Every woman in the country ought to know about

Mother's Friend

Those who do know about it wonder how they ever got along without it. It has robbed child-birth of its terrors for many a young wife. It has preserved her girlish figure and saved her much suffering. It is an external liniment and carries with it therefore, absolutely no danger of upsetting the system as drugs taken internally are apt to do. It is to be rubbed into the abdomen to soften and strengthen the muscles which are to bear the strain. This means much less pain. It also prevents morning sickness and all of the other discomforts of pregnancy. A druggist of Macon, Ga., says: "I have sold a large quantity of Mother's Friend and have never known an instance where it has failed to produce the good results claimed for it."

A prominent lady of Lamberton, Ark., writes: "With my first six children 1 was in labor from 24 to 30 hours. After using Mother's Friend, my seventh was born in 4 hours."

A Young Girl's Experience.

My daughter's nerves were terribly out of order. She was thin and weak; the least noise startled her, and she was wakeful at night, Before she had taken one package of Colery King the change in her was so great that she could hardly be taken for the same girl. She is rapidly growing well and strong, her complexion is perfect, and she sleeps well every night.—Mrs. Lucy McNutt, Brush Valley, Pa. Celery King for the Nerves, Stomach, Liver and Kidneys is sold in 25c, and 50c, packages by druggists and dealers.
