# Rock=a=Bye Baby

These are sweet words, but how much pain and suffering they used to mean. It's different now, Since Mother's Friend has become known expectant mothers have been spared much of the anguish of child-birth, Mother's friend is a liniment to be applied externally. It is rubbed thoroughly into the muscles of the abdomen. It gives olasticity and strength, and when the final erreat straic comes they respond quickly and great strain comes they respond quickly and easily without pain. Mother's Friend is never taken internally. Internal remedies at this time do more harm than good. If a

woman is supplied with this splendid lini-ment she need never fear rising or swelling breasts, morning sickness, or any of the disconforts which usually accompany preg-

The proprietor of a large hotel in Tampa, The prophetor of a large noter a range, Fla., writes: "My wife had an awful time with her first child. During her second pregnancy, Mother's Friend was used and the baby was born easily before the doctor arrived. It's certainly great."

The GERMAN REMEDY

In almost every neighborhood there is some one whose life has been saved by Chamberlain's Colic, Cholera and Diarrhoea Remedy, or who has been cured of chronic diarrhoea by the use of that medcine. Such persons make a point of telling of it whenever opportunity offers, hoping that it may be the means of saving other lives. For sale by L. Taggart. apr

A Mansfield man found a live potato bug inside of a potato he was peeling.

## The Best in The World.

We believe Chamberlain's Cough Remedy is the best in the world. A few weeks ago we suffered with a severe cold and a troublesome cough, and having read their advertisments in our own and other papers we purchased a bottle to see if it would effect us. It cured us before the bottle was half used. It is the best medicine out for colds and coughs .--- The Herald, Andersonville, Ind. For sale by L. Taggart. apr
