BRIEF MENTION.

Plenty of work in Cameron county. Mechanics and laborers of all kinds are busy as bees on a honey-suckle.

At the regular meeting of the School Board, Monday evening, Geo. Pepper was elected janitor of the Borough school buildings.

It is not necessary to inform the PRESS readers that A. H. Shafer was in his seat at Monday night's session of the Council. A squint at the lengthy proceedings is all that's needed.

We see by the Kane Leader that the good Dr. Swallow is slowly recovering and is able to be out. It did not state the doctor's complaint, but we think he is just recovering from the shock of last November.

John Wanamaker has just made a contract with the New York Journal for a page advertisement, six days each week, for one year, for \$2500, and still some people wonder if it pays to advertise and kick when they are asked to pay a few dollars in the home paper for a small advertisement.

Millions Given Away.

It is certainly gratifying to the public to know of one concern in the land who are not afraid to be generous to the needy and suffering. The proprietors of Dr. King's New Discovery for Consumption, Coughs and Colds have given away over ten million trial bottles of this great remedy; and have the satisfaction of knowing that it has absolutely cured thousands of hopeless cases. Asthma, bronchitis, hoarseness and all diseases of the throat, chest and lungs are surely cured by it. Call on L. Taggart, druggist, and get a free trial bottle. Regular size 50c. and \$1. In our account of the memorial services at the M. E. Church, last week, wherin we stated the number of people present at 300 we should have said 600. Of course the mistake was not "ours" and we lay it to the "office cat" or the "office towel."

THE LIARS MEETING.

[Editor of the Press:]

Our Club recovered sufficiently from its last meeting to congregate in Hobo Hall in special meeting last Monday. Owing to the absence of Ed. McNarney, who was detained as escort to John Hogan, who refuses to believe that he is not far enough advanced in the art to become a member of this club, Dutch Narby was called to the chair. We sized up Pap's gauge and we are waiting for those wind jammers to show up. It will be the last of the Sinnemahoning Liars' Club. Patsy Burke and Mike Dolan were given three weeks leave of absence for special reasons. Ed. Morris agrees to help us out with a bear story. James Farrell will tell about his bike ride to the moon and Ed. Hillyard how to read low. After singing "Hoeder Kaiser," we all went out to kill Dalrymple's dog, who ate Alice made a flying trip to Emporium on Friday.
