A Fatal Accident.

Last Friday afternoon about four o'clock Mr. A. D. Goodman, operator and engineer for the U. S. Pipe Line Co., at Westfield, met with an accident which terminated in death a few hours thereafter. One of the belts running from the counter shaft to an engine or piece of machinery on the floor became loose and Mr. Goodman threw the belt from the machine and was in the act of relacing it when the pulley unexpectedly returned to the pulley on the overhead shaft, causing it to tighten up and catch onto the belt wheel of the machinery. Mr. Goodman's clothing was caught and twisted about the belt which whirled him around the shaft, causing the dislocation of one of his legs at the knee and internal injuries. He was taken to his home on Maple street and Drs. Kunkl, Mastin and Patterson summoned who did all in their power to restore the man to consciousness, but with no results, and he died about midnight without rallying.

Mr. Goodman was a man about 37 years of age, and leaves a wife and three children. He was a member of the Maccabee and State Degree of Honor lodges and had \$3000 insurance on his life. The funeral was held Monday at 1:30 p. m., at the home, Rev. W. O. Beet officiating. Music was furnished by quartette. The remains were taken to Conry, Pa., for burial.—Galeton Dispatch, Oct. 31.
