where you will find ice cream and frosted cake "to burn." Boys bring your girls (or some one else's girl); it helps the cause along. W. C. Heath has the air filled with the largest fish stories on record and has all his friends invited to an old fashioned trout fry. May you live long and see many more leave the pan. Buckwalter will soon have a new railroad as we can hear them blasting on the hill. Let our moneyed men get together and offer some inducements for industries of some kind to locate here. We have lots of water and good free air. The writer made an inspection of Mike Hillyard's strawberry patch and was really surprised. There isn't a finer lot of berries in the country than "mayor" Hillyard has. He claims he will have a larger crop than ever before. How glad we are to fix our sleeves for a feast, as some are as large as your fist now. PAT.

My neighbors recommended Chamberlain's Cough Remedy. I did not think that any medicine would help him, but after giving him a few doses of that medicine I noticed an improvement, and one bottle cured him entirely. It is the best cough medicine I ever had in the house.—J. L. MOORE, South Curgetstown, Pa. For sale by L. Taggart. A little indifference is the best stimulus to a man's devotion. Many old soldiers now feel the effects of the hard service they endured during the war. Mr. Geo. S. Anderson, of Rosville, York county, Penn., who saw the hardest kind of service at the front, is now frequently troubled with rheumatism. "I had a severe attack lately," he says, "and procured a bottle of Chamberlain's Pain Balm. It did so much good that I would like to know what you would charge me for one dozen bottles." Mr. Anderson wanted it both for his own use and to supply it to his friends and neighbors, as every family should have a bottle of it in their home, not only for rheumatism, but lame back, sprains, swelling, cuts, bruises and burns, for which it is unequalled. For sale by L. Taggart. Throat Sore? A slight soreness or the most serious throat disease is quickly relieved and cured by using Armstrong's Diphtheria and Quinsy Drops.
