WASHINGTON LETTER.

WASHINGTON, June 12th, 1899.

President McKinley does not talk politics publicly, but among his personal friends he expresses pleasure at the outlook in Ohio, and no man knows the politics of that state better than he does. He thinks the ticket nominated by the Republicans is a strong one, and says that no Republican in the state can give a logical reason for not loyally supporting it. He is confident that the ticket will be elected by a very large majority. Representative Dick, who will be the active manager of the Ohio campaign returned to Washington iu a jovial state of mind, absolutely certain of a victory. He says the campaign will not be started until about the middle of September, but that when started, it will be pushed aggressively until election

There are reasons for belief that they are be-hind the stories alleging serious disagreement between Gen. Acting Secretary of War, Meiklejohn, gave a patient hearing to a committee of Cubans who are in Washington trying to secure a modification of the order of the War Department, granting a postponement of the settlement of all lebts incurred before last December. The order was issued for the benefit of impoverished planters, to prevent their land being sold because they could not at once aise the cash to meet old obligabut this committee claims that it has done more harm than good, and that it is now almost impossible for planters to secure loans in Havana, although there was never so much idle money in the hands of capitalists in that city. It is doubtful whether the order will be modified, as the order will be modified, as the matter was very carefully gone over before it was issued. The chairman of the committee, speak-ing of the general situation in Cuba said: "We are much in need of a civil guard in Cuba as the island is poorly policed. I wish to deny all these wild stories of disorder in Havana. as we are getting along nicely and quietly. You magnify a Cuban bandits into a great affair, and yet you forget that you your-selves are nw chasing train robbers in the West. Again, is a tiff be-tween a Cuban and a Spaniard any more terrible than one of your lynchings? Cuba is not such a bad place, and I hate to see these stories magnified." ories magnified." In addition to getting all of the Republican votes for Speaker, Col. Henderson is getting good words from his political opponents on every hand. Representative Underwood, of Alabama, said: "Col. It covers more gold bearing terri-tory and the gold so far discovered is evenly distributed, not being in pockets, as is the case on many creeks in the Klondike district, where one claim may be rich and the adjoining one worthless."
