EDITORIAL MENTION: Kentucky continues to hold its place as the headquarters for "government without the consent of the governed."

With McKinley and Bryan as Presidential candidates, President McKinley was figured as a five to one chance in New York.

When it comes to a question of expansion vs contraction it will not take the American voters long to make up their minds.

An increase of \$50,000,000 in the bank note circulation is already in sight as the result of the enactment of the new currency law.

The Democratic party has nursed a great many boomerangs, but it never got hold of anything so unpleasant as the Idaho riots.

The Pennsylvania Democrats will go to Kansas City solid for Mr. Bryan. Later on Pennsylvania will go into the electoral college solid for President McKinley.

The foreign shipping interests, which are all opposed to the pending foreign shipping bill, seem to have given up the hope of defeating its passage by the present Congress.

The burning of the magnificent convention hall at Kansas City was a public misfortune. Nobody wished such ill-luck to the party that makes a specialty of calamity.

Five to ten per cent. voluntary increase of wages has been granted by the Leslie Lumber Company, of Michigan City. Thus does prosperity make itself felt in the West.

American manufacturers are sweeping everything before them in Siberia. When we have established a great commercial mart at Manila, our expansion in the Orient will be unparalleled.

Democratic sympathy for the people of Porto Rica, like the Democratic sympathy for the Boers, is stimulated largely by Democratic eagerness to place Mr. Bryan in the White House.

The Senate is likely to pass the shipping bill before adjournment. The feeling seems to be general that the rehabilitation of our merchant marine in the foreign trade cannot be begun too soon.

Lincoln, the home of Colonel Bryan, elected the Republican municipal ticket the other day by the largest majority it has returned in years. The Colonel has a good-sized bunch of enemy's country right at home.

The Democrats of Raleigh, N. C., have endorsed the Hon. Julian S. Carr, the millionaire tobacco manufacturer, for United States Senator. The Democrats are violently opposed to millionaires in the other party.

The Coeur D'Alene mining riot investigation continues to elicit nothing but commendation for the action of Governor Steunenberg in trying to uphold law and order. The dastardly outrages committed by the rioters appear the more cowardly as the testimony increases.
