Plenty of war rumors are escaping.

A Narrow Escape.

Thankful words written by Mrs. Ada E. Hart, of Groton, S. D. "Was taken with a bad cold which settled on my lungs; cough set in and finally terminated in consumption. Four doctors gave me up saying I could live but a short time. I gave myself up to my savior determined if I could not stay with my friends on earth I would meet my absent ones above. My husband was advised to get Dr. King's New Discovery for Consumption, Coughs and Colds. I gave it a trial; took in all eight bottles. It has cured me and thank God I am now a well and healthy woman." Trial bottles free at L. Taggart's drug store. Regular size 50c, and \$1.00. Guaranteed or price refunded.

The baseball war has also reached the injunction stage.

Spain's Greatest Need.

Mr. R. P. Oliva, of Barcelona, Spain, spends his winters at Aiken, S. C. Weak nerves had caused severe pains in the back of his head. On using Electric Bitters, America's greatest blood and nerve remedy, all pain soon left him. He says this grand medicine is what his country needs. All America knows that it cures liver and kidney trouble, purifies the blood, tones up the stomach, strengthens the nerves, puts vim, vigor and new life into every muscle, nerve and organ of the body. If weak, tired or ailing you need it. Every bottle guaranteed, only 50 cents. Sold by L. Taggart, druggist.

These meteorological ups and downs are rather trying.

There is no better medicine for the babies than Chamberlain's Cough Remedy. Its pleasant taste and prompt and effectual cures make it a favorite with mothers and small children. It quickly cures their coughs and colds, preventing pneumonia or other serious consequences. It also cures croup and it has been used in tens of thousands of cases without a single failure so far as we have been able to learn. It not only cures croup but when given as soon as the croupy cough appears will prevent the attack. In cases of whooping cough it huffes the tough mucus, making it easier to expectorate, and lessens the severity and frequency of the paroxysms of coughing, thus depriving that disease of all dangerous consequences. Winter is suffering many relapses.

Clerical Sarcasm.

A clergyman on a recent Sunday gave out the following notice, says The Christian Endeavor World: "The regular meeting of the donkey parade will be held, as usual, at the close of this service. Members will line up just outside the church door, make remarks and stare at the women who pass, as is their custom. "Any member known to escort a young woman to church like a man and sit with her like a gentleman will be promptly expelled from membership."

GOOD COFFEE! The aroma of good Coffee that greets the individual as he enters the dining room is the pleasant feature of the breakfast and will make the person feel content. Half the battle in preparing a meal is to have coffee that suits. We think we have the best in the town. Try "Royal" 35c lb. 3 lbs. \$1.00, and see if you don't come back for more. "Ja-vo-ka" (No-Rio) Mocha-Java flavor, costs you 20c lb. It has more intrinsic value than any other coffee we have ever tested for the money. You will notice that the name has been changed from Ja-vo-ka to Ja-ma-ka. It was found to conflict with the name of a coffee sold by another house, and was changed for that reason, but it is identically the same coffee as was sold under the brand of Ja-vo-ka. We want you to try it and offer this as an extra inducement.
