Remarkable Cure of Rheumatism. KENNA, Jackson Co., W. Va.

About three years ago my wife had an attack of rheumatism which confined her to her bed for over a month and rendered her unable to walk a step without assist-ance, her limbs being swollen to double their normal size. Mr. S. Maddock insisted on my using Chamberlain's Pain Balm. I purchased a fifty-cent bottle and used it according to directions and the next morning she walked to breakfast without assistance in any manner, and she has not had a similar attack since.generally. The Best in The World.

We believe Chamberlain's Cough Remedy is the best in the world. A few weeks ago we suffered with a severe cold and a troublesome cough, and having read their advertisments in our own and other papers we purchased a bottle to see if it would effect us. It cured us before the bottle was half used. It is the best medicine out for colds and coughs.—The Herald, Andersonville, Ind. For sale by L. Taggart. apı
