

NEW DEPARTURE
BY
M. A. ROCKWELL,
The Fourth Street Druggist,
The Sanitary Still.

I have recently purchased and placed in my Drug Store one of the popular and greatly endorsed Sanitary Stills, manufactured by THE CUPSEGRAPH CO., of Chicago, Ill. There is no process of filtration which will purify water. Nature's process of vaporizing water and cooling it into refreshing showers of pure rain water is repeated by the Sanitary Still in our store. We distill all water used in both our Prescription Department and Soda Water Fountains.

**PURE WATER,
PURE DRUGS,
PURE SODA WATER.**

Purity is our Motto.

Strawberry shortcake portions are increasing.

Thomas Thurman, deputy sheriff of Troy, Mo., says that if everyone in the United States should discover the virtue of DeWitt's Witch Hazel Salve for piles, rectal troubles and skin diseases, the demand could not be supplied. R. C. Dodson.

It's a good thing that the Queen is used to poetry.

W. M. Gallagher, of Bryan, Pa., says: "For forty years I have tried various cough medicines. One Minute Cough Cure is best of all." It relieves instantly and cures all throat and lung troubles. R. C. Dodson.

Any old furnace can declare a dividend now.

DeWitt's Little Early Risers act as a faultless pill should, cleansing and re-vivifying the system instead of weakening it. They are mild and sure, small and pleasant to take, and entirely free from objectionable drugs. They assist rather than compel. R. C. Dodson.

What we need now is an automobile, fishing rod.

What is Kodol Dyspepsia Cure? It is the newly discovered remedy, the most effective preparation ever devised for aiding the digestion and assimilation of food, and restoring the deranged digestive organs to a natural condition. The only thing lacking in Victoria's greatness is that she isn't an American.

A sallow, jaundiced skin is a symptom of disordered liver, as it springs from biliary poisons retained in the blood, which destroy energy, cheerfulness, strength, vigor, happiness and life. Herbine will restore the natural functions of the liver. Price 50 cents. L. Taggart.

Where does Austin get his Indian summer when there are no Injuns in England?

Diphtheria has never become epidemic in any town where Armstrong's Diphtheria and Quinsy Drops are known and used.

Out in Minneapolis they seem to think that the Queen is a pretty good Presbyterian.

Diphtheria is in Los Angeles, Cal., and a telegram is received by the I Cure U Co., Butler, Pa., ordering Armstrong's Diphtheria and Quinsy Drops to be sent at once by express. This shows how a good article is appreciated.

There won't be a gun left to shoot a rabbit by the time the 3,000,000 is distributed in Cuba.

His Life Was Saved.

Mr. J. E. Lilly, a prominent citizen of Hannibal, Mo., lately had a wonderful experience from a frightful death, in telling of it he says: "I was taken with typhoid fever that ran into pneumonia. My lungs became hardened. I was so weak I couldn't even sit up in bed. I expected to soon die of consumption, when I heard of Dr. King's New Discovery. One bottle gave great relief. I continued to use it and now am well and strong; I can't say too much in its praise." This marvelous medicine is the surest and quickest cure in the world for all throat and lung trouble. Regular size 50 cents and \$1.00. Trial bottles free at 1 Taggart's drugstore. Regular size 50c and \$1. Guaranteed or price refunded.

It would add much to the gaiety of life if the fish commission would stock our rivers with sea serpents.

I was seriously afflicted with a cough for several years, and last fall had a more severe cough than ever before. I have used many remedies without receiving much relief, and being recommended to try a bottle of Chamberlain's Cough Remedy, by a friend, who, knowing me to be a poor widow, gave it to me. I tried it and with the most gratifying results. The first bottle relieved me very much and the second bottle has absolutely cured me. I have not had a good health for twenty years. Respectfully, Mrs. Mary A. Beard, Claremore, Ark. Sold by L. Taggart.

LINCOLN AS A LAWYER.

How the Immortal Abe Won His Early Successes at the Bar.

A suit was brought in the United States court in Springfield against a citizen for an infringement of a patent right. Mr. Lincoln was employed to defend it. Mr. Lincoln went to the most skilled architect in the city, inquired how he spent his winter evenings and received the reply: "If times are brisk, I sometimes work. Otherwise I have no special business."

Mr. Lincoln said: "I have a patent right case in court. I want you as a partner and will divide fees. I know nothing about mechanics—never made a study. I want you to make a list of the best works on mechanism, as I don't suppose they can be purchased here. I will furnish the money, and you can send to Chicago or New York for them. I want you to come to my house one night each week and give me instructions." In a short time he had witnesses to meet him, and they were thoroughly drilled.

When the trial commenced, Mr. Lincoln put his questions at the cross examination so scientifically that many witnesses were bothered to reply. When his witnesses were put on the stand, so skillful were his questions that the court, the jury and the bar wondered how Abe Lincoln knew so much about mechanism. His witnesses could reply promptly. He gained the suit and a reputation such that Mr. Lincoln was sustained in every patent right case brought into that court up to the time he went to Washington. He went to Chicago, St. Louis, Iowa, Ohio, Kentucky and Michigan to try patent right cases, and the last year of his practice did little else.—Thomas Lewis' "Recollections of Lincoln" in Leslie's Weekly.

From Welsh to Spanish.

A very long time ago the British government ordered that English should be taught in Welsh schools. As a result, in 1865 a colony of persecuted Welsh miners fled from the British tyranny and settled in the deserts of Patagonia. These men were heroes, and with most magnificent courage they dared to live in a desert where not a plant would grow, where the water was brackish and the heat intolerable. They were surrounded by wild tribes of hostile savages and made them warm friends; they were ruled by a foreign government and became loyal citizens.

Through long years of want and famine they never despaired. They have turned the desert into a beautiful fertile country, have become rich, number 3,000 people, have extended their string of settlements right across South America, own a paying railway and ship large crops of wheat, wool, ostrich feathers and quanao skins.

They left Wales to escape the tyranny of the English language and now, rather than talk Welsh, they converse largely of their freedom in excellent Spanish.
